4. NARRATIVE SECTION (This section is to be used to record specific and personal characteristics of this employee which are not adequately covered in the rating sections above. Any factors rated as a 1 or a 5 in the above sections must be articulated in this section.)

During this observation period Sgt. Faniglula used 1 sick days. He is always punctual and stays late after work often without compensation.

Sgt. Faniglula is always receptive and courteous to his supervisors and their direction. He accepts orders and direction very well, and completes tasks with little to no supervision. He does this without complaint and always maintains a positive attitude in front of his subordinates.

As his direct supervisor, I can rely on Sgt. Faniglula to complete tasks correctly and in a timely fashion. I can also rely on him to review and have a proper understanding of active cases assigned to his investigators.

When there is an incident afterhours or on weekends, I can count on Sgt. Faniglula to be available and return to work if and when necessary.

Sgt. Faniglula is relatively new to CID operations. Regardless, he has shown himself to be an effective on-scene supervisor. He does not hesitate to take control of a felony scene, and always exhibits calmness and collectiveness.

Sgt. Faniglula does not hesitate to get involved with active investigations. I often observe him directly assisting his investigators with their investigations by helping with on-scene canvasses for evidence/witnesses/suspects/etc. He exhibits excellent leadership qualities, and his subordinates respond to his supervision accordingly.

How can this employee best improve his/her performance? (Include setting Career /Performance Goals).

Sgt. Faniglula was transferred to CID Nights from the Patrol Division in April of 2020. Thus far I have been very pleased with his development as a CID Supervisor. For what he lacks in CID experience he makes up in overall supervisory experience and responsibilities gained from time assigned to multiple units of this agency. He can best improve his performance continuing to gain experience from direct on-scene supervision of incidents. With increased volume comes more exposure to various types of incidents.

Continued from Page 1;

CID Supervisors should also be cognizant of their investigator's investigative management caseload and regularly audit the module.

Interaction With Other Members of the Department: Sometimes Chris needs to put the blinders on and worry about what he can control and not what other supervisors are doing/saying.

Interaction with Public: Chris is very diplomatic and patient when dealing with members of the public. I frequently call upon him to speak with citizens who make allegations against our officers. The majority of the time these interactions have positive outcomes.

Training and Coaching of Subordinates: Chris is our platoon's FTO/Recruit coordinator. In this role, he is responsible for ensuring that new recruits are placed with the appropriate FTOs, to meet their training needs. He also makes certain that the recruit officer's training period is documented correctly/accurately.

How can this employee best improve his/her performance? (Include setting Career /Performance Goals).

12/6/07**SUBJECT:** Narcotics Investigation Unit Canvass**TO:** Chief of Police: C. Allen Pylman

I, Officer Christopher Faniglula, would like to express my interest in the Narcotics Investigations Unit, and respectfully request consideration for any future openings.

Although, I have only been with the department for a short time, my supervisors have the confidence in my ability to work one of the busiest and demanding zones in the city, Car/Zone 53. During my time in Car 53 I have been able to respond to the demands of this zone, and still have time to be proactive. I have also been able to establish a good working rapport within the West Utica community.

Secondly, I have had the opportunity to work several proactive details such as, Weed and Seed, METRO, and Saturation Patrol. In working these proactive details I have gained a wealth of knowledge into narcotic investigations and have been able to develop my narrative writing skills. Further, I feel that in my time and on this department I have developed investigative skills that would benefit this unit.

I feel I have developed the skills and knowledge necessary to work in this elite specialized unit. I feel this would be a great learning experience and if given the opportunity, I would give nothing less than 110%.

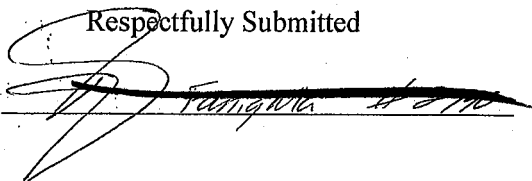

Thank you for your time and consideration.

SUBJECT: Community Policing and Tactical Unit Placement

TO: Chief of Police: C. Allen Pylman

This Officer is writing this narrative to show interest in being considered for future openings in the Community Policing and Tactical Units.

Though I lack experience, I feel I make up for it in desire. I have had the opportunities to work several pro-active assignments such as; Weed and Seed, DWI patrol, and the Burglary details. I have also had the opportunity to work with experienced officers during my time on the job, whom have passed along much of their knowledge in narcotics and introduced me into pro-active patrolling. Throughout my short career I have been assigned to the busier zones in the city. My Commanding Officers have the confidence in me to handle the call volume, and have the time to conduct pro-active patrol during the brief down times. I know with my short time of street experience I have much more to learn, however I feel this is a great opportunity to expand my knowledge of police work.

Thank you for your consideration in looking into me as a possible candidate for future openings in these specialized units.

Even if you have to spend much of your time scanning off the road, it is still necessary to keep checking your mirrors.

When you drive a police vehicle in an emergency situation, you can still be held liable in a collision..

If you cannot see another vehicle's rearview mirror, you are probably driving in that driver's blind spot.

Dear Chief of Police Williams,

Three or four weeks ago there was an incident at ~~██████████~~ Kitchen. One of the guests was being disruptive and the police needed to be called. Four of your officers responded and I want to commend them and you on their handling of the situation. They were calm and did not allow themselves to be goaded into acting inappropriately. Also, I want to thank you for the police presence blocking traffic on June 3 after the 10:30 ~~██████████~~ St. ~~██████████~~. We had a procession around the block for Corpus Christi Sunday and your officers provided safety for those who walked.

Thank you.

Dear Chief Mark Williams,

On the night of Friday, January 9, 2015, I witnessed 5 Utica Police Officers work as they tried to locate a missing child. They were compassionate, thorough and efficient leaving no stone unturned till they found this child. After two and half hours of searching various clues, buses, and interviewing neighboring households, these men returned this young girl to her gravely upset mother. Car 51 was present along with another car. I do not know the names of these officers due to the trauma of the evening. They were professional and caring in every way. The officers need to know that they were and are appreciated for their guardianship of our citizens of Utica.

Gentlemen:

I want to extend congratulations to each of you for your professionalism which was exhibited in an incident occurring on McVean Street on February 6th, 2013.

The above officers realized a male that was involved in a shooting earlier was in the apartment and likely was homicidal as well as suicidal and in possession of two handguns. Upon entering the apartment door, they immediately observed a male on a couch directly in front of them. There was no electricity in the apartment and it was pitch black other than the officers' flashlights. They could see the male on the couch with a large handgun in his hand.

The above officers advanced towards the male, giving verbal commands. As they got closer, they realized he was deceased and so communicated that fact to other officers entering so that no one would fire on him.

The restraint and expertise that was shown by these officers helped prevent a situation whereby they could have easily fired their weapons.

A copy of this correspondence will be placed in each of your personnel files.

Dear Police Chief Williams,

I was involved in an accident at the corner of Genesee and Court at 4 in the afternoon on October 27, 2010. While I'm sure it was one of the more minor occurrences of the day for the men who responded, to me it was a very big deal. In this day where people are so quick to criticize and point fingers, I wanted to be sure to take the time to let you know how impressed I was with the treatment I received. Three cars responded to my accident. Every officer could not have been more patient, kind, respectful and professional. I have never had the occasion to interact with anyone on the UPD (or any police department, for that matter) and perhaps this happens all the time; but they helped make the best of a lousy situation. Most times police officers deal with people when they are at their most vulnerable and scared and to do so in the manner I experienced is something you should all be proud of. My compliments to you on leading such an outstanding department.

Sincerely,

Michel

Mark over the weekend I was driving down Arthur Street and observed a traffic stop that was being conducted by four of your police officers. The traffic stop involved four young men that were occupying a SUV truck that had apparently committed a traffic infraction.

Your officers were conducting themselves in a very professional manner and did a very good job maintaining a safe environment for the recipients of the stop, the onlookers and themselves.

The following officers treated me with respect and did ask me to step back on the sidewalk, in a professional manner that was tough but appropriate for the situation. On Sept 18, 2014, METRO SWAT, a multi-agency team, was tasked with executing a high-risk, no-knock search warrant at a location on Sunset Ave. The information supplied by Narcotics Investigators included that the occupants were armed, in possession of a large quantity of narcotics, and there was the possibility that one of the occupants was a suspect in a homicide. After being briefed, it was determined the best plan of action would be a "surround and call out", a progressive concept not regularly practiced on the East coast but widely accepted on the West coast. The plan required operators to scale a ladder and breach second floor windows from a rooftop and other operators to breach and hold doorways, forcing the occupants to surrender and come out peacefully. The plan was executed flawlessly and several handguns and a large quantity of narcotics were seized.

Due to their teamwork, courage, and ability to adapt quickly to a new concept, several dangerous people were removed from the streets. For this incident, and the many high risk entries that they make throughout the year, these officers are receiving the unit citation. They bring honor to themselves and their respective agencies.

On February 1, 2013 at about 0000 hours, several officers were dispatched to the 600 block of William Street regarding a robbery in progress in which three men wearing ski masks broke into two of the occupied apartments at the above location. While enroute, dispatch relayed information regarding possible suspects and vehicle information. This information was given out as a BOLO to the responding officers, at which point, the several officers located the suspect vehicle which was occupied by several occupants. Upon further investigation, it was learned that some of the occupants of the vehicle were involved in the burglary.

Due to the quick response and actions of the above officers, the Criminal Investigation Division was able to conduct an investigation which led to the arrest and conviction of three dangerous criminals who were each subsequently sentenced to seven years in state prison.

These officers are both a credit to themselves and to the Utica Police Department.

During the month of February 2013, Inv. Fields received information of a subject that was in possession of an illegal handgun whenever he would leave his west Utica residence. He began an investigation and on March 1st, 2013, it was determined that the subject had left his residence in possession of the handgun.

Fields contacted SOU Officer Paladino, and Paladino, Faniglula, Goldstein and Curley began to look for the subject. Paladino observed the subject and contacted Goldstein, Curly and Faniglula in anticipation of non-compliance. As Paladino approached and verbally engaged the male, the subject fled which led to a short foot pursuit and the subject resisting his arrest. Officers struggled to keep control of the subject and keep him from reaching the gun. When the subject continued to be combative, Officer Faniglula deployed his K-9 partner on the subject and the officers were able to gain compliance.

The subject was found in possession of an illegal handgun and charged with weapon possession charges.

On January 31, 2012, Inv. Peter Paladino was off duty when he received information that there was a male near the County Officer Building with a sawed off shotgun in his book bag. Paladino then responded from his residence while contacting SOU Officer Josh Grande to get assistance of uniform officers.

As Paladino responded to the area, he observed a male matching the description and he approached the male and identified himself as a police officer. The male immediately fled while clutching the book bag and Inv. Paladino pursued the male on foot. After a short foot pursuit, Paladino was able to apprehend the male and located the book bag that he discarded.

Officers Grande and Faniglula arrived to assist and secured the male suspect. The bag was found to contain a cut down shotgun that was also defaced. The male was arrested and charged with 2 counts of weapon possession.

POLICE OFFICER CHRISTOPHER FANIGLULA

On Monday November 26, 2012 at approximately 0215 hours, several officers responded to a larceny that had just occurred at a store in the South Utica area. A description of the suspect was given out and the officers located the suspect near where the larceny had occurred. Upon attempting to detain the suspect, he pulled out a knife and threatened the officers, telling them they would need their gun to stop him or he would kill one of them. The suspect then started to walk away and the officers followed him on foot in an attempt to get him to put the knife down. The suspect continued to wave the knife at all the officers while continuing to walk away from them. Several attempts were made to utilize TASERS to take the suspect into custody but the attempts were unsuccessful. The officers followed the suspect for several blocks in an attempt to contain him and keep him from harming any officers, civilians or himself but the suspect continued through several streets and yards until he was cornered in a fenced area of a local Nursing Home. The suspect repeatedly threatened the officers with the knife, refusing to drop it. Due to the location and backdrop, it was not possible for the officers to use their firearms against the suspect, even though they were being threatened by the suspect with deadly force. An attempt was made to utilize pepper spray, but that had no affect on the suspect. After a standoff that lasted approximately 45 minutes, one of the officers used a less lethal shotgun, firing bean bag rounds and rubber bullets at the suspect, striking him. The suspect then dropped the knife and the officers were able to safely take the suspect into custody. He was subsequently charged with and pled guilty to several felony counts.

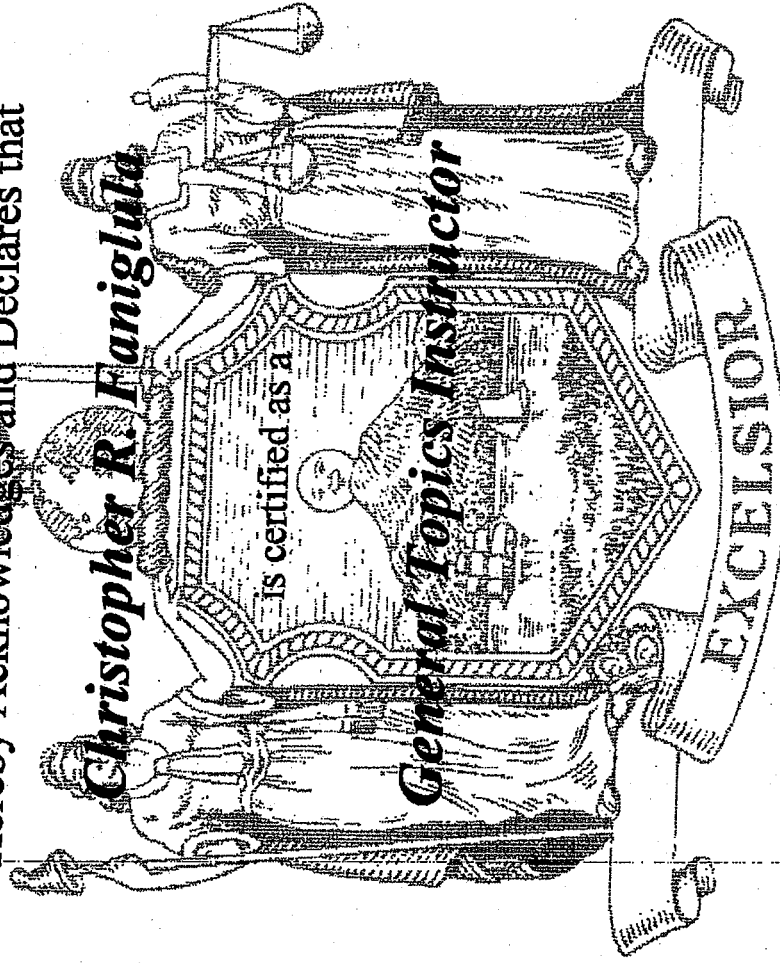

Due to the officers' quick response, dedication to work and innovative thinking, a dangerous suspect was apprehended and a weapon was taken off the streets. These Officers bring honor to themselves and the department.

POLICE OFFICER CHRISTOPHER FANIGLULA

In January 2011, information was received regarding an illegal cabaret/private night club on Genesee Street. This club was being operated with complete disregard of the City of Utica rules and regulations and a license regarding this premise and private club had never been approved. This private club became a constant problem for neighboring businesses and the general public.

By April 2011, Inv. Scarchilli began receiving information from a confidential informant regarding narcotic activity and illegal weapons possession inside the club. Between midnight and 2 AM, there would be usually less than 100 patrons. After 2 AM, the club filled with patrons over its capacity of 300 to 400 patrons. Armed security would be posted throughout the club and could be identified as they would be attired wearing white batting gloves. Inv. Scarchilli was provided street names of the clubs organizers, managers and security personnel, who were all identified thru investigation and a detailed map of the interior of the building and where each security member was positioned in the club. At 3:45 AM, the music would be turned off, security would display handguns, assault type rifles, and sawed off shotguns and order the patrons out of the building, escorting them through the rear exit onto Broadway Street.

The METRO Narcotics Unit members began multiple surveillance details and were able to develop enough probable cause to obtain a search warrant. There were possibly 9 handguns, 4 long guns and 6-12 people inside. On April 16, 2011, an extremely high risk search warrant was executed at the club by METRO, SOU & Utica/New Hartford ERT. The premise was entered & secured without incident and police located 13 people, a 9mm handgun and 9mm ammunition, a .308 assault rifle and .308 rounds and multiple open liquor bottles and marijuana. Five people were arrested and charged with various drug charges, ABC and City Ordinance violations. One suspect was also wanted by US immigration and another had a Parole Warrant.

This operation was not an every day UPD investigation or search warrant execution. It was extremely complicated, intense for METRO investigators and high risk to members of the ERT.

On November 21, 2011, Uniform Patrol Criminal Investigation & Special Operations Units responded to the area of Spring and Huntington Streets at approximately 11:10 PM in regards to a report of gunshots being fired. Officer Bubnis initially arrived and identified a subject of interest. Sgt. Cucharale was first on the scene to make this observation and directed other units responding. The subject in question was subsequently found by SOU Officers Faniglula and Dalton inside a car.

Additional officers, along with CID Investigators Armstrong & Fernald, also arrived on scene to assist. Armstrong and Fernald immediately began their initial investigation. The subject apprehended at the scene was identified as a person of interest in an on-going CID weapon investigation and was believed to be responsible for other shots fired incidents around the city previous to this.

With the assistance of units on scene, their strict attention to detail, determination and desire to bring this dangerous individual to justice, Armstrong & Fernald researched, applied for and were granted a search warrant for the residence of the individual in custody.

Based on the search warrant and support of units on scene, that residence was cleared and deemed safe after which a search of the interior was conducted. As a result of that search, two handguns, several rounds of ammunition, firearms equipment and components and a large amount of narcotics were seized. Inv. Searchilli of the METRO unit was contacted and began an investigation relative to the narcotics.

Due to the efforts of all involved, this dangerous individual was able to be arrested, charged and incarcerated and two illegal handguns were removed from the streets of the city.

During the evening hours of January 31, 2011, several units responded to the Dari Del located on the city's east side in response to an armed robbery that had just occurred. The first units on scene interviewed the clerk and the suspect's information was obtained and given out to the other units responding. Based on this information, the suspect's home address was quickly determined. Soon thereafter, footprints near the scene were located and they were followed to the suspect's residence. A perimeter was established around the residence and surveillance of the residence was conducted. A short time later, an individual matching the description of the suspect in the robbery exited the residence, entered a vehicle and attempted to leave the area. On March 6, 2008, Officer Shannon Acquaviva was on patrol and observed a vehicle traveling west on Court Street with one headlight out. She conducted a vehicle stop and noticed an odor of marijuana coming from inside the vehicle. Officers Christopher Faniglula and Charles Parkosewich assisted Officer Acquaviva, removing the occupants from the vehicle for interview. One of the occupants reached for his waistband repeatedly and shielded his actions from view of the officers. After advising this person to put his hands on the vehicle several times, the officers attempted to physically restrain him. He then fled and was later apprehended by two of the officers. When this person was searched, it was found that he had a loaded sawed-off shotgun in his waistband.

The officers showed courage and dedication to duty. Due to the officers' keen observation and good teamwork, a firearm was taken off the streets. They bring great honor upon themselves and the Utica Police Department.
