NOW THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereby formally covenant, agree and bind themselves as follows:

Section 1.1 Representations and Covenants of Agency.

The Agency makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established and validly existing under the provisions of the Act and has full legal right, power and authority to execute, deliver, and perform each of the Agency Documents and the other documents contemplated thereby. Each of the Agency Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Agency.

(b) The Agency will take title to or a leasehold interest in the Facility, lease the Facility to the Company pursuant to this Leaseback Agreement and designate the Company as its agent for purposes of the Project, all for the purpose of promoting the industry, health, welfare, convenience and prosperity of the inhabitants of the State and the City of Utica and improving their standard of living.

(c) By resolution adopted on October 2, 2012, the Agency determined that, based upon the review by the Agency of the materials submitted and the representation made by the Company relating to the Facility, the Facility would not have a "significant impact" or "significant effect" on the environment within the meaning of the SEQRA Act.

(d) By the Statement of Findings adopted on February 13, 2013, based upon the review by the Agency of the materials submitted and the representation made by the Company relating to the Facility, the Agency found that the Facility is located in a "highly distressed area," as such term is defined in Section 854(18) of the General Municipal Law because the Facility is located in a designated Empire Development Zone as described in Article 18-B of the General Municipal Law.

(e) Neither the execution and delivery of any of the Agency Documents and the other documents contemplated thereby nor the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Agency Documents and the other documents contemplated

thereby, will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the Act, any other law or ordinance of the State or any political subdivision thereof or of the Agency's Certificate of Establishment or Bylaws, as amended, or of any corporate restriction or any agreement or instrument to which the Agency is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Agency under the terms of the Act or any such law, ordinance, Certificate of Establishment, Bylaws, restriction, agreement or instrument.

(f) Each of the Agency Documents and the other documents contemplated thereby constitutes a legal, valid and binding obligation of the Agency enforceable against the Agency in accordance with its terms.

(g) The Agency has been induced to enter into this Leaseback Agreement by the undertaking of the Company to construct, renovate, equip, maintain and repair the Facility and create or retain related jobs in the City of Utica, New York.

Section 1.2 Representations and Covenants of Company.

The Company makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Company is a New York limited liability company duly organized and validly existing under the laws of the State of New York, and has full legal right, power and authority to execute, deliver and perform each of the Company Documents and the other documents contemplated thereby. Each of the Company Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Company and each constitutes a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its respective terms.

(b) Neither the execution and delivery of any of the Company Documents and the other documents contemplated thereby nor the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Company Documents and the other documents contemplated thereby, will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the articles of organization of the Company, the operating agreement of the Company, any law or ordinance of the State or any political subdivision thereof, or any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Company under the terms of any such law, ordinance, restriction, agreement or instrument.

(c) The providing of the Facility by the Agency and the leasing thereof by the Agency to the Company will not result in the removal of an industrial or manufacturing plant, facility or other commercial activity of the Company from one area of the State of New York to another area of the State of New York nor result in the abandonment of one or more commercial or manufacturing plants or facilities of the Company located within the State of New York; and the Agency has found that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

(d) The Facility and the design, construction, renovation, equipping and operation thereof will conform with all applicable zoning, planning, building and environmental laws, ordinances, rules and regulations of governmental authorities having jurisdiction over the Facility. The Company shall defend, indemnify and hold harmless the Agency for expenses, including attorneys' fees, resulting from any failure of the Company to comply with the provisions of this subsection (d).

(e) The Company has caused to be transferred to the Agency a leasehold interest in all those properties and assets contemplated by this Leaseback Agreement and all documents related hereto.

(f) There is no action, litigation, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending, or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact on the Company's ability to fulfill its obligations under this Leaseback Agreement or any of Company Documents or the transactions contemplated therein.

(g) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility except in compliance with all material applicable laws, (ii) the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, (iv) that no underground storage tanks will be located on the Facility, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated or in existence except for the Site Management Plan prepared by CHA Consulting Inc. dated January 2013 which has been approved by the New York State Department of Environmental Conservation. The Company upon receiving any information or notice contrary to the representations contained in this Section shall immediately notify the Agency in

writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of same to the Agency upon demand, and agrees that upon failure to do so, its obligation for such expense shall be deemed to be additional rent.

(h) In its Application for Financial Assistance dated March 21, 2012, the Company projected that (i) as a result of the Commercial Project, it will retain 9 full-time equivalent jobs and maintain them for the duration of the Lease Term and create 22 full-time equivalent jobs by the commencement of the third year of the Lease Term and maintain them for the duration of the Lease Term and (ii) as a result of the Retail Project, it will create 13 full-time equivalent jobs by the commencement of the third year of the Lease Term following the Completion Date of the Retail Project and maintain them for the duration of the Lease Term (collectively, the "Employment Obligation").

The Company, in its own name or in the name of the Agency, may prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety or other person which the Company deems reasonably necessary, and in such event the Agency, at the Company's expense, hereby agrees to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency of any actions or proceedings taken hereunder. The Agency may but shall not be obligated to prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety or other person which the Agency deems reasonably necessary, at the Company's expense.

(d) Except as provided in Sections 5.3 and 7.1 hereof, the Agency shall neither take nor suffer or permit any action to prevent the Company during the Lease Term from having quiet and peaceable possession and enjoyment of the Facility and will, at the request of the Company and at the Company's cost, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Facility as hereinabove provided.

Section 2.7 Rents and Other Amounts Payable.

(a) The Company shall pay basic rent for the Facility as follows: One Dollar (\$1.00) per year commencing on the Closing Date and on the First Business Day of each and every May thereafter during the term of this Leaseback Agreement.

Section 2.8 Obligations of Company Hereunder Unconditional. The obligations of the Company to make the payments required in Section 2.7 hereof, and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company, and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment or counterclaim it may otherwise have against the Agency or any other Person. (b) All payments made by the Agency or on behalf of the Company pursuant to the Agency Documents shall, to the extent of the sum or sums so paid,

satisfy and discharge the liability of the Agency for moneys payable pursuant to the Agency Documents.

ARTICLE III

(a) The Company shall not abandon the Facility or cause or permit any waste to the Improvements. The Company agrees to deliver to the Agency all documents that may be necessary or appropriate to convey to the Agency title to such Property.

Section 3.2 Installation of Additional Equipment. The Company or any permitted sublessee of the Company from time to time may install additional machinery, equipment or other personal property in the Facility (which may be attached or affixed to the Facility), and such machinery, equipment or other personal property shall not become, or be deemed to become, a part of the Facility. The Company from time to time may remove or permit the removal of such machinery, equipment and other personal property from the Facility, provided that any such removal of such machinery, equipment or other personal property shall not occur (i) if any Event of Default which has not been cured has occurred; or (ii) if any such removal shall adversely affect the structural integrity of the Facility or impair the overall operating efficiency of the Facility for the purposes for which it is intended, and provided further, that if any damage is occasioned to the Facility by such removal, the Company agrees to promptly repair such damage at its own expense;

or (iii) if any such removal results in the Facility to not constitute a "Project" as such term is defined in the Act.

Section 3.3 Taxes, Assessments and Utility Charges.

(b) The Company, at its own expense and in its own name and on behalf of or in the name of the Agency but with notice to the Agency, may in good faith contest any such taxes, assessments and other charges. In the event of any such proceedings, the Company may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such proceedings and any appeal therefrom, provided, however, that (i) neither the Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings and (ii) the Company shall have set aside on its books adequate reserves with respect thereto and shall have furnished such security, if any, as may be required in such proceedings or requested by the Agency.

(c) The Agency agrees that if it or the Company contests any taxes, assessments or other charges provided for in paragraph (b) hereof, all sums returned, as a result thereof, will be promptly transmitted by the Agency to the Company and that the Company shall be entitled to retain all such amounts.

Sections 3.4(d)(ii) and (iii) shall name the Agency as additional insured. The policies under Section 3.4(a) shall contain appropriate waivers of subrogation.

(b) All policies or certificates (or binders) of insurance required by Sections 3.4 hereof shall be submitted to the Agency on or before the Closing Date. The Company shall deliver to the Agency before the renewal date of each policy a certificate dated not earlier than the immediately preceding month reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance of the types and in the amounts required by Section 3.4 hereof and complying with the additional requirements of Section 3.5(a) hereof. Prior to the expiration of each such policy, the Company shall furnish the Agency with evidence that such policy has been renewed or replaced or is no longer required by this Leaseback Agreement. The Company shall provide such further information with respect to the insurance coverage required by this Leaseback Agreement as the Agency may from time to time reasonably require.

Section 3.6 Application of Net Proceeds of Insurance. The net proceeds of the insurance carried pursuant to the provisions of Section 3.4 hereof shall be applied as set forth in the Mortgage, and in any event shall continue to protect the Agency from any liability whatsoever. Once the Mortgage has been released, the net proceeds shall be applied as follows: (i) the net proceeds of the insurance required by Sections 3.4(a) and (e) hereof shall be applied as provided in Section 4.1 hereof, and (ii) the net proceeds of the insurance required by Sections 3.4(b), (c), and (d) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

Section 3.7 Right of Agency and Bank to Pay Taxes, Insurance Premiums and Other Charges.

If the Company fails (i) to pay any tax, together with any fine, penalty, interest or cost which may have been added thereto or become due or been imposed by operation of law for nonpayment thereof, or payments-in-lieu-of-taxes pursuant to the PILOT Agreement, assessment or other governmental charge required to be paid by Section 3.3 hereof, (ii) to maintain any insurance required to be maintained by Section 3.4 hereof, (iii) to pay any amount required to be paid by any law or ordinance relating to the use or occupancy of the Facility or by any requirement, order or notice of violation thereof issued by any governmental person, (iv) to pay any mechanic's Lien which is recorded or filed against the Facility or any part thereof (unless contested in accordance with the provision of Section 5.7(b) hereof), (v) to pay any real property transfer gains tax, together with any interest and penalties thereon, which is due and payable by reason of a conveyance of the leasehold estate in and to the Facility pursuant to a judicial sale in any foreclosure action or by deed and/or assignment in lieu of foreclosure or (vi) to pay any other amount or perform any act hereunder required to be paid or performed by the Company hereunder, the Agency or the Bank may but shall not be obligated to pay

or cause to be paid such tax or payments-in-lieu-of-tax pursuant to the PILOT Agreement, assessment or other governmental charge or the premium for such insurance or any such other payment or may perform any such act. No such payment shall be made or act performed by the Agency or the Bank until at least ten (10) days shall have elapsed since notice shall have been given by the Bank to the Agency, with a copy of such notice being given to the Company (or by the Agency to the Company and the Bank), and in the case of any tax, assessment or governmental charge or the amounts specified in paragraphs (iii), (v) and (vi) hereof, no such payment shall be made in any event if the Company is contesting the same in good faith to the extent and as permitted by this Leaseback Agreement unless an Event of Default hereunder shall have occurred and be continuing. Notwithstanding the provisions of this Section 3.7, if, because of the Company's failure to make payments as described in this Section 3.7, either the Agency, the Bank, or any of their respective members, directors, officers, agents, or employees, shall be threatened with a fine, liability, expense or imprisonment, then the Agency or the Bank may immediately make payment on behalf of the Company in avoidance thereof. No such payment by the Agency or the Bank shall affect or impair any rights of the Agency hereunder arising in consequence of such failure by the Company. The Company shall, on demand, reimburse the Agency or the Bank for any amount so paid or for expenses or costs incurred in the performance of any such act by the Agency pursuant to this Section (which shall include all legal fees and disbursements), together with interest thereon from the date of payment of such amount, expense or cost by the Agency or the Bank at one percent above the prime rate as established by Bank of America, but in no event more than to the extent permitted by law.

Section 4.2 Condemnation.

(a) If title to or use of the Facility shall be taken by Condemnation (in whole or in part) at any time during the Lease Term:

the Facility is replaced, repaired, rebuilt, restored or relocated or Substitute Facilities acquired); and

(iii) upon the occurrence of such Condemnation, the Net Proceeds derived therefrom shall be paid in accordance with the terms of the Mortgage, so long as the Mortgage is in effect. After the release of the Mortgage, the Net Proceeds derived therefrom shall be paid to the Company except as otherwise provided in Section 8.1 and subsection (d) hereof.

(i) the Facility or the Substitute Facilities shall be in substantially the same condition and value as an operating entity as existed prior to the Condemnation;

(ii) the Facility or the Substitute Facilities shall continue to constitute a "project" as such term is defined in the Act; and

(iii) the Facility or the Substitute Facilities will be subject to no Liens, other than Permitted Encumbrances.

(c) All such repair, replacement, rebuilding, restoration or relocation of the Facility shall be effected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements, shall be promptly and fully paid for by the Company in accordance with the terms of the applicable contracts, and shall automatically become a part of the Facility as if the same were specifically described herein.

(d) If the Company shall exercise its option to terminate this Leaseback Agreement pursuant to Section 8.1 hereof such Net Proceeds shall be applied to the Payment of the amounts required to be paid by Section 8.2 hereof. If any Event of Default hereunder shall have occurred and the Agency shall have exercised its remedies under Section 7.2 hereof such Net Proceeds shall be applied to the payment of the amounts required to be paid by Section 7.2 and Section 7.4 hereof.

Section 4.3 Condemnation of Company-Owned Property. The Company shall be entitled to the proceeds of any Condemnation award or portion thereof made for damage to or taking of any Property, which, at the time of such damage or taking, is not part of the Facility.

Section 5.2 Hold Harmless Provisions.

(a) The Company agrees that the Agency, its directors, members, officers, agents (except the Company) and employees shall not be liable for and agree to defend, indemnify, release and hold the Agency, its directors, members, officers, agents (except the Company) and employees harmless from and against any and all (i) liability for loss or damage to Property or injury to or death of any and all Persons that may be occasioned by, directly or indirectly, any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence of any Person or Property on, in or about the Facility or the Land or (ii) liability arising from or expense incurred by the Agency's financing, acquiring, renovating, equipping, owning and leasing of the Facility, including without limiting the generality of the foregoing, all claims arising from the breach by the Company of any of its covenants contained herein, and all causes of action and attorneys' fees and any other expenses incurred in defending any claims, suits or actions which may arise as a result of any of the foregoing, provided that any such losses, damages, liabilities or expenses of the Agency are not incurred or do not result from the gross negligence or intentional or willful wrongdoing of the Agency, or any of its directors, members, agents (except the Company) or employees.

(b) Notwithstanding any other provisions of this Leaseback Agreement, the obligations of the Company pursuant to this Section 5.2 shall remain in full force and effect after the termination of this Leaseback Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and payment in full or the satisfaction of such claim, cause of action or prosecution relating to the matters herein described and the payment of all expenses and charges incurred by the Agency, or its respective members, directors, officers, agents and employees, relating to the enforcement of the provisions herein specified.

(c) In the event of any claim against the Agency or its members, directors, officers, agents or employees by any employee or contractor of the Company or anyone directly or indirectly employed by any of them or anyone for

whose acts any of them may be liable, the obligation of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, disability benefits or other employee benefit acts.

The Agency and its duly authorized agents shall have the right at all reasonable times to inspect the Facility.

Section 5.4 Company to Maintain Its Existence.

The Company agrees that during the Lease Term it will maintain its existence, will not dissolve, liquidate or otherwise dispose of substantially all of its assets and will not consolidate with or merge into another corporation or permit one or more corporations to consolidate with or merge into it, except as otherwise provided for in the Leaseback Agreement.

The Company throughout the Lease Term shall continue to be duly authorized to do business in the State.

Section 5.6 Agreement to File Annual Statements and Provide Information. The Company shall file with the New York State Department of Taxation and Finance an annual statement of the value of all sales and use tax exemptions claimed in connection with the Facility in compliance with Section 874(8) of the New York State General Municipal Law. The Company further agrees whenever requested by the Agency or the Bank to provide and certify or cause to be provided and certified such information concerning the Company, their finances, their operations and their affairs necessary to enable the Agency or the Bank to make any report required by law, governmental regulation or any of the Agency Documents. The Company agrees to submit to the Agency no later than January 30 of each Lease Year the Annual Job Monitoring Report in the form provided by the Agency so that the Agency may confirm the Employment Obligation has been achieved.

Section 5.7 Books of Record and Account; Financial Statements.

The Company at all times agrees to maintain proper accounts, records and book in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all transactions and events relating to the business and affairs of the Company.

Section 5.8 Compliance With Orders, Ordinances, Etc.

(a) The Company, throughout the Lease Term, agrees that it will promptly comply, and cause any sublessee or occupant of the Facility to comply, with all statutes, codes, laws, acts, ordinances, orders, judgments, authorizations, directions and requirements, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof or to the acquisition, construction, renovation and equipping thereof, or to any use, manner of use or condition of the Facility or any part thereof, of all federal, state, county, municipal and other governments, departments, commissions, boards, courts, authorities, officials and officers and companies or associations insuring the premises having jurisdiction of the Facility or any part thereof, or to the acquisition, construction, renovation and equipping thereof, or to any use, manner of use or condition of the Facility or any part thereof.

(b) The Company shall construct, renovate, equip, use, operate and manage the Facility, in accordance with all applicable Environmental Laws and Environmental Permits (as such terms are defined in the Environmental Compliance and Indemnification Agreement), and shall cause all operators, tenants, subtenants, licensees and occupants of the Facility to construct, renovate, equip, use, operate and manage the Facility in accordance with any applicable Environmental Laws and Environmental Permits, and shall not cause, allow or permit the Facility or any part thereof to be operated or used for the storage, treatment, generation, transportation, processing, handling, production, management or disposal of any Hazardous Substances other than in accordance with all applicable Environmental Laws and Environmental Permits. The Company shall obtain and comply with, and shall cause all contractors, subcontractors, operators, tenants, subtenants, licensees and occupants of the Facility to obtain and comply with, all Environmental Permits. The Company shall not cause or permit any change to be made in the present or intended construction, renovation, equipping, use or operation of the Facility which would (i) involve the storage, treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance other than in accordance with any applicable Environmental Law, or the construction, renovation, equipping, use or operation of the Facility as a landfill or waste management or disposal site or for manufacturing or industrial purposes or for the storage of petroleum or petroleum based products other than in accordance with any applicable Environmental Law, (ii) violate any applicable Environmental Laws, (iii) constitute a violation or non-compliance with any Environmental Permit or (iv) increase the risk of a Release of any Hazardous Substance (as such terms are defined in the Environmental Compliance and Indemnification Agreement). The Company shall promptly provide the Agency with a copy of all notifications which the Company gives or receives with respect to environmental conditions at or in the vicinity of the Facility, any past or present Release or the threat of a Release of any Hazardous Substance on, at or from the Facility or any property adjacent to or within the immediate vicinity of the Facility. If the Company receives or becomes aware of any such notification that is not in writing or otherwise not capable of being copied, the Company shall promptly advise the Agency of such verbal, telephonic or electronic notification and confirm such notice in writing. The Company shall

undertake and complete all investigations, studies, sampling and testing and all removal or remedial actions necessary to contain, remove and clean up all Hazardous Substances that are or may become present at the Facility and are required to be removed and/or remediated in accordance with all applicable Environmental Laws and all Environmental Permits. The Company shall allow the Agency, its officers, members, employees, agents, representatives, contractors and subcontractors reasonable access to the Facility during regular business hours of the Company for the purposes of ascertaining the environmental conditions at, on or in the vicinity of the Facility, including, but not limited to, subsurface conditions. If at any time the Agency obtains any notice or information that the Company or the Facility or the construction, renovation, equipping, use or operation of the Facility may be in violation of an Environmental Law or in non-compliance with any Environmental Permit or standard, the Agency may require that a full or supplemental environmental inspection and audit report with respect to the Facility of a scope and level of detail reasonably satisfactory to the Agency be prepared by a professional environmental engineer or other qualified environmental scientist acceptable to the Agency, at the Company's sole cost and expense. Said audit may, but is not required to or limited to, include a physical inspection of the Facility, a records search, a visual inspection of any property adjacent to or within the immediate vicinity of the Facility, personnel interviews, review of all Environmental Permits and the conduct of a scientific testing. If necessary to determine whether a violation of an Environmental Law exists, such inspection shall also include subsurface testing for the presence of Hazardous Substances in the soil, subsoil, bedrock, surface water and/or groundwater. If said audit report indicates the presence of any Hazardous Substance or a Release or Disposal (as such terms are defined in the Environmental Compliance and Indemnification Agreement) or the threat of a Release or Disposal of any Hazardous Substance on, at or from the Facility, the Company shall promptly undertake and diligently pursue to completion all necessary, appropriate investigative, containment, removal, clean up and other remedial actions required by any Environmental Law, using methods recommended by the professional engineer or other environmental scientist who prepared said audit report and acceptable to the appropriate federal, state and local agencies or authorities. For purposes of this Section, "Hazardous Materials" includes, without limitation, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related materials defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Sections 9601, et seq.), the Superfund Amendments and Reauthorization Act of 1986 (Pub.L. No. 99-499, 100 stat. 1613 (1986), the Hazardous Materials Transportation Act, as amended (49 U.S.C. Sections 1801, et seq.), and in the regulations adopted and publications promulgated pursuant thereto, or any other federal, state or local environmental law, ordinance, rule, or regulation. The provisions of this Section shall be in addition to any and all other obligations and liabilities the Company may have to the Agency at common law or otherwise, and shall survive the transactions contemplated herein.

(c) The Company hereby covenants and agrees, at its sole cost and expense, to indemnify, protect, defend, save and hold harmless the Agency, its officers, directors, members, employees, agents and representatives acting in their official capacity, from and against any and all damages, losses, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, actions, proceedings, costs, disbursements or expenses (including, without limitation, attorneys' and experts' fees, expenses and disbursements, and attorneys' fees incurred to enforce the terms, conditions and provisions of this agreement) of any kind or nature whatsoever which may at any time be imposed upon, incurred by or asserted or awarded against the Agency, its officers, members, employees, agents (except the Company), representatives, contractors and subcontractors relating to, resulting from or arising out of (i) the environmental conditions at, on or in the vicinity of the Facility, (ii) the construction, renovation, equipping, operation or use of the Facility in violation of any applicable Environmental Law for the storage, treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance or as a landfill or other waste disposal site, or for military, manufacturing or industrial purposes or for the commercial storage of petroleum or petroleum based products, (iii) the presence of any Hazardous Substance or a Release or Disposal or the threat of a Release or Disposal of any Hazardous Substance or waste on, at or from the Facility, (iv) the failure to promptly undertake and diligently pursue to completion all necessary, appropriate and legally authorized investigative, containment, removal, clean up and other remedial actions with respect to a Release or the threat of a Release of any Hazardous Substance on, at or from the Facility, required by any Environmental Law, (v) human exposure to any Hazardous Substance, noises, vibrations or nuisances of whatever kind to the extent the same arise from the condition of the Facility or the construction, equipping, ownership, use, sale, operation, conveyance or operation thereof in violation of any Environmental Law, (vi) a violation of any applicable Environmental Law, (vii) non-compliance with any Environmental Permit or (viii) a material misrepresentation or inaccuracy in any representation or warranty or a material breach of or failure to perform any covenant made by the Company in the Environmental Compliance and Indemnification Agreement (collectively, the "Indemnified Matters").

(d) Notwithstanding the provisions of subsections (a), (b) and (c) hereof, the Company may in good faith contest the validity or the applicability of any requirement of the nature referred to in such subsections (a) and (b) by appropriate legal proceedings conducted in good faith and with due diligence. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by failure to comply with such requirement or requirements, the Facility or any part thereof may be subject to loss, penalty or forfeiture, in which event the Company shall promptly take such action with respect thereto or provide such security as shall be satisfactory to the Agency. If at any time the then existing use or occupancy of the Facility shall, pursuant to any zoning or other law, ordinance or regulation, be permitted only so long as such use or occupancy shall continue, the

Company shall use its best efforts to not cause or permit such use or occupancy to be discontinued without the prior written consent of the Agency.

(e) Notwithstanding the provisions of this Section 5.8, if, because of a breach or violation of the provisions of subsections (a), (b) or (c) hereof (without giving effect to subsection (d) hereof), the Agency or any of its members, directors, officers, agents, or employees, shall be threatened with a fine, liability, expense or imprisonment, then, upon notice from the Agency, the Company shall immediately provide legal protection and/or pay amounts necessary in the opinion of the Agency and its members, directors, officers, agents and employees deem sufficient, to the extent permitted by applicable law, to remove the threat of such fine, liability, expense or imprisonment.

(f) Notwithstanding any provisions of this Section, the Agency retains the right to defend itself in any action or actions which are based upon or in any way related to such Hazardous Materials and Hazardous Substances. In any such defense of itself, the Agency shall select its own counsel, and any and all costs of such defense, including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs, and litigation expenses, shall be paid by the Company.

Section 5.9 Discharge of Liens and Encumbrances.

(a) The Company, throughout the Lease Term, shall not permit or create or suffer to be permitted or created any Lien, except for Permitted Encumbrances, upon the Facility or any part thereof by reason of any labor, services or materials rendered or supplied or claimed to be rendered or supplied with respect to the Facility or any part thereof.

(b) Notwithstanding the provisions of subsection (a) hereof, the Company may in good faith contest any such Lien. In such event, the Company may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by nonpayment of any such item or items, the Facility or any part thereof may be subject to loss or forfeiture, in which event the Company shall promptly secure payment of all such unpaid items by filing a bond, in form and substance satisfactory to the Agency, thereby causing such Lien to be removed or by taking such other actions as may be satisfactory to the Agency to protect their respective interests. Mechanics' Liens shall be discharged or bonded within thirty (30) days of the filing or perfection thereof.

Section 5.10 Depreciation Deductions and Investment Tax Credit.

The parties agree that, as between them, the Company shall be entitled to all depreciation deductions with respect to any depreciable property

comprising a part of the Facility and to any investment credit with respect to any part of the Facility.

Section 5.11 Employment Opportunities, Notice of Jobs.

The Company covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, cause any new employment opportunities created in connection with the Facility to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300) in which the Facility is located (collectively the "Referral Agencies"). The Company also agrees that it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, first consider for such new employment opportunities persons eligible to participate in federal job training partnership (PL 97-300) programs who shall be referred by the Referral Agencies.

Section 5.12 Limitation of Liability of the Agency.

The liability of the Agency to the Company under this Leaseback Agreement shall be enforceable only out of the Agency's interest under this Leaseback Agreement, and there shall be no other recourse against the Agency, its officers, members, agents and employees, past, present or future, or any of the property now or hereafter owned by it or them.

ARTICLE VI

RELEASE OF CERTAIN LAND; ASSIGNMENTS AND SUBLEASING; PLEDGE OF INTERESTS

Section 6.1 Restriction on Sale of Facility; Release of Certain Land.

(a) Except as otherwise specifically provided in this Article VI and in Article VII hereof, the Agency shall not sell, convey, transfer, encumber or otherwise dispose of the Facility or any part thereof or any of its rights under this Leaseback Agreement, without the prior written consent of the Company.

(b) The Agency and the Company from time to time may release from the provisions of this Leaseback Agreement and the leasehold estate created hereby any part of, or interest in, the Land which is not necessary, desirable or useful for the Facility. In such event, the Agency, at the Company's sole cost and expense, shall execute and deliver, any and all instruments necessary or appropriate to so release such part of, or interest in, the Land and convey such title

thereto or interest therein to the Company or such other Person as the Company may designate.

(c) No conveyance of any part of, or interest in the Land affected under the provisions of this Section 6.1 shall entitle the Company to any abatement or diminution of the rents payable by it under this Leaseback Agreement.

Section 6.2 Removal of Equipment.

(a) The Agency shall not be under any obligation to remove, repair or replace any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary item of Equipment. In any instance where the Company determines that any item of Equipment (except for the fixtures) has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company with the prior written consent of the Agency (which consent may not be unreasonably withheld but may be subject to such conditions as the Agency may deem appropriate), may remove such items from the Facility and may sell, trade-in, exchange or otherwise dispose of the same, as a whole or in part, provided that such removal will not materially impair the operation of the Facility for the purpose for which it is intended or change the nature of the Facility so that it does not constitute a "project" under the Act.

(b) The Agency shall execute and deliver to the Company all instruments necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Equipment. The Company shall pay any costs (including counsel fees) incurred in transferring title to any item of Equipment removed pursuant to this Section 6.2.

(c) The removal of any item of Equipment pursuant to this Section shall not entitle the Company to any abatement or diminution of the rents payable by it under this Leaseback Agreement.

Section 6.3 Assignment and Subleasing.

(a) This Leaseback Agreement may not be assigned, in whole or in part, and the Facility may not be subleased, in whole or in part, without the prior written consent of the Agency in each instance, except to the Sublessee under the Sublease. A transfer in excess of 50% of the equity voting interests of the Company (other than a transfer to a family member) shall be deemed an assignment and require the prior written consent of the Agency. Any assignment or sublease, including to the Retail Sublessee under the Retail Sublease Agreement, shall be on the following conditions, as of the time of such assignment or sublease:

(i) no assignment or sublease shall relieve the Company from primary liability for any of its obligations hereunder;

(ii) the assignee or sublessee shall assume the obligations of the Company hereunder to the extent of the interest assigned or subleased;

(iii) the Company shall, within (10) days after the delivery thereof, furnish or cause to be furnished to the Agency a true and complete copy of such assignment or sublease and the instrument of assumption;

(iv) neither the validity nor the enforceability of the Leaseback Agreement shall be adversely affected thereby; and

(v) the Facility shall continue to constitute a "project" as such quoted term is defined in the Act.

(b) If the Agency shall so request, as of the purported effective date of any assignment or sublease pursuant to subsection (a) of this Section 6.3, the Company at its cost shall furnish the Agency, with an opinion, in form and substance satisfactory to the Agency, (i) of Transaction Counsel as to item (v) above, and (ii) of Independent Counsel as to item (iv) above.

Section 6.4 Pledge of Agency's Interests to Bank. The Agency is being requested to mortgage its interest in the Facility and (ii) pledge and assign its rights to and interest in this Leaseback Agreement and in all amounts payable by the Company pursuant to Section 2.7 hereof and all other provisions of this Leaseback Agreement (other than Unassigned Rights), to the Bank as security for the payment of the principal of and interest on the Loan. The Company hereby acknowledges and consents to such mortgage, pledge and assignment by the Agency. Notwithstanding the foregoing, all indemnities herein contained shall subsequent to such pledge and assignment continue to run to the Agency for its benefit as well as for the benefit of the Bank.

Section 6.5 Pledge of Company's Interest to Bank. The Company shall pledge and assign its rights to and interest in this Leaseback Agreement to the Bank as security for the payment of principal of and interest on the Loan. The Agency hereby acknowledges and consents to such pledge and assignment by the Company.

Section 6.6 Merger of Agency.

(a) Nothing contained in this Leaseback Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or transfer of title to the entire Facility to any other public benefit corporation or political subdivision which has the legal authority to own and lease the Facility, provided that upon any such consolidation, merger or transfer, the due and punctual performance and observance of all the agreements and conditions of this Leaseback Agreement to be

kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Facility shall be transferred.

(b) Within thirty (30) days after the consummation of any such consolidation, merger or transfer of title, the Agency shall give notice thereof in reasonable detail to the Company and shall furnish to the Company, at the sole cost and expense of the Company, a favorable opinion of Independent Counsel as to compliance with the provisions of Section 6.6(a) hereof. The Agency promptly shall furnish such additional information with respect to any such transaction as the Company may reasonably request.

ARTICLE VII

(v) the failure by the Company to release, stay, discharge, lift or bond within thirty (30) days any execution, garnishment, judgment or attachment of such consequence as may impair its ability to carry on its operations; or the failure by the Company generally to pay its debts as they become due; or an assignment by the Company for the benefit

of creditors; the commencement by the Company (as the debtor) of a case in Bankruptcy or any proceeding under any other insolvency law; or the commencement of a case in Bankruptcy or any proceeding under any other insolvency law against the Company (as the debtor) and a court having jurisdiction in the premises enters a decree or order for relief against the Company as the debtor in such case or proceeding, or such case or proceeding is consented to by the Company or remains undismissed for forty (40) days, or the Company consents to or admits the material allegations against it in any such case or proceeding; or a trustee, receiver or agent (however named) is appointed or authorized to take charge of substantially all of the property of the Company for the purpose of enforcing a lien against such Property or for the purpose of general administration of such Property for the benefit of creditors;

(vii) a breach of any covenant or representation contained in Section 5.8 hereof with respect to environmental matters; or

(viii) failure to maintain insurance as provided for in Section 3.4 and Section 3.5 herein.

(b) Notwithstanding the provisions of Section 7.1(a), if by reason of force majeure any party hereto shall be unable in whole or in part to carry out its obligations under Sections 2.2 and 3.1 of this Leaseback Agreement and if such party shall give notice and full particulars of such force majeure in writing to the other party, within a reasonable time after the occurrence of the event or cause relied upon, such obligations under this Leaseback Agreement of the party giving such notice (and only such obligations), so far as they are affected by such force majeure, shall be suspended during continuance of the inability, which shall include a reasonable time for the removal of the effect thereof. The term "force majeure" as used herein shall include, without limitation, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, acts, priorities or orders of any kind of the government of the United States of America or of the State or any of their departments, agencies, governmental subdivisions, or officials, any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accident to machinery, transmission pipes or canals, shortages of labor or materials or delays of carriers, partial or entire failure of utilities, shortage of energy or any other cause or event not reasonably within the control of the party claiming such inability and not due to its fault. The party claiming such inability shall remove the cause for the same with all reasonable promptness. It is agreed that the settlement of strikes, lockouts and

other industrial disturbances shall be entirely within the discretion of the party having difficulty, and the party having difficulty shall not be required to settle any strike, lockout and other industrial disturbances by acceding to the demands of the opposing party or parties.

Section 7.2 Remedies on Default.

(a) Whenever any Event of Default shall have occurred, the Agency may take, to the extent permitted by law, any one or more of the following remedial steps:

(i) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable: (A) all unpaid installments of rent and other payments payable pursuant to Section 2.7(a) (b) and (c) hereof and (B) all other payments due under this Leaseback Agreement; provided, however, that if an Event of Default specified in Section 7.1(a)(v) hereof shall have occurred, such installments of rent and other payments due under this Leaseback Agreement shall become immediately due and payable without notice to the Company or the taking of any other action by the Agency;

(ii) terminate, on ten (10) days written notice to the Company the Lease Term and all rights of the Company under this Leaseback Agreement and, without being liable for any prosecution or damages therefor, holding the Company liable for the amount, if any, by which the aggregate of the rents and other amounts payable by the Company hereunder exceeds the aggregate of the rents and other amounts received from such other Person under the new lease;

(iii) terminate the leasehold interest in the Facility and terminate the PILOT Agreement. The Agency shall have the right to execute an appropriate termination of leaseback agreement with respect to the Facility and to place the same on record in the Oneida County Clerk's Office, at the expense of the Company, and in such event the Company waives delivery and acceptance of such termination of leaseback agreement. The Company does hereby appoint the Agency as its true and lawful agent to execute such instruments and documents as may be necessary and appropriate to effectuate such termination as aforesaid. Such appointment of the Agency as the agent of the Company shall be deemed to be an agency coupled with an interest and such appointment shall be irrevocable;

(iv) take any other action at law or in equity which may appear necessary or desirable to collect the payments then due or thereafter to become due hereunder, to secure possession of the

Facility, and to enforce the obligations, agreements or covenants of the Company under this Leaseback Agreement.

(b) In the event the Facility is subleased or leased to another Person pursuant to Section 7.2(a)(ii) or (iii) hereof, the Agency may (but shall be under no obligation to) make such repairs or alterations in or to the Facility as it may deem necessary or desirable for the implementation of such sublease or lease, and the Company shall be liable and agrees to pay the costs of such repairs or alterations and the expenses incidental to the effecting of such sublease or lease, together with such interest on such costs and expense paid by the Agency at the rate of two percent (2%) in excess of the prime rate as set by Bank of America, but in no event at a rate higher than the maximum lawful prevailing rate, from the date on which such costs and expenses were incurred until the date on which such payment is made, notwithstanding that the Lease Term and all rights of the Company under this Lease Agreement may have been terminated pursuant to Section 7.2(a)(iii) hereof.

(d) No action taken pursuant to this Section 7.2 (including repossession of the Facility) shall relieve the Company from its obligation to make all payments required hereunder.

(e) After an Event of Default shall have occurred, the Company shall have the right upon notice to the Agency to enter the Facility with agents or representatives of the Agency to remove any equipment or other personalty owned by the Company if such equipment or personalty is not part of the Facility.

Section 7.3 Remedies Cumulative.

No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Leaseback Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article VII, it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Leaseback Agreement.

Section 7.4 Agreement to Pay Attorneys' Fees and Expenses.

In the event the Company should default under any of the provisions of this Leaseback Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the

Company herein contained, the Company shall, on demand therefor, pay to the Agency the fees of such attorneys and such other expenses so incurred.

Section 7.5 No Additional Waiver Implied by One Waiver.

In the event any agreement contained herein should be breached by any party and thereafter waived by any other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 7.6 Recapture.

(a) If the Company shifts production to a facility outside of the City of Utica and, as a result, fails to achieve the Employment Obligation, then the Agency will require the value of the incentives utilized to date to be repaid, with interest (determined as the New York State legal interest rate).

(b) If the Company fails to meet the Employment Obligation for reasons other than described above, then the Agency staff will meet with the Company, and the Company will have the opportunity to present its case as to relevant issues. The following criteria will be used to determine if a valid exemption exists for failure to achieve the Employment Obligation:

(i) Natural Disaster: if a natural disaster such as fire, flood or tornado disrupts the business.

(ii) Industry Trends: an evaluation of industry trends will be made relevant to the Company, and a determination reached as to whether the Company is in a market that is declining. International and national data will be used in the evaluation. An industry is considered in decline when, measure by the appropriate SIC code, it experiences employment or revenue declines – beyond its control – of 10% or more over 3 years.

(iii) Loss of Major Supplier or Customer: if the loss of a customer or supplier represents 15% or more of the sales of the Company.

(iv) Productivity Improvements: if new technology, equipment or general productivity improvements result in the need for less than projected employees or investment.

(v) Unfair Competition: if an international competitor utilizes an unfair competitive advantage to acquire market share.

(vi) Temporary Condition: if the failure to meet the Employment Obligation is temporary in nature.

(c) If the Agency based on criteria outlined in paragraph (a) determines that the Company's reasons for failing to meet the Employment Obligation are invalid, the Agency will notify the Company in writing of its intention to recapture benefits. If the Agency based on criteria outlined in paragraph (b) determines that the Company's reasons for failing to meet the Employment Obligation are invalid, the Agency will notify the Company in writing of its intention to recapture benefits and the Company will have thirty (30) days to respond to the default letter citing the reason or reasons the Company failed to achieve its Employment Obligation, including any request to appear before the Agency board of directors. If the Agency then determines that the Company's reasons for failing to achieve the Employment Obligation are invalid, the Agency, at its sole discretion, may:

(i) Take no action if it is determined that the reason or reasons for failing to achieve the Employment Obligation are temporary or, in the sole opinion of the Agency, it is in the best interest of economic development of the City of Utica;

(ii) Reduce the benefits granted to the Company in an amount proportionate to the percentage of Employment Obligation that was achieved (i.e., if the Company meets 75% of its projections, benefits are reduced by 25% in the next applicable tax year);

(iii) Require the Company to repay a percentage of the benefits received to date in an amount proportionate to the percentage of Employment Obligation achieved and apply that percentage to future benefits until such time the original projections are met or until the expiration of the Lease Term, whichever is soonest; or

(iv) Terminate the Leaseback Agreement and the PILOT Agreement and require the Company to repay 100% of the benefits received to date.

(d) The Agency in granting benefits retains all rights to impose, delay or waive penalties and the right to deviate from these recapture provisions.

(e) No violation of these provisions in Section 7.6 will, in and of itself, constitute a default of any financing debt instrument.

(d) To the appropriate Person: an amount sufficient to pay all other fees, expenses or charges, if any, due and payable or to become due and payable under the Loan Documents.

such Property exists, subject only to the following: (A) any Liens to which title to such Property was subject when the leasehold interest was conveyed to the Agency, (B) any Liens created at the request of the Company, to the creation of which the Company consented or in the creation of which the Company acquiesced, (C) any Permitted Encumbrances and (D) any Liens resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Leaseback Agreement or arising out of an Event of Default hereunder, and (ii) to release and convey to the Company all of the Agency's rights and interest in and to any rights of action or any Net Proceeds of insurance or Condemnation awards with respect to the Facility (but not including any Unassigned Rights).
