**Re: 253 New Century, LLC Facility**

Dear Sir:

On May 2, 2017 at 8:30 a.m. local time at Utica City Hall, Department of Urban and Economic Development Conference Room, One Kennedy Plaza, Utica, New York, the City of Utica Industrial Development Agency (the "Agency") will meet to consider a final authorizing resolution regarding this project for the use of 253 New Century, LLC (the "Company").

The Company has applied to the Agency for financial assistance in connection with a project consisting of the renovation and rehabilitation of a 15,000± square foot, three-story historic building (the "Improvements") situated on a .16± acre parcel of land located at 253 Genesee Street, City of Utica, Oneida County, New York (the "Land") and the acquisition and installation of machinery and equipment in the Improvements (the "Equipment"), all for the adaptive reuse of the Improvements for lease to commercial and/or retail tenants and to enhance economic development and retain employment in downtown Utica (the Land, Improvements and Equipment collectively, the "Facility").

The financial assistance contemplated by the Agency constitutes a deviation from its Uniform Tax Exemption Policy (the "Policy") in the following respects: the Agency shall lease the Facility to the Company for a period of ten years, during which time the Company will pay no taxes during years 1-2; 25% of taxes during year 3; 30% of taxes during year 4; 40% of taxes during year 5; 50% of taxes during years 6-7; 60% of taxes during year 8; 70% of taxes during year 9; 80% during year 10 and 100% of taxes thereafter.

The Agency is also contemplating granting financial assistance in the form of exemptions from sales tax and mortgage recording tax, which is consistent with the Agency's Policy.

The Agency is deviating from its policy for the following reasons:

- ✓ The nature of the Facility before the project begins -- **The Facility is an abandoned historic building and a distressed property in the heart of downtown Utica. The property has been**

- owned by the City of Utica for over 15 years and has been off the tax rolls for that time.
- ✓ The economic condition of the area at the time of the application – **the Facility is located in an area that has been designated an economic development zone pursuant to Article 18-B of the General Municipal Law, and is therefore located in a "highly distressed area" (as defined in Section 854(18) of the New York General Municipal Law) because the Facility is located in a former Empire Development Zone as described in Article 18-B of the General Municipal Law**
  - ✓ The impact of the proposed Facility on existing and proposed businesses and economic development projects in the vicinity – **redeveloping and stabilizing the Facility will help to revitalize downtown Utica**
  - ✓ The extent to which the Facility will retain and increase permanent, private sector jobs
  - ✓ The likelihood of accomplishing the proposed Facility in a timely fashion – **stabilization of the building has taken place as further deterioration of the structure would render it undevelopable**
  - ✓ The extent to which the proposed project will provide additional sources of revenue for municipalities and school districts in which the project is located – **as the building has been off the tax rolls for 15 years, private development and ownership will be a boost to the local taxing jurisdictions by providing for additional real property tax revenues.**

You are welcome to attend such meeting at which time you will have an opportunity, both orally and in writing, to present your views with respect to the project. We are providing this notice to you, pursuant to Chapters 356 and 357 of the Laws of 1993, as the chief executive officer of an affected tax jurisdiction within which the project is located.

Should you desire to discuss this matter or if you have any questions concerning this notice please feel free to contact Jack Spaeth at the Agency at telephone number 315-792-0195.
