11/19/16**SUBJECT:** Tactical Unit Canvass**TO:** Chief of Police: Mark W. Williams

At this time, I would like to formally express my interest in becoming part of the Tactical Unit. I feel this opportunity would provide me a chance to expand my knowledge and skills in Policing thus, making me a better overall Police Officer.

I understand that I am still very young in my career however, I feel that I have a good foundation when it comes to normal Patrol work and handling calls for service. I believe this would be a good opportunity to learn and expand not only my knowledge but improve upon my basic police skills. I fully understand that this position comes with a lot of responsibility and hard work. I am consistently among the top three performers for A Platoon month after month.

I believe that if I am given this opportunity it will help me improve and progress my career as a Utica Police Officer, as well as making me a better asset to the Utica Police Department.

MOHAWK VALLEY CRIME ANALYSIS CENTER

In January of 2017, the Mohawk Valley Crime Analysis Center (MVCAC) opened its doors on the first floor of the Utica Police Department. The project was made possible through an investment by the New York State Division of Criminal Justice Services in partnership with Mohawk Valley Law Enforcement.

The crime analysis center is staffed by sworn members of various agencies located in Oneida and Herkimer County. The center is overseen by Lt. Stanley Fernalld of the Utica Police Department, and center members include Sergeant Joseph Surace of the Oneida County Sheriff's Office, Investigator Dan Sullivan of the Oneida County District Attorney's Office, Probation Officer Randy Moore of the Oneida County Probation Department, Investigator Frank Spatto of the New York State Police, Investigator Aaron Donaldson of the Utica Police Department, and Officer Joshua Austin of the Utica Police Department. Additional analytical staffing support comes from Corey White of the New York State National Guard Counterdrug Task Force and Crime Analyst Michelle Collver and Crime Analyst Tori Watson of the John F. Finn Institute for Public Safety.

During the 2017 calendar year, the Mohawk Valley Crime Analysis Center supported law enforcement in Oneida, Herkimer and Madison Counties by fielding 1,381 requests for assistance. This assistance is unprecedented for a crime analysis center this size and only in its first year of operation.

The assistance included, but was not limited to, arrest reports for HIDTA, monthly GIVE statistical reporting, a daily arrest and informational report for the center's Board of Directors, and attempt to identify bulletins for any officer or investigator for crimes which ranged from petit larceny to murder.

Additionally, the Gun Involved Violence Elimination (GIVE) Field Intelligence Officers are assigned to the Mohawk Valley Crime Analysis Center. GIVE is a New York State Division of Criminal Justice Services (DCJS) initiative to support communities in their battle against gun violence through funding, training and analytical support. Oneida County GIVE is a collaborative effort of the centers' members to rid our streets of dangerous gun offenders while making a positive, long-lasting impact in the communities where gun violence is most prevalent.

In 2017, the GIVE program accounted for 99 guns recovered, 92 firearm arrests, multiple gun rewards payouts, and 55 operational deployments resulting in numerous firearms seized.

The Mohawk Valley Crime Analysis Center and its staff are not only assets to the Utica Police Department but they are an asset to the law enforcement community of the Mohawk Valley.

On January 18, 2018, while at UPD Headquarters, Investigator Aaron Donaldson received information that a known GIVE offender was in possession of a handgun. The suspect was reportedly riding in a white in color Nissan Maxima in a specific neighborhood in the City of Utica. Investigator Donaldson and his partner Officer Joshua Austin quickly operationalized and were able to locate the suspect vehicle close to the offender's reported address.

Assistance was requested from the Patrol Division and Officer Kyle Murphy attempted to stop the vehicle in his marked patrol unit. The operator of the vehicle failed to comply and a vehicle pursuit ensued. Several blocks later, the driver stopped the vehicle. As Officer Murphy approached the car, two males exited the rear passenger side of the vehicle and fled on foot. Officer Murphy immediately engaged in a foot pursuit.

While searching for the suspects, Officer Austin observed the male who was reportedly in possession of the handgun, down an alleyway between houses attempting to jump a fence. The male was taken into custody by Officer Austin with the assistance of Officer Murphy. Once the second male was taken into custody, Officer Austin returned to the area where he arrested the first male. Because of the heavy recent snowfall, he utilized a shovel and was able to locate a loaded firearm in the snow. The firearm was confirmed to be recently discarded by the suspect by examining the heat signature of the weapon through a thermal imager.

The arrest highlights the excellent cooperation between divisions of the Utica Police Department. Because of the officers' quick response and communication, as well as their drive to apprehend the suspect, a loaded firearm and dangerous offender was taken off the streets.

Officer Joshua Skibinski, Officer Joshua Austin and Officer Michael Balio

On September 13, 2016, Officers Joshua Skibinski, Joshua Austin and Michael Balio responded to a call involving an EDP on the North Genesee Street overpass. Upon their arrival, the individual was distraught and holding a knife. While interviewing the EDP, he was defensive and adversarial and making suicidal statements including, but not limited to jumping off of the bridge overpass.

All involved officers showed an incredible amount of patience, empathy and professionalism when dealing with the EDP. Through their collective efforts, the situation was de-escalated, the individual voluntarily disarmed and was eventually taken into 9.41 MHL custody without incident. The actions of these officers in the face of such a potentially dangerous situation should be commended.

Officer Joshua Austin

On August 16, 2015, Officer Joshua Austin was dispatched to an East Utica residence regarding a burglary in progress. While en route, Officer Austin was advised by 911 operators that the female caller stated she has an order of protection issued against her ex-boyfriend and that he was attempting to enter the front door of her residence by prying the hinges off of the door. The female caller walked to the rear of her residence and then saw her ex-boyfriend breaking through the front door. In deep despair, the female caller noticed something shiny, what she believed to be a knife in the hand of her ex-boyfriend, so she walked quietly into a closet and hid, all the while terrified but remaining on the phone with 911 operators.

Upon arrival, Officer Austin noticed the front door and door casing damaged. Officer Austin heard some suspicious noises coming from the rear yard of the residence. Officer Austin immediately headed to the rear yard and observed a male who then began to flee through the yards. Officer Austin gave chase and after a short foot pursuit was able to capture him. After this male was in custody, Officer Austin retraced this male's steps and did locate a large screwdriver that was used to pry open the door to make entry to the residence.

Due to Officer Austin's quick response, coordinated communications, quick thinking and keen observations, he prevented a domestic situation from becoming volatile and removed a dangerous individual from the city streets. Officer Austin is a credit to himself and to the Utica Police Department.

Austin and Dewey were working together in car 84, when they observed a BMW sedan pass through the stop sign at State and Mandeville. Upon conducting a stop, the vehicle failed to stop and pulled onto Aiken Street, at which point the driver fled from the vehicle. When he exited the vehicle, Austin and Dewey observed him reach into the front of his waist line and pull out what appeared to be a handgun. The black male operator ran down the driveway between 433 and 431 Aiken and while in the rear of 433, Dewey and Austin caught up to him and utilized a takedown to get him to the ground. The suspect locked his arms under his body and was refusing to comply with verbal commands. Austin and Dewey utilized hard hand strikes to gain compliance and place the suspect in handcuffs. He was identified as Robquan Gilmore. While completing a check for discarded evidence, a loaded Beretta .9MM handgun was located in the direct path of Gilmore's flight. Completed investigation pending.

On October 29, 2019 at approximately 2345 hours, Dewey and Austin were working together in the area of Schuyler and Green Streets, investigating numerous reports of shots fired and groups fighting in the area. While attempting to interview a female witness to the shots fired, an unknown black male on a bicycle rode by on the street numerous times. This male was observed coming from the groups that were just fighting and possibly shooting guns. He started yelling intimidating threats to the female that Austin and Dewey were trying to interview, which caused her to become uncooperative. The male was observed committing numerous V&TL violations while operating his bicycle. This coupled with his possible involvement in the shots fired, led Dewey and Austin to conduct a stop of him. The male was uncooperative and would not stop. Upon trying to grab a hold of this male, he pushed away from Dewey and Austin and continued to disregard their commands to stop. Dewey and Austin then utilized a take down to stop this male from leaving and he was placed into handcuffs without further incident. He was identified as [REDACTED]. He was brought to headquarters where he was issued the above two V&TL tickets. He was subsequently released to his mother, [REDACTED]. Case will be forwarded to JAU to file the additional misdemeanor charges. Completed investigation pending.

On Thursday, July 30, 2020 at about 1950 hours, Inv. Josh Austin was operating CID Car 75, when it was involved in a minor motor vehicle accident in front of 824 Watson Place. Inv. Paul Dewey was the front seat passenger. Austin was traveling west on Watson Place when he observed a silver Volkswagen Jetta backing up on Watson heading straight for him. Austin stopped and attempted to alert the other vehicle by using his air horn however the vehicle collided with the front of car 75. There were cars parked on the north side of the street making it narrow and impossible for Austin to go around the backing vehicle. The driver of the Jetta was identified as Zenobia Eddings [REDACTED]. No injuries were reported.

I was contacted by Austin and I responded to the scene. Vehicle 1 [REDACTED] 2014 Volkswagen Jetta color silver) did not appear to have sustained any damage. Car 75 sustained damage to the front left bumper and possible quarter panel. It appeared to be very minor. Driver of the Jetta, Eddings, stated she was backing up to get to a parking spot and did not see car 75. Car 52 (Kyle Murphy) responded to complete the accident report. Photographs of both vehicles were secured and placed into the crime scene folder under this RMS. I contacted the on-call duty commander, Capt. Bansner and advised him.

Tracs accident report completed. Eddings was issued a traffic ticket for unsafe backing. Car 75 was parked at the maintenance garage and taken out of service. Repair request was completed and sent to fleet maintenance. At this time, it appears Eddings is fully at fault for the accident. I will be completing a full investigation into this incident.
