Investigator Cerminaro has been employed with the Utica Police Department for 14.45 years and has been an Investigator for 1.43 years \*\*Rank Only\*\*

Investigative/Problem Solving Skills - 5. Investigator Cerminaro excels in this area for several reasons. He is well liked by the community and has multiple street contacts. As an example, this past April, one of our Patrol Officers was fired upon by an unknown individual. Using his contacts and investigative skills, in a very short time, Investigator Cerminaro was able to come up with a possible suspect name. Without rushing to judgement, other leads were also followed up on and investigated only to come full circle to the information ascertained by Investigator Cerminaro's lead. His lead was a huge factor in identifying this suspect who was later located and charged.

Performance Under Stress- 4. Investigator Cerminaro's duties include a high demand in stressfull situations. Locating suspects who have Warrants who don't want to go to jail and when located, placing them into custody. This may take minutes, hours or months, but Investigator Cerminaro is always at the front of the pack and one of the first ones in the door. Investigator Cerminaro is well respected by his co workers as well as personnel from other departments.

Punctuality- 4. Investigator Cerminaro is always early for work and does not run out of the door at quitting time.

Attendance- 4. Investigator Cerminaro has only used 1 sick day between April and December 2020

How can this employee best improve his/her performance? (Include setting Career /Performance Goals).

Investigator Cerminaro is an asset to the Warrants Unit and is also assigned to the US Marshal NY/NJ Regional Fugitive Task Force. He has developed many relationships throughout the local area departments and on the State and Federal Levels. Investigator Cerminaro will field calls in the early morning hours to assist other officers with warrant questions or issues that arise now and then. He is always willing to lend a helping hand with other investigations that don't include warrants or fugitives.

(Goal settings Continue From Front)

Command Presence- Officer Cerminaro exhibits calmness and professionalism during tense situations. There have been several times where Officer Cerminaro and the US Marshalls Fugitive Task Force have been involved in foot pursuits and tense situations. Officer Cerminaro is always the first one to take control of the situation. It does not go unnoticed when one of these situations arises and Officer Cerminaro is not present.

Reliability- Officer Cerminaro is a reliable and trustworthy member of the Warrants Unit. He is constantly receiving phone calls while off duty from other police officers asking for assistance. I have received numerous emails throughout the year acknowledging Officer Cerminaro's assistance both on and off duty.

Judgement- Officer Cerminaro advised a wanted person at Utica City Court they were under arrest and did not hand-cuff him. The result was a foot pursuit and response to resistance investigation. This is the only incident where Officer Cerminaro's judgement was not acceptable. He was verbally counseled regarding this incident.

Knowledge of Law, Policies- Officer Cerminaro has become well versed in the laws and policies regarding warrants.

How can this employee best improve his/her performance? (Include setting Career /Performance Goals).

Officer Cerminaro started a temporary training assignment in the Warrants unit in December of 2016. He continues to excel in this position. Officer Cerminaro is an asset to Warrants and should continue to perform at the same level he is performing at now. Based on his current performance in this position, Officer Cerminaro should be promoted to the rank of investigator and kept in the Warrants Unit.

**Subject: Secondary Employment Request of PO. Mike Cerminaro**

**To: Chief of Police Mark Williams**

I, Lt. Louis P. Capri, am currently assigned to B Platoon Squad 3 of the Utica Police Department's Patrol Division. There I am assigned as the Platoon Commander.

On Thursday January 6<sup>th</sup>, 2011 one of my subordinates PO. Mike Cerminaro requested to work secondary employment with the Utica School District. He will be assisting other members of the department as a School Resource Officer. After a brief conversation with him it was determined that this work would be on his Regular Days Off, from ten to thirty hours a month. He stated that at no time would this impact his duties here.

As I was in the process of completing this recommendation PO. Cerminaro was found to be deficient in several areas of department policy. PO. Cerminaro was found to be discourteous to other officers in B Platoon and was discovered to be absent from his home when he called in sick. Both of these behaviors are being addressed on an individual basis and in compliance with the department's progressive disciplinary system. However, due to these recent deficiencies I would have to not recommend he be given permission to work secondary employment at this time. If his performance improves I would be happy to reexamine this matter.

Friday May 15<sup>th</sup>, 2009**INTRA-AGENCY MEMORANDUM****SUBJECT:** PO. Mike Cerminaro's Request To Transfer Out of Directed Patrol**TO:** Interim Chief of Police: Daniel N. Labella

I, Lt. Louis P. Capri, am assigned to the Utica Police Department's Directed Patrol as the Unit Commander.

Over the past couple of weeks I have had several conversations with one of my subordinates, PO. Mike Cerminaro. These conversations have been regarding the flexibility and variety of tasks assigned to men in Directed Patrol. A couple of the requirements for being assigned to Directed Patrol consist of having a flexible schedule along with having the will and ability to be proactive in many different facets of policing. To elaborate, officers are and / or may be required to work different hours and days at a moments notice. They are also required to be proactive in street level narcotics, illegal handgun possession, alcohol beverage control, tobacco possession, prostitution enforcement, hot spot complaints, community policing, assisting any other unit with needs along with a host of other issues.

In the past couple of weeks, Directed Patrol has had to flex its hours to assist Deputy Public Safety Commissioner Palmeiri with some Action Sweeps and in order to canvass the Cornhill area for citizens to attend the opening of the new James Street Sub-Station. In the next couple of weeks Directed Patrol will be flexing its hours to assist Patrol with some issues then we will be working at Saranac Thursday events and be assigned to the James Street Sub-Station. We are also in the process of completing a Zero Tolerance and Quality Of Life detail. All these issues will not only require the men in the unit to flex their hours but requires them to adjust their attention to these other facets of policing besides the street level narcotics and illegal handgun possession offenses.

PO. Cerminaro, is very proactive and very proficient with regards to street level narcotics and illegal handgun possession but does not like to be assigned these other tasks. He has routinely commented in a negative and demeaning manner on how the Tactical Unit now has become more "touchy feely" with the name of Directed Patrol and its other policing objectives. He has recently commented that he is not happy being assigned to Directed Patrol under its new assignment and would like to be assigned back to Patrol. He has reinforced his opinion numerous times, again in a negative and demeaning manner, stating several times how it should not be the Tactical Unit's job to do all these other tasks, to include alcohol beverage control enforcement, community policing, Action Sweeps, etc... He states that the city's crime problem is due to drugs and guns and that is where we need to focus our attention.

Friday May 15<sup>th</sup>, 2009**INTRA-AGENCY MEMORANDUM****SUBJECT:** PO. Mike Cerminaro's Request To Transfer Out of Directed Patrol**TO:** Interim Chief of Police: Daniel N. Labella

Due to the assignment variances and to accommodate the demands of the city I have had to flex the unit's normal schedule. I asked the men in the unit, several times, if there were any volunteers who would change their regular days off. Everyone volunteered except PO. Cerminaro. PO. Cerminaro complained that it affected his family life too much and he did not wish to flex his hours or days off. When I spoke with him further, he stated that he wasn't the only man in the unit that did not want to flex his days off. He stated the others were doing it not to make waves and to accommodate me. Due to the nature of our assignment in the unit there is a high rate of "burn out" so I did not want to force the issue on anyone in the unit. Therefore, I covered the issue at least four more times with the officers, by both email and in person. All other men in the unit willingly volunteered to flex their days off and even completed narratives stating this. Everyone else in the unit understood the needs of the city and has stated several times in an upbeat manner they are willing to do whatever is required of them to meet the unit's goals.

After our conversations, PO. Cerminaro asked if he could ask out of the unit. I told him to complete a narrative stating his desire and on Wednesday May 6th, 2009 he did. This narrative is attached and will be forwarded to D.C. Mark Williams' Office.

SUBJECT: Available Position in the METRO Drug Unit/SIU or Oneida County Drug Task Force  
TO: Chief of Police Mark Williams

I, Patrolman Michael Cerminaro, respectfully request consideration for any available position that may arise in the Utica Police Department's METRO Drug Unit/SIU or OCDTF. Given the relative fact that I have been a Police Officer for a short amount of time, I will briefly explain why I feel I am a good candidate for the position.

**Self Improvement:** I am consistently looking to improve myself as a Police Officer. I regularly seek out the advice of my supervisors, senior officers, and investigators. I also take constructive criticism as a building block and an avenue of self-improvement.

**Motivation:** My proactive drive is a reflection of my level of motivation. As the opportunity arises, I try to engage in self initiated investigations, in high crime areas and drug locations, with many of them resulting in arrests.

**Command Presence:** My ability to quickly defuse a situation with merely my visual presence or with excellent communication skills, allows me to take charge in critical situations all while constantly maintaining a situational awareness of everything that is happening around me. The safety of myself, fellow officers, and citizens comes first and foremost and I will not allow that to be compromised.

**Teamwork:** I feel teamwork is one of the most important aspects of being a Police Officer. More can be accomplished as a team then as an individual. I enjoy being a member of a team and embrace it whole-heartedly.

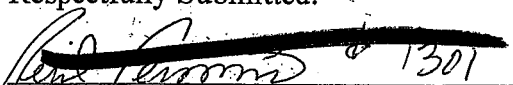

**Street Contacts:** My street sense coupled with my ability to build a rapport with people, has lead to the cultivation of many informants and street contacts. I have turned several persons of interest over to the Metro Unit and Drug Task Force to assist them in their efforts. In having an established base of informants and street contacts, it provides me with an edge on the streets that I can take to the next level, being afforded the opportunity to become a member of the Metro Drug Unit.

**Narcotics:** I have taken long strides in a short period of time, in learning the skill of combating street level distribution and possession of illicit substances. Most of my proactive arrests, made in Patrol and the Tactical Unit, are a direct result of self initiated drug investigations in high crime areas. I am highly educated in the Debour Doctrine and my methods have proven to be effective in operating in the parameters governed by the State of New York.

With the totality of my previously mentioned, I feel that my attributes would be a good candidate for consideration to any positions in the Metro Unit or OCDTF. If given the opportunity to become a member of either of these specialized units, I will make the most out of the opportunity and learn as much as I can to continue my growth as a Police Officer.

SUBJECT: Available Position in the Criminal Investigation Division  
TO: Interim Chief of Police Daniel N. LaBella

I, Patrolman Michael Cerminaro, respectfully request consideration for any available position that may arise in the Utica Police Department's Criminal Investigation Division. Given the relative fact that I have been a Police Officer for a short amount of time, I will briefly explain why I feel I am a good candidate for the position.

**Self Improvement:** I am consistently looking to improve myself as a Police Officer. I regularly seek out the advice of my supervisors, senior officers, and investigators. I also take constructive criticism as a building block and an avenue of self-improvement.

**Motivation:** My proactive drive is a reflection of my level of motivation. I take pride in conducting thorough investigation at the street to mid level incidences which are assigned to me throughout my current assignment in the patrol division.

**Command Presence:** My ability to quickly defuse a situation with merely my visual presence or with excellent communication skills, allows me to take charge in critical situations all while constantly maintaining a situational awareness of everything that is happening around me. The safety of myself, fellow officers, and citizens comes first and foremost and I will not allow that to be compromised.

**Self-Reliance:** As an investigator, I know my duties will primarily rely on my solo ability to conduct a complete investigation. I know that I am capable to complete my assignments with minimal requests for assistance from my superiors.

**Street Contacts:** My street sense coupled with my ability to build a rapport with people, has lead to the cultivation of many informants and street contacts. In having an established base of informants and street contacts, it provides me with an edge on the streets that I can take to the next level, being afforded the opportunity to become a member of the Criminal Investigation Division.

With the totality of my previously mentioned, I feel that my attributes would be a good candidate for consideration to any positions in the Criminal Investigation Division. If given the opportunity to become a member of the Criminal Investigation Division, I will make the most out of the opportunity and learn as much as I can to continue my growth as a Police Officer.

Respectfully Submitted:

Dear Sgt. Scarchilli,

The Warrants Unit was expeditious in their response to the warrant and based upon that immediate attention, they were able to apprehend the witness prior to the witness leaving the state. The witness is crucial to the [REDACTED] which has as its highest count Attempted Murder in the Second Degree.

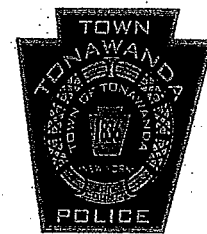

I cannot express how appreciative I am for the rapid response to the warrant execution. As always, the Utica Police Department has my utmost respect and sincerest gratitude for their dedication.

Dear Chief Williams:

On behalf of the Town of Tonawanda Police Department I would like to thank you for the exceptional assistance your department provided to us with the homicide investigation of Town of Tonawanda resident, [REDACTED]

I would also like to recognize some of your officers for their efforts in helping us apprehend a very dangerous individual. Sgt. Curley alerted the road of our Attempt to Locate and was the main point of contact between TTPD Det Darren Hearitt and Utica PD. Officers Penree, Sweet and Dodge conducted the stop of the vehicle. Inv. Cerminaro in the Warrants Unit conducted surveillance of the vehicle until patrol made contact. Inv. Scorzafava and the entire afternoon shift of investigators were extremely professional and helped TTPD investigators with anything they needed while in Utica. Inv. Graeff, day shift investigator, relayed information back and forth between our department and Utica.

The immediate and early action of your officers in the hours following the discovery of [REDACTED] directly led to the recent arrest of Joshua Wilson, [REDACTED] of Buffalo for 2<sup>nd</sup> degree murder, and they should be commended. Once again, thank you.

Sirs,

*This is an email praising Billy and Cerm for a job well done. It came from Lieutenant Bansner so their immediate supervisors are aware.*

Last week I called out to Utica PD, looking for assistance in locating three individuals that had committed crimes here in the Capital District. Suspect's, [REDACTED], Matthew Dryer, and Benjamin Noon had come to the Capital District Lowe's Home Improvement stores and stole over a thousand dollars worth of flooring. Investigator's Mike Cerminaro and Bill Williams were instrumental in locating these individuals. Their assistance put pressure on Matthew Dryer and Benjamin Noon to the point they contacted me and surrendered themselves. [REDACTED] even though she was a suspect here, she had outstanding warrants in your jurisdiction. The investigators were instrumental in locating [REDACTED] clearing three warrants, I believe, in your area, and getting her arrested in our area.

Your investigators assisted three agencies, (NYSP Wilton, Clifton Park, Fonda, Glenville PD, Colonie PD) within five jurisdictions, and closed nine cases. I understand the importance these two investigators are to your area due to the recent shootings, but their knowledge of the Utica area and their relationship to the community greatly assisted us.

I want to thank you, Inv. Bill Williams, and Inv. Cerminaro for your assistance in apprehending these three individuals.

Regards,

Chief,

I just wanted to take a moment to say thank you for The Utica Police Department's assistance to The New Hartford Police Department in locating a wanted subject sought by our department for Criminal Contempt In The First Degree.

On September 13th, 2019 we investigated a domestic dispute on Burrstone Rd. here in the Town that resulted in a Criminal Contempt Charge due to a court order that the suspect stay away from two juvenile children. The suspect, Dominique Spight refused to surrender himself afterward and an Arrest Warrant was subsequently issued for him.

Information was developed that he began to move around to stay at different residences other than his know address in Utica in order to evade us. I reached out to Investigator Cerminaro in your Warrants Unit to let him know of our warrant and our interest in this person. Investigator Cerminaro was able to quickly obtain information on Spight's whereabouts and with the assistance of Sergeant Ashley Burger, Officers Jordan Dodge, Morinitti and Rejrat, the suspect was taken into custody this morning without incident. The intel and quick location of this subject before he was able to break the stay away court order of protection again certainly helped us and the young victims in this case. We are always here to assist your department as he need arises.

Thanks Again,

Ron

The suspect was unidentified until I received a call from Cerminaro the following morning at about 8AM. He was also able to identify the female in an email CID distributed. I just wanted to point out Inv. Cerminaro's involvement in locating [REDACTED] and subsequently playing a big role in getting her to tell us exactly what we wanted to get from her. I contacted Cerminaro and told him that I needed to interview [REDACTED] regarding a homicide. He had knowledge through his street sources that she left area and was living in [REDACTED]. Through his contacts he was able to locate [REDACTED] the next day and arrange for US Marshalls to take her into custody. We drove to [REDACTED] to pick her up. We planned to be nonchalant with [REDACTED] to build a rapport with her. Due to Inv. Cerminaro's verbal skills we were to build a rapport with [REDACTED] relatively quickly and she opened up to us. About 45 minutes into the ride back she told us that [REDACTED] confessed to her that he killed [REDACTED]. I subsequently interviewed [REDACTED] and got a 2 page statement with a positive identification of [REDACTED]. I would also like to mention that I have used Inv. Gentleman,

On 7/21/2017 I received a call from Inv Cerminaro regarding real time information that he was receiving regarding the location of an active File05 out of our agency, [REDACTED] Torres [REDACTED] Inv Cerminaro advised me that Torres was wanted for Assault 2<sup>nd</sup> incident to an investigation being conducted by Inv Seferagic.

Through phone contact with a CI, Inv Cerminaro and I coordinated with TAC units in the area of St Vincent St between Eagle St and South St in an attempt to locate and take Torres into custody. Through the joint efforts of Inv Cerminaro and TAC units on scene Torres was taken into custody without incident after a brief foot pursuit.

Related RMS for the incident is 17-32489.

It should be noted that Inv Cerminaro was off duty at the time of the incident, giving his own time to assist with the location and apprehension of a felony warrant suspect who had eluded capture for some time. I wanted to let you know that without his direct assistance Torres would still be at large.

I had the pleasure to meet Mike Cerminaro( # 1301) on 12/23/12 at the Utica courthouse for the first time. It was nice to have some one that is very easy to talk to. He is well informed about what we should expect about the court procedure. When we were taking Mike has a high respect for the judge, the inmates and didn't fall short when I asked him a number of questions. I would like Mikes Cerminaro superiors to be aware that Mike has gone the extra mile to help my family in a way that was clearly out side of his expected day-to-day job duties. The reason for this letter is to inform his supervisor we need to keep officers like Mike Cerminaro in these key positions and to let his fellow officers recognize him as a model officer.

**Subject:** Capture of Ali Shabazz Federal Escapee

Chief,

This email is to inform you of the capture of Ali SHABAZZ a Federal Escapee wanted out of the Northern District of New York. Investigators have been working this case for the better part of two weeks and also profiled SHABAZZ as the "Fugitive of the Week" with local media. All leads and investigative means were used in this case with negative results.

On 10/26/11 I had a casual conversation with Police Officer Cerminaro and asked if he had any information on the

whereabouts SHABAZZ. Police Officer Cerminaro provided me with some information and also informed me he could check with some of his informants for assistance.

10/27/11 at approximately 5:00pm I was contacted by Officer Cerminaro who informed me that one of his informants had direct knowledge that SHABAZZ was with a female [REDACTED] and provided me an address of [REDACTED]

Investigators from the United States Marshals NY/NJ RFTF to included Metro and Warrants conducted a short surveillance and subsequently entered aforesaid address where we located SHABAZZ hiding in the bathroom.

I'm sending you this email just to let you know that thanks to Officer Cerminaro's initiative we were able to capture SHABAZZ without incident.

Respectfully,

**Greg Morawiec**

Officer Cerminaro:

You are to be commended on a job well done. We understand that on January 24, 2009, there was a report of a male possibly in possession of a handgun in the 300 block of Nichols Street. Patrol officers began checking the area for the individual matching the description given. Shortly after, Officer Cerminaro approached a male in the Blandina Street area near Kossuth Ave.

Officer Cerminaro's encounter with this individual and subsequent investigation revealed him to be in possession of a loaded .380 caliber semi-automatic pistol. He was later charged with two felonies. Further investigation later revealed that this handgun may have been stolen from North Carolina.

Our thanks to you for doing a great job.

These three individuals make up a team that is not only highly efficient but tremendously effective. In addition to closing over 900 arrests and bench warrants, they have captured several notable top offenders. These officers make themselves available day and night, bringing the most dangerous individuals to justice. This team possesses a network of street sources that assist in locating fugitives and bringing closure to investigations. Their tactics, as well as compassion, assist in bringing the most hardened criminals into custody without force. More impressive are their powers of persuasion, getting several violent offenders to surrender to the police instead of living a life on the run.

OFFICER JORDAN DODGE and OFFICER DANIEL HERMAN (NHPD)**

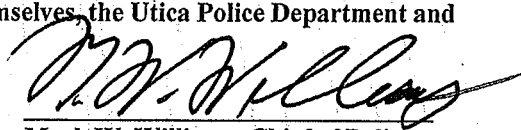

On October 2, 2019, at approximately 1533 hours, units were dispatched to the area of Whitesboro & Cherry St for a report of shots fired. Communications advised the suspects were three males who fled the area southbound through the NYS Psychiatric Center in a black Acura. Moments later, Officers Jordan Dodge and Jessica Dodge intercepted a black Acura traveling southbound on York St. Both officers activated their emergency lights/sirens and attempted to stop said vehicle. Immediately, the vehicle accelerated and began to flee from the officers. The officers advised dispatch that they had a failure to comply and pursued the vehicle. While traveling southbound on Route 12 South, Officer Jordan Dodge observed the vehicle slow down and the rear passenger throw a black in color handgun out of the window. Officer Dodge advised dispatch of his observation and the location where it occurred.

Both officers then continued to pursue the suspect vehicle into the Town of New Hartford to the Sangertown Mall. The rear passenger fled from the vehicle and ran into the wooded area. Upon seeing this, the officers stopped their patrol vehicles and pursued the male on foot into the woods. The suspect vehicle then continued through the parking lot, ultimately crashing into a guard rail. The two remaining occupants were intercepted by Officer Daniel Herman, of the New Hartford Police Department and subsequently taken into custody.

The pursuing officers advised dispatch the suspect was running towards the Yahundasis Golf Course. Several patrol and CID units responded to the area and set up a perimeter. As Officers Jessica and Jordan Dodge emerged onto the golf course, Officer Jessica Dodge was advised by a golfer that a male was observed walking across the golf course. The officer relayed this information to dispatch and shortly thereafter, Inv. Cerminaro radioed in that he had one male in custody. A subsequent search of the area where Officer Jordan Dodge observed the handgun thrown out of the vehicle resulted in the recovery of a stolen, loaded Keltec .9mm handgun.

Because of the officers' quick response, keen observation, great radio communication and coordinated efforts, all of the dangerous armed suspects involved were taken into custody and charged accordingly and a stolen handgun was removed from the streets of our city. The calm and professional actions of these officers brings honor to themselves, the Utica Police Department and the New Hartford Police Department.

## LETTER FOR FILE

**Sergeant Ashley Berger, Investigator William Williams and Officer Michael Cerminaro**

On January 8, 2018, at approximately 10:35 a.m., units were dispatched to the area of Conkling Ave. regarding a shots fired incident where a male had been struck. Upon speaking with the victim, they developed a suspect. That suspect was one of the city's top GIVE offenders.

Approximately an hour later, Investigator William Williams and Officer Michael Cerminaro of the Warrants Unit were patrolling the area of James St. and Seymour Ave. when they observed the suspect as a passenger in a tan-colored vehicle. They communicated their observations over the radio and Sergeant Ashley Berger immediately located the vehicle at the intersection of Pleasant St. and Kemble St. and conducted a vehicle stop. The suspect was then taken into custody by the officers and charged with attempted murder, robbery, and several firearms possession charges.

On Sunday, October 15, 2017, at around 11:30 a.m., Officer Michael Cerminaro was off duty and received a phone call from a criminal informant that had information on the whereabouts of a suspect wanted for murder. Officer Cerminaro then made contact via phone with Sergeant Ashley Berger who was the supervisor working the street. Officer Cerminaro provided Sgt. Berger with the information that the suspect was last seen entering an address on McQuade Ave. after exiting a specific make and model of vehicle.

Sgt. Berger contacted several zone units who then met with her to monitor the area of McQuade Ave. in an attempt to locate the suspect. After approximately twenty minutes of surveilling the area, Sgt. Ashley Berger observed the described vehicle pull out of a driveway on McQuade Ave. It began traveling northbound until reaching a red light at the intersection with South Street.

Sgt. Berger immediately advised Officer Christopher Manion over the radio to pull up to the stopped vehicle so that she could conduct a stop of the vehicle without it fleeing. Once Sgt. Berger conducted the traffic stop, the front seat passenger was positively identified as the suspect and was taken into custody by Officer Manion. The suspect was later charged with murder and criminal possession of a weapon.

### POLICE OFFICER MICHAEL CERMINARO

On March 1, 2013, Officer Brian Bansner observed a group of males walking in the east Utica area. Officers had been looking for a violent suspect who had been evading capture for over a week. The wanted person was suspected of committing a robbery with a firearm. Due to the officer's attention to detail and his vast knowledge of the criminal element he suspected that the wanted person was part of a group.

Officer Bansner contacted Unit 55 and Officers Fanelli and Cerminaro immediately came into the area. Once the criminal suspect noticed the patrol car he ran into a yard. Officer Cerminaro gave chase and managed to keep a constant visual on the suspect. For a period of time, Officer Cerminaro pursued the suspect on foot while directing responding units. The foot pursuit continued through several residential back yards and out onto the sidewalk. Officers Bansner and Fanelli assisted in this pursuit and the suspect was apprehended without further incident.

Because of the teamwork exhibited by these members and the coordinated instructions given by everyone involved the suspect was apprehended quickly and safely. The aforementioned officers bring honor to themselves and the entire Utica Police Department.

On July 27, 2013 Officers responded to the 1100 block of Bleecker Street. Officers were dispatched to the location to meet a 71 year old female who had been robbed. Upon arrival the officers interviewed the visibly shaken victim and several witnesses. The victim had a gold chain ripped from her neck by a suspect who fled on a bicycle. When the description of the suspect was obtained, Officer R. Pedulla remembered seeing the suspect a short time prior to the robbery. Officer Pedulla using his street knowledge and fine observation skills was able to give other officers a name on the suspected offender. Officers Cerminaro, Fanelli and Penree managed to locate and identify the suspect a short time later. Several eye witnesses to the robbery positively identified the suspect.

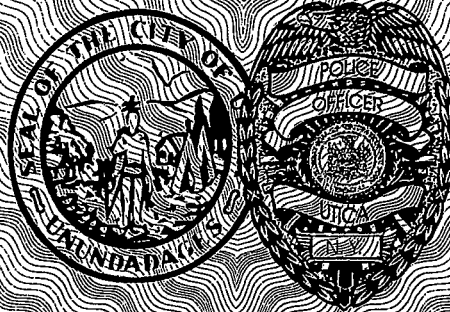

Within minutes of the initial call the officers, located witnesses, developed a suspect, located the suspect, apprehended the suspect, and recovered stolen property. Due to the collective efforts of the above officers, a dangerous suspect was taken off the street and the stolen necklace was returned to the victim. On July 4, 2011, METRO Investigator Frank Scarchilli received credible information from an informant of a male subject in possession of an illegal handgun. Investigator Scarchilli took the initiative and began searching for the subject. He located the subject and began a surveillance on him and a vehicle that he was associated with.

Once the vehicle was in motion with the subject on board, Uniformed Officers Cerminaro, Pedulla, Seferagic and Mekic conducted a vehicle stop. During the vehicle stop and subsequent investigation, the subject was found to have a loaded .45 cal handgun on his person and in the waistband of his pants.

The male who was on federal parole was arrested and charged with various weapon charges. Investigator Scarchilli's street contacts and initiative and the combined efforts of Officers Cerminaro, Seferagic, Mekic and Pedulla, allowed for the safe removal of a handgun from the streets of Utica and the arrest of a dangerous felon.

### EXCEPTIONAL DUTY

Awarded to

**POLICE OFFICER MICHAEL CERMINARO**

In January 2011, information was received regarding an illegal cabaret/private night club on Genesee Street. This club was being operated with complete disregard of the City of Utica rules and regulations and a license regarding this premise and private club had never been approved. This private club became a constant problem for neighboring businesses and the general public.

By April 2011, Inv. Scarchilli began receiving information from a confidential informant regarding narcotic activity and illegal weapons possession inside the club. Between midnight and 2 AM, there would be usually less than 100 patrons. After 2 AM, the club filled with patrons over its capacity of 300 to 400 patrons. Armed security would be posted throughout the club and could be identified as they would be attired wearing white batting gloves. Inv. Scarchilli was provided street names of the clubs organizers, managers and security personnel, who were all identified thru investigation and a detailed map of the interior of the building and where each security member was positioned in the club. At 3:45 AM, the music would be turned off, security would display handguns, assault type rifles, and sawed off shotguns and order the patrons out of the building, escorting them through the rear exit onto Broadway Street.

The METRO Narcotics Unit members began multiple surveillance details and were able to develop enough probable cause to obtain a search warrant. There were possibly 9 handguns, 4 long guns and 6-12 people inside. On April 16, 2011, an extremely high risk search warrant was executed at the club by METRO, SOU & Utica New Hartford ERT. The premise was entered & secured without incident and police located 13 people, a 9mm handgun and 9mm ammunition, a .308 assault rifle and .308 rounds and multiple open liquor bottles and marijuana. Five people were arrested and charged with various drug charges, ABC and City Ordinance violations. One suspect was also wanted by US immigration and another had a Parole Warrant.

This operation was not an every day UPD investigation or search warrant execution. It was extremely complicated, intense for METRO investigators and high risk to members of the ERT.

On November 2, 2011, METRO Investigator Peter Paladino was contacted by Officer Michael Cerminaro who had received credible information from an informant of a male subject in possession of an illegal handgun. Investigator Paladino had the same male under investigation for the possible distribution of narcotics from a store that he operated in the downtown area.

Investigator Paladino, Officer Cerminaro and Officer Paul Paladino formulated a plan where Investigator Paladino and Officer Cerminaro would conduct a surveillance of the location and the subject in order to locate the male and safely secure the handgun. After a short surveillance by Investigator Paladino and Officer Cerminaro, Officer Paul Paladino conducted a vehicle stop of the subject in his vehicle.

During the investigation of the vehicle stop, the suspect was found in possession of a loaded .45 cal handgun and a large amount of pills. The gun was found to be stolen and the male was arrested and charged with vehicle and traffic violations as well as weapons and narcotic charges.

Due to the efforts of the officers involved, a handgun was removed from the streets along with the suspect being arrested. These actions bring honor to themselves and the Utica Police Department.

On July 4, 2011, Inv. Searchilli conducted an investigation focusing on occupants of a blue Chevrolet 4-door sedan occupied by a suspicious person. He conducted a surveillance of the vehicle and called for assistance of uniformed personnel for a traffic stop of the vehicle. Officers Mekic, Cerminaro, Seferagic, Pedulla and Sgt. Brady responded to the request for assistance. The vehicle was stopped by Officers Mekic and Cerminaro with Officer Seferagic and Sgt. Brady as cover units. As Officers Cerminaro and Mekic were interviewing the driver of the vehicle, the front seat passenger began to display nervous behavior out of proportion to the situation and his body movements and attempts to turn part of his body out of view of the officers was indicative of an individual who was trying to conceal an item in his waistband.

The Officers asked the passenger to exit the vehicle and in so doing, a suspicious bulge was seen in his waistband. He was concealing an illegally possessed loaded .45 caliber handgun. The passenger was subsequently charged with Criminal Possession of a Weapon in the Fourth, Third and Second Degrees.

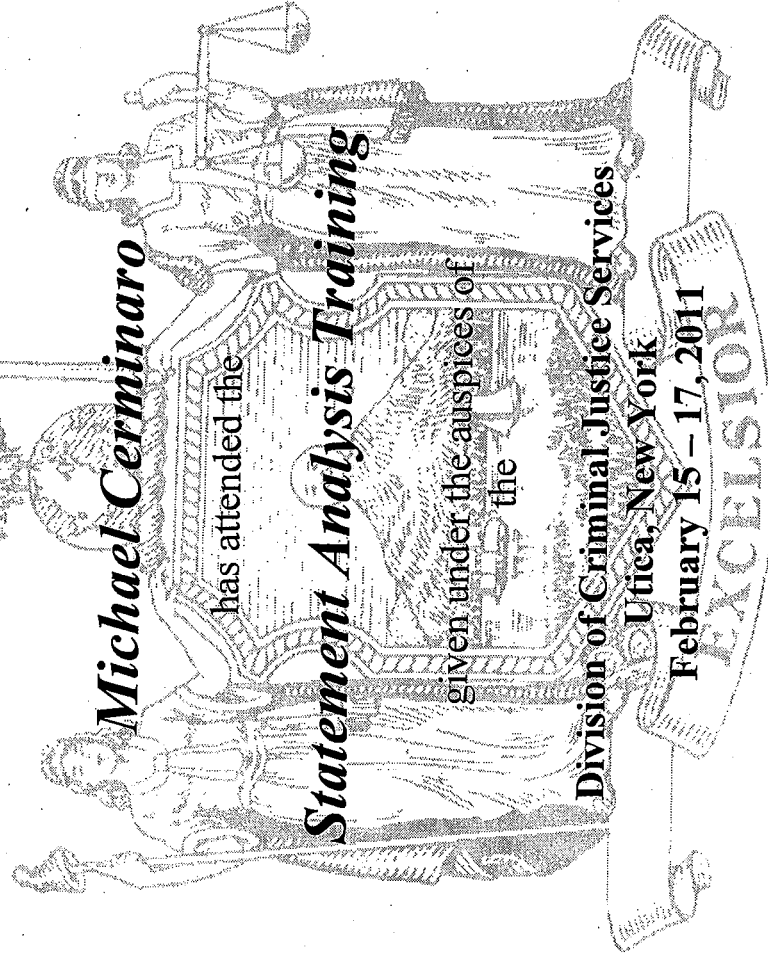

The professional skills and teamwork displayed by all the Officers resulted in removing a dangerous individual in illegal possession of a weapon from the streets of our city. Their cool professional actions in a dangerous situation give testimony to the bravery and determination of these officers. They are a credit to themselves and the Utica Police Department.

On November 6, 2010, Officer Cerminaro received information from a street contact that the operator of a Buick Rendezvous was in possession of a handgun. The driver subsequently pulled into a driveway on Kemble Street and a foot pursuit ensued. As the driver fled on foot, he could be seen carrying a handgun as the officers chased him. Hearing the information being given over the radio, Officer Dalton and his partner, Trooper Nackley, who were working together as part of Operation Impact, joined in the foot pursuit and took the suspect into custody just moments after the suspect discarded the gun.

On July 13<sup>th</sup>, 2009, Sergeant Kelly was requested to assist the Oneida County Drug Enforcement Task Force with an ongoing investigation into illegal narcotics activity. While attempting to secure further information, Sergeant Kelly approached a male suspect, who was the target of the investigation in the 700 block of Noyes St. Suddenly and without warning, Sgt Kelly became involved in a life or death battle with this male. The Sgt physically struggled with the male in an attempt to take him into custody. Sgt Kelly attempted to use his taser against him but the male was able to avoid being struck by the probes and was able to knock Sgt Kelly to the ground. Once Sgt Kelly fell, the male became more brutal as he forced Sgt Kelly's head numerous times into the pavement. Prior to any back-up arriving, the suspect fled on foot, leaving Sgt Kelly semi-conscious. Shortly after, officers located the male in the basement of a nearby house. While attempting to place him under arrest, he began to fight again in an attempt to avoid being taken into custody.

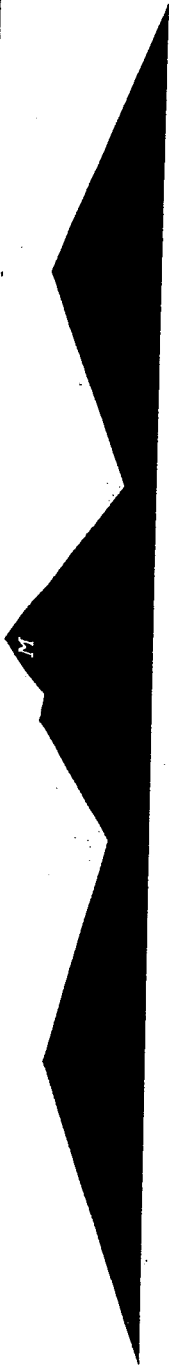

This incident resulted in several officers being injured, while placing many others in jeopardy while performing their duties. It was later learned that the male suspect had a loaded handgun in his waistband which had fallen to the street during the altercation with Sgt Kelly.

Due to the efforts of Sgt Kelly, Investigators Steve White and David Kuhn and Police Officers Michael Cerminaro and Timothy Moore, an illegal handgun was removed from the streets of Utica along with the suspect being arrested, convicted and sentenced to 17 years in prison. ## Certificate of Commendation

### MERITORIOUS SERVICE

Awarded to  
**OFFICER MICHAEL CERMINARO**

On December 8, 2007, Sergeant Joseph Ruggiero and Officers Clive, LaSalle, DeAngelo, Hagen, Cerminaro, Jennings, Marciano, and Holt were sent to investigate a report of shots fired inside an after-hours club. When two of the officers arrived, there were still shots coming from inside the club. While they investigated, they observed a potential suspect get into a car and attempt to drive away. When the suspect was ordered to stop, he got out of the vehicle and fled on foot. A foot pursuit ensued and still more gunshots were being fired, but the suspect was captured. Officers retraced his steps and they recovered a loaded .357 caliber handgun. A short time later, other officers located a second suspect nearby. A subsequent search of that suspect led to the discovery of a second loaded revolver and a quantity of crack cocaine and marijuana.

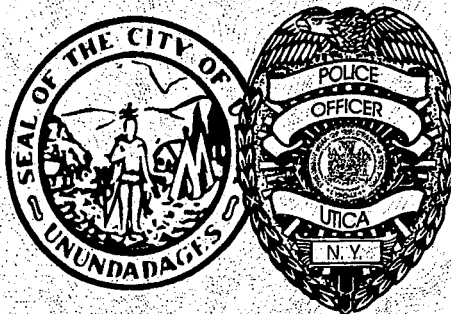

Under the most dangerous conditions, these officers remained focused on the safety of the public. Despite threats to their own safety, they displayed extreme courage and dedication to duty. Above all, they were able to remove two handguns off of the street and arrest the criminals who carried them. Their actions went above and beyond the call of duty and they are each a credit not only to themselves but to the entire.

## Certificate of Commendation

**EXCEPTIONAL DUTY**

**Awarded To**

**OFFICER MICHAEL CERMINARO**

On July 1, 2007, Officers Michael Cerminaro, Kevin Strife, Charles Goldstein, Daniel Marcano and Sergeant Robert Scully were dispatched to the Cornhill area for shots fired. While en route, the officers were alerted that two vehicles had left the scene. Officer Cerminaro immediately gave out a BOLO for both vehicles and they were subsequently stopped at two separate locations. One vehicle occupied by the gunshot victim was stopped by Officer Marcano and the second vehicle detained at another location by other officers, led to the arrest of two occupants and the recovery of a loaded shotgun. A third occupant who fled from the vehicle was later apprehended. Sergeant Scully later retraced the person's footsteps and located a .22 caliber revolver in a nearby backyard. The three individuals were later charged with attempted murder.

The officers' timely response, quick thinking and investigative initiative led to the apprehension of three dangerous criminals and took two firearms off the street. Their actions are a credit to themselves and the Utica Police Department.

## Certificate of Commendation HONORABLE SERVICE

Awarded to

**OFFICER MICHAEL CERMINARO**

In the early morning hours of April 24, 2007, Officers George DeAngelo, Michael Cerminaro, Patrick Bick, Frank Kuhn and Sergeant Samuel Geddes responded to the Cornhill area to investigate a report of shots fired and a white SUV fleeing the scene. A traffic stop was conducted by Officer DeAngelo with a car fitting the description and Officers Cerminaro, Bick, Kuhn and Sergeant Geddes responded to DeAngelo's location to assist him.

As a result of the traffic stop, the driver and one of the passengers were found to be in possession of marihuana and another passenger found to be in possession of crack/powder cocaine. The officers also found two boxes of ammunition and a 9mm handgun in the backseat of the vehicle.

The officers rapid response as a team during a traffic stop, combined with communication skills of the officers bring honor and credit to themselves and the entire Utica Police Department.
