As they are different seasons I do not see them interfering with his duties at work. This is civic in nature and gives back to the community representing police officers in a positive light.

**DEPARTMENT OF PUBLIC SAFETY****BUREAU OF POLICE****413 Oriskany Street West****Utica, New York 13502**2/3/15**SUBJECT:** Request to attend the upcoming Instructor Development Course**TO:** Chief of Police: Mark W. Williams

I, Sgt. J. Holt Jr., have been a NYS DCJS certified civil service full time Police Officer since June 2005. I began my policing career with the City of Little Falls Police Department and shortly thereafter the Village of Herkimer Police Department. In search of broader opportunity and advancement, I lateral transferred to the City of Utica Police Department in September 2007. During my tenure as a Utica Police Officer, I have endured a variety of exposures and experiences ranging from Patrol Officer, Tactical aka Special Operations Officer, K9 Officer, member of [REDACTED], and currently a Patrol Sergeant. My various roles within the Utica Police Department have undoubtedly left me with a wealth of policing knowledge and a firm basis to be an effective general topics instructor for my fellow law enforcement peers. Thus, I would like to be considered for the upcoming Instructor Development Course being hosted at MVCC (March 2-13, 2015). Any consideration would be greatly appreciated.

Respectfully submitted,

Dear Chief Williams,

I would like to express my personal thanks to your agency for the assistance rendered to my department on June 30, 2015.

On this date at approximately 2:30 pm a 911 call was received from a female reporting that she was a victim of a home invasion that just occurred on [REDACTED] e. The victim reported that two males entered her residence and held her at gunpoint while property was stolen from her home. After the robbery a black Cadillac was observed speeding away from the area. Additional reports stated that a black male was running through the backyards of other neighborhood homes at the same time the Cadillac was observed fleeing.

A request was made to the Utica Police Department for a K-9. Sergeant James Holt responded and began tracking the male observed running from the scene. Although the male was subsequently taken into custody unrelated to the tracking, Sergeant Holt continued following the tracks of the suspect to the point of arrest. This not only enabled my department to document the route the suspect used to flee, but to also recover evidence from the robbery dropped by the suspect as he fled, further linking the suspect to the crime.

The male that was apprehended was charged with numerous felony crimes including burglary in the first degree and robbery in the first degree. The investigation is continuing and I am confident that the other participants in this crime will be identified and arrested.

It is gratifying to know that the Utica Police Department is always willing to assist my agency. I look forward to continuing the working relationship our departments have developed over the years.

Sincerely,

Chief Williams,

I first want to thank you and the UPD for all their hard work and dedication to the city of Utica. I would also like to thank the UPD for a job well done on the 4th of July. Your men and women went above and beyond in making sure the safety and well being of the residents in the 6th ward and the entire city of Utica was taken care of. The traffic unit did an outstanding job in making sure road closures and parking issues were addressed.

I would also like to send a special thanks to Officer Jennings, Sargent Holt and Captain Noonan, for taking care of my traffic concerns and Officer Talerico for patrolling the road closure of my street. Again a job well done and I look forward to continuing a great working relationship. I hope you enjoyed your 4th.

Officer Holt,

I want to take this opportunity to formally thank you for your assistance with the Justice Center facility shakedown that took place on May 8<sup>th</sup> 2012. A call was put into the K-9 unit for dogs and their handlers to be used to assist the various staff members assigned to the search. You along with officers from the other departments responded to that call from Deputy Belcher. With the officers from Onondaga County, Broome County Sheriff's Office, Syracuse PD and Binghamton PD you and your dog responded and took an active part in the facility search. You and your dog performed extremely well and met the demand of the search with extreme professionalism and diligence.

Though no major contraband was found it is without a doubt that the sheer presence of both the dogs and their handlers caused the inmate population to dispose of what ever they had that would have been found otherwise, thus helping us reach our objective in a somewhat less confrontational manner. There were also areas found where possible drugs and other narcotic contraband could have been stored. Due to these discoveries changes have been made as how we may do day to day business in this area with increased surveillance by our staff. You provided an invaluable service to the staff performing the search and to the facility overall; for this I want to offer thanks and sincere appreciation on behalf of both the staff and myself.

Congratulations on a great job in apprehending an active parolee in possession of a loaded handgun.

On November 6, 2010 around 10:40 pm, Officers Grande and Holt of the Special Operations Unit attempted to stop a vehicle after observing a violation of the Vehicle and Traffic Law. A chase followed on foot, and it was observed by the above officers that the individual was in possession of a handgun. Officer Dalton as well as his partner, NYS Trooper Michael Nackley, joined in the foot pursuit and assisted Holt and Grande, taking the subject into custody without further incident. The suspect, an active parolee, was charged with criminal possession of a weapon 2<sup>nd</sup>, a felony.

Sergeant Cinque and Officers Bick and Holt:

You are to be commended on a job well done! We understand that on July 14, 2008, an incident occurred on James Street in front of Geno's Bar.

While Officer Bick was parked along a curb, the alarm on the plate reader in the patrol car sounded as a vehicle passed, indicating a suspended registration. A vehicle stop was conducted on this vehicle and Officer Holt who was in the area also stopped to assist. A male exited the vehicle. A quick perusal of the vehicle by one of the officers resulted in seeing material used to transport narcotics. The subject fled and a chase ensued by all three above officers. As the individual was fleeing, a magazine for a gun fell to the ground. Realizing a gun might be in the suspect's possession, they pursued him until eventually Sergeant Cinque was able to deploy his Taser.

The suspect continued resisting arrest and a crowd began assembling appearing angry and threatening. Officer Bick deactivated the safety on his Taser and laser painted several people who then backed away. Other Police Officers then arrived to assist. It was later discovered that the suspect was in possession of a Cobray - submachine gun.

This undoubtedly was a very dangerous situation and because of the outstanding work and performance by each of you, a criminal was taken off the streets.

**CAPTAIN DONALD CINQUE, LIEUTENANT JAMES HOLT,  
SERGEANT KEITH PHILLIPS and OFFICER CHRISTOPHER

On Sunday, October 8, 2017, just before 1:00 a.m., while assigned to an extra-duty GIVE Grant special detail, Lieutenant James Holt conducted a vehicle stop of an SUV on the 1600 block of Brinckerhoff Ave. pursuant to violations of NYS Vehicle and Traffic Law. Soon after, Captain Donald Cinque, Sergeant Keith Phillips and Officer Christopher Evans arrived to assist.

The occupants of the vehicle were identified and it was discovered that the right front passenger was wanted by the City of Rome Police Department regarding an outstanding warrant. While removing this occupant from the vehicle, Lt. Holt detected an odor of marihuana. He now suspected that the occupants of the vehicle may be in possession of a quantity of marihuana.

As the investigation progressed, the right rear passenger fled from the scene on foot. Captain Cinque, Lieutenant Holt, Sergeant Phillips and Officer Evans engaged in a foot pursuit of the subject and after a brief physical struggle, apprehended him within a rear yard of Brinckerhoff Ave. This second passenger was taken into custody and ultimately found to be in possession of a fully functional, defaced, loaded, Ruger 9mm handgun within his pants. He illegally possessed the handgun and was subsequently charged with various criminal possession of a weapon charges.

The right front passenger was taken into custody and turned over to the City of Rome Police regarding his outstanding warrant. The remaining occupant of the vehicle, the driver, was charged with unlawful possession of marihuana as well as several violations of NYS VTL.

Due to the seamless teamwork, attention to duty, keen observations and selflessness of Captain Cinque, Lieutenant Holt, Sergeant Phillips and Officer Evans, a dangerous armed criminal was apprehended and an illegally possessed handgun was seized without incident. The actions of all the involved officers bring honor to themselves and the Utica Police Department.

### HONORABLE SERVICE

Awarded to

**SERGEANT JAMES HOLT, OFFICER ROBERT HARTNETT and  
OFFICER DAVID DESENS**

On August 1, 2015, around 9:10 p.m., while Tactical Unit members Sergeant James Holt and Officers Joshua Hartnett and David Desens, were conducting a special detail, numerous patrol units were dispatched to the area of the 1000 block of Whitesboro Street for a reported shooting. While Sergeant Holt and Officers Hartnett and Desens were en route, dispatch advised that the shooting suspect had fled the scene in a green van.

Shortly thereafter, a green van passed Sergeant Holt and Officers Hartnett and Desens on Lafayette Street at a high rate of speed. Upon noting the suspect vehicle, the officers pursued the vehicle which continued eastbound on Lafayette Street and abruptly entered the civilian lot at police headquarters, parking near the front entrance of the police station. The officers then positioned themselves behind but offset from the suspect vehicle as it parked so that a "high risk felony stop" could be carried out. Upon parking, the driver of the suspect vehicle quickly opened the driver's door and exited the vehicle with a silver-colored handgun in his left hand. Sergeant Holt and Officers Hartnett and Desens utilized cover with weapons drawn and issued verbal directives for the suspect to drop the gun and surrender. After a short pause, the suspect tossed the gun aside. The officers then took the suspect into custody without incident.

As the suspect vehicle was cleared of any additional threats and the crime scene was secured, an illegally possessed, loaded 9mm KSI handgun, was found and seized. The handgun had just been utilized in a shooting of another male victim minutes before. The suspect was later charged with Assault 1<sup>st</sup> as well as various Criminal Possession of a Weapon charges.

Due to the seamless teamwork, attention to duty, keen observations, and selflessness of all officers involved, a dangerous armed criminal was apprehended and an illegally possessed handgun was seized without incident. The actions of Sergeant James Holt, Officer Robert Hartnett, and Officer David Desens bring honor to themselves and the Utica Police Department.

Since it was re-instated on April 14, 2015, within its first year, the Tactical Unit conducted over 75 solo or joint operations dedicated to combating specific issues facing this city such as prostitution, reverse prostitution, underage alcohol sales and untaxed cigarette sales. They also conducted pro-active action sweeps, larceny details, burglary details, Gun Involved Violence Elimination (G.I.V.E.), Varick Street area event details, as well as directed enforcement of specific high crime areas.

The Tactical Unit was responsible for making nearly 1,000 arrests for offenses ranging from city ordinance violations to violent felonies, issued over 1,600 traffic tickets, assisted the Patrol Division on over 1,200 calls and conducted over 8,000 hot spot checks throughout the city. Most notably, the unit made over 225 narcotic-related arrests, seized over \$18,000 in U.S. currency and removed 14 illegal firearms that resulted in arrests, from the streets of Utica.

The Unit also took a very aggressive approach to combating illegal cabarets and after-hours parties, which have plagued the city. The majority of these illegal cabarets and parties are known for a high propensity for violence. The efforts put forth by the Tactical Unit significantly impacted and effectively reduced the amount of violence that typically occurred during the early morning weekend hours when these events took place.

The Tactical Unit has demonstrated a high degree of teamwork and professionalism which has led to the attainment of department goals, thereby increasing the department's effectiveness and efficiency. The combined efforts of all of the members of the Tactical Unit have significantly improved the quality of life within the City of Utica and improved overall public safety. The members of the Tactical Unit are a credit to themselves and to the Utica Police Department.

On January 16, 2016, around 8:50 p.m., while carrying out the mission of a GIVE grant special detail involving the Tactical Unit and METRO SWAT Team, Lieutenant Brian Bansner and Sergeant James Holt began monitoring a vehicle of interest, as the vehicle was known to be utilized by a person of interest. Shortly thereafter, Lieutenant Bansner and Sergeant Holt observed a female and male enter the vehicle. The officers continued to monitor the vehicle and in doing so, noted that the driver committed a violation of NYS VTL. They then advised Car 23 – Investigator Joseph Amerosa and Officer Aaron Donaldson – of the vehicle's whereabouts and requested enforcement action against the driver for the VTL violation. Investigator Amerosa and Officer Donaldson stopped the vehicle after a brief pursuit. Lieutenant Bansner and Sergeant Holt then assisted with the vehicle stop. Once the vehicle stopped, the right front passenger, their person of interest, attempted to exit the vehicle. However he was met by Investigator Amerosa who directed him to remain in the vehicle. The ensuing investigation resulted in the seizure of a loaded .357 handgun in the middle console of the vehicle. Neither Lockhart nor Sims possessed a pistol permit therefore they were both arrested regarding various Criminal Possession of a Weapon charges.

Due to the seamless teamwork, attention to duty, keen observations, and selflessness of all the involved officers, two dangerous armed criminals were apprehended and an illegally possessed handgun was seized without incident. The actions of Lieutenant Brian Bansner, Sergeant James Holt, Investigator Joseph Amerosa and Officer Aaron Donaldson bring honor to themselves and the Utica Police Department.

LIEUTENANT DONALD CINQUE, INVESTIGATOR JOSEPH AMEROSA, SERGEANT JAMES HOLT, SERGEANT RONALD FONTAINE, SERGEANT EDWARD HAGEN, OFFICER MATTHEW SICA, OFFICER BRYON COMBELLACK, INVESTIGATOR PAUL PALADINO, LIEUTENANT BRIAN BANSNER, SERGEANT CHRISTOPHER FANIGLULA, SERGEANT PETER COLBURN, OFFICER SHANNON ACQUAVIVA, SERGEANT STEVEN FITZGERALD (RET.), OFFICER PATRICK WEST, OFFICER ANDREW ALLEN, OFFICER KEITH PHILLIPS, OFFICER PATRICK SACCO and OFFICER HOWARD BRODT

On Sept 18, 2014, METRO SWAT, a multi-agency team, was tasked with executing a high-risk, no-knock search warrant at a location on Sunset Ave. The information supplied by Narcotics Investigators included that the occupants were armed, in possession of a large quantity of narcotics, and there was the possibility that one of the occupants was a suspect in a homicide. After being briefed, it was determined the best plan of action would be a "surround and call out", a progressive concept not regularly practiced on the East coast but widely accepted on the West coast. The plan required operators to scale a ladder and breach second floor windows from a rooftop and other operators to breach and hold doorways, forcing the occupants to surrender and come out peacefully. The plan was executed flawlessly and several handguns and a large quantity of narcotics were seized.

Due to their teamwork, courage, and ability to adapt quickly to a new concept, several dangerous people were removed from the streets. For this incident, and the many high risk entries that they make throughout the year, these officers are receiving the unit citation. They bring honor to themselves and their respective agencies.

During the beginning of February, Inv. Fields received information of a US postal employee who was involved in the illegal sale of firearms. He began an investigation and determined that the information was correct and that the subject was in fact selling firearms. Member of Metro (Matrulli, Fields, Paladino, Bansner and Morawiec) and of SOU (Officer Paul Paladino and Officer James Holt) then coordinated and conducted an undercover illegal purchase of a firearm from the subject. After the firearm was purchased, search warrants were obtained for the subject and his Bridgewater residence.

A second undercover purchase was then arranged at which time Officers Holt and Paladino and USDM Morawiec conducted a vehicle stop of the subject. The subject was found to be in possession of a long gun and 2 hand guns which he had defaced and planned on selling. The search warrant was executed at his residence and another long gun and hand gun were seized. The subject was arrested and charged with weapons possession charges and further charges from the District Attorney's office.

In January 2011, information was received regarding an illegal cabaret/private night club on Genesee Street. This club was being operated with complete disregard of the City of Utica rules and regulations and a license regarding this premise and private club had never been approved. This private club became a constant problem for neighboring businesses and the general public.

By April 2011, Inv. Scarchilli began receiving information from a confidential informant regarding narcotic activity and illegal weapons possession inside the club. Between midnight and 2 AM, there would be usually less than 100 patrons. After 2 AM, the club filled with patrons over its capacity of 300 to 400 patrons. Armed security would be posted throughout the club and could be identified as they would be attired wearing white batting gloves. Inv. Scarchilli was provided street names of the clubs organizers, managers and security personnel, who were all identified thru investigation and a detailed map of the interior of the building and where each security member was positioned in the club. At 3:45 AM, the music would be turned off, security would display handguns, assault type rifles, and sawed off shotguns and order the patrons out of the building, escorting them through the rear exit onto Broadway Street.

The METRO Narcotics Unit members began multiple surveillance details and were able to develop enough probable cause to obtain a search warrant. There were possibly 9 handguns, 4 long guns and 6-12 people inside. On April 16, 2011, an extremely high risk search warrant was executed at the club by METRO, SOU & Utica/New Hartford ERT. The premise was entered & secured without incident and police located 13 people, a 9mm handgun and 9mm ammunition, a .308 assault rifle and .308 rounds and multiple open liquor bottles and marijuana. Five people were arrested and charged with various drug charges, ABC and City Ordinance violations. One suspect was also wanted by US immigration and another had a Parole Warrant.

This operation was not an every day UPD investigation or search warrant execution. It was extremely complicated, intense for METRO investigators and high risk to members of the ERT.

On November 6, 2010, Officer Cerminaro received information from a street contact that the operator of a Buick Rendezvous was in possession of a handgun. Cerminaro advised Officers Holt and Grande of this information and to be on the look out for it. Officers Holt and Grande located the vehicle and the operator failed to comply when directed to stop. The driver subsequently pulled into a driveway on Kemble Street and a foot pursuit ensued. As the driver fled on foot, he could be seen carrying a handgun as the officers chased him. Hearing the information being given over the radio, Officer Dalton and his partner, Trooper Nackley, who were working together as part of Operation Impact, joined in the foot pursuit and took the suspect into custody just moments after the suspect discarded the gun.

The teamwork, quick response and dedication to duty enabled Officers Cerminaro, Dalton, Grande, Holt and Trooper Nackley to remove this dangerous individual and an illegal handgun from the street. They are a credit to themselves, the Utica Police Department and the New York State Police.

On September 26, 2010, while conducting an area check of a local tavern's parking lot, Officers Dalton and Holt were alerted to the suspicious activity of two males who had just exited a vehicle parked in the tavern's lot. As Officers Holt and Dalton walked past the suspicious vehicle, they saw what they believed to be a handgun lying on the floor of the driver's side front seat. Upon observing what they believed was an illegal weapon, each officer secured a doorway of the tavern to ensure that the suspects could not escape and they called for back up. Upon the arrival of additional officers, it was discovered that the weapon that they observed was in fact a loaded handgun. Officers Holt and Dalton then entered the bar and located the two individuals who exited the vehicle. These suspects were taken into custody without incident.

Due to Officers Holt and Dalton's initiative and alertness, they were able to remove two dangerous felons and an illegal handgun from the street. They are a credit to themselves and the Utica Police Department.

On December 8, 2007, Sergeant Joseph Ruggiero and Officers Clive, LaSalle, DeAngelo, Hagen, Cerminaro, Jennings, Marciano, and Holt were sent to investigate a report of shots fired inside an after-hours club. When two of the officers arrived, there were still shots coming from inside the club. While they investigated, they observed a potential suspect get into a car and attempt to drive away. When the suspect was ordered to stop, he got out of the vehicle and fled on foot. A foot pursuit ensued and still more gunshots were being fired, but the suspect was captured. Officers retraced his steps and they recovered a loaded .357 caliber handgun. A short time later, other officers located a second suspect nearby. A subsequent search of that suspect led to the discovery of a second loaded revolver and a quantity of crack cocaine and marijuana.

Under the most dangerous conditions, these officers remained focused on the safety of the public. Despite threats to their own safety, they displayed extreme courage and dedication to duty. Above all, they were able to remove two handguns off of the street and arrest the criminals who carried them. Their actions went above and beyond the call of duty and they are each a credit not only to themselves but to the entire.

**SUBJECT:** Training Notice

You are scheduled to attend a training course on Clandestine Labs in Utica on the 23<sup>rd</sup> and 24<sup>th</sup> of August 2005. I know this is short notice but I feel it is training that will serve you well and will provide you with knowledge regarding a serious officer safety hazard. You have been removed from your normal shifts on the days in question. If you were scheduled as being off on one of these days you are entitled to submit a slip for overtime or for release time. Obviously we would prefer you submit for release time so that other training opportunities can also be taken advantage of. Barring any unforeseen vehicle issues, a department vehicle will be provided for these two days. Make sure you save your meal receipt for re-imbursement as provided by the PBA Contract. # REGISTRATION & DESCRIPTIONS FOR S.P.E.A.R. SYSTEM™ PROGRAMS

## S.P.E.A.R. SYSTEM™ OVERVIEW

### How The SPEAR SYSTEM Fits Into Your Current DT & Combatives Tool Box:

The **S.P.E.A.R. SYSTEM** (an acronym for: Spontaneous Protection Enabling Accelerated Response) is a **scientifically researched & medically supported** protective program that specifically addresses the 'ambush' during arrest & control. During a sudden attack, the physiological system produces a 'flinch' that recoils the body from the attack. This physiological reflex overrides complex motor skill patterns, (learned DT tactics) which explains why most individuals fail to access their trained combative skills during sudden intense & extreme close quarter confrontations. The **SPEAR SYSTEM** evens the odds by teaching **startle/flinch conversion** so that the officer or soldier has a greater chance and shorter reaction time during these assaults.

The **SPEAR SYSTEM** isn't a new 'muscle-memory' system; therefore it will **not interfere with any prior training or use of force procedure**. **SPEAR SYSTEM** research and training is geared around protective measures for incident being escalated by the opponent. The system is behaviorally based and relies on physiological principles. Most important is that the system serves as a **conduit or bridge** to the DT program or tactics the officer or operator is skilled in.

### **Courses Cover:**

- Realistic and effective strategies for fear management
- Penetrating the reactionary gap strategies and tactics
- Counter-ambush training for sudden resistance
- Weapon retention & protection
- Strategies to intercept the 3 critical ambush attacks against at close range.
- Much more...

 Defensive Tactics- DT staff

Infectious Disease (1 1/4hrs) - Sgt. Shaffer

DNA Testing (1/2) - Jenn Dormio

Employee Harassment (1hr) - Inv. Nicholson

Defensive Tactics- (4hrs) DT Staff

The October DT in-service dates are going to be 4 hours a pop. We should teach the following:

- Handcuffing (controlling a cuffed prisoner)
- Handcuffing (using good verbal skills)
- Handcuffing (various threat levels)
- baton work (forward strike, blocks, front jab, retention)
- simple control moves (your favorite wristy twisty moves)

Please concentrate on using good verbal skills to avoid a physical confrontation and on proper handcuffing and controlling a person in handcuffs (don't let go and "put the chain on the floor"). As always we need to talk about article 35 and use of force policy.

Thank you,

JW
