## 4. NARRATIVE SECTION (This section is to be used to record specific and personal characteristics of this employee which are not adequately covered in the rating sections above. Any factors rated as a 1 or a 5 in the above sections must be articulated in this section.)

Inv. Rizvanovic has always been, and continues to be responsive to the requests and direction of his supervisors. He maintains a positive attitude when given assignments or tasks and keeps his supervisors apprised of any notable updates in his investigations when/where applicable.

Inv. Rizvanovic utilized of 62.25 hours (7 Days & 4.5 hours) of sick time during this observation period. It should be noted that 5 consecutive days of sick time were utilized due to [REDACTED]

Inv. Rizvanovic is essentially at the beck and call of the UPD and [REDACTED] for any investigations with a [REDACTED]. Multiple times during this observation period he has responded back to work to interview suspects and/or worked weekends conducting surveillance operations. He also makes himself available for Command Post operations, as he is one of the few authorized drivers for the department.

In addition to Inv. Rizvanovic's classified caseload with the [REDACTED] he is also assigned UPD cases. During this year he handled a burglary investigation at a [REDACTED] as a part of this responsibilities to this department.

Evaluation narrative from [REDACTED]

Rizvanovic demonstrates a high level of flexibility and adaptability in his working of difficult and complex tasks. Earlier this year, he was tasked with the multi-day, multi-jurisdictional, round the [REDACTED] operation of a high level [REDACTED] subject out of [REDACTED]

[REDACTED] narrative continued;

He was required to assemble multiple surveillance teams over several days, to ensure the subject was continuously observed. With very little notice, Rizvanovic successfully coordinated with Agents, Surveillance Specialists, and Aviation assets, across multiple counties between New York City and Buffalo. Rizvanovic also demonstrates strong interpersonal and communication skills. This was recently shown when he worked a [REDACTED] investigation that required regular follow up and coordination with local/state law enforcement and the district attorney's office. All during this time, he provided regular and timely updates to me, giving me and executive level decision makers through and accurate information. His tenacity was critical in arrest of the subject, mitigating the threat to the community. Rizvanovic is very hard working, and never flinches nor shudders when assigned late night or weekend tasks. He is a credit to the Utica Police Department, and the [REDACTED] lucky to have him.

How can this employee best improve his/her performance? (Include setting Career /Performance Goals).

Inv. Rizvanovic should continue to build bridges of communication within his realm of operations to include both other law enforcement officials in the intelligence field and civilians in the community with potential information on [REDACTED] activity. He should attend any/all LE intelligence meetings where he may gather this information, and also make himself available for community forums where such contacts are possible.

**To:** Chief of Police – M Williams (Attn. Capt. J Watson)

In March 2010, a position became available in the Burglary unit within CID. The unit had re-formed less than one year earlier and had just lost one of its key investigators who maintained a very heavy case load. The CID supervisors discussed the need and felt that Salih Rizvanovic would be a good replacement in the Burglary unit. We felt this because Salih had already been assigned to night CID for about six months and he was doing well in his position. Salih was a good worker, got along well with his co-workers and other department members and showed good initiative. He was approached, and offered the change in assignment. Salih gladly accepted the position even though he knew that there would be a large increase in caseload.

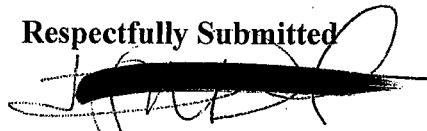

I had worked with Salih in patrol as one of my subordinates on the very busy and demanding 4-12 shift. Salih did a great job in patrol and I knew that he had a good feel for his new position in CID and would be an asset. His ability to speak the Bosnian language had also proven to be very helpful during investigations.

Salih took on the very heavy case load of Burglary and the operations of the unit did not miss a beat. He was very thorough with his cases, worked hard, and proved he is a good "people person". His dedication showed in his work when he and other investigators were commended with a letter from Debbie Stern regarding his handling of a burglary of her residence. Salih is a pleasure to supervise and is always willing to help in anyway that the case requires. The only time I have heard Salih complain is when he is frustrated about not being able to develop enough cooperation or probable cause for an arrest. As I expected, he has proven to be an asset to the Burglary Unit in the roughly 11 months he has been there.

In addition to Burglary cases, Salih has been involved in many non-burglary cases. He can be assigned any felony level case and his supervisors will not have to worry or wonder if the case will get a complete and proper investigation. Salih takes great pride in his cases and his work.

In summary, I feel that Salih has done a great job in his temporary CID investigator assignment. He is an integral part of Burglary and CID and believe that he definitely possesses the skills, motivation and traits of a successful investigator. I highly recommend that Salih Rizvanovic be given a permanent position in the Criminal Investigation Division. Salih has been, is, and will continue to be an asset to the Criminal Investigation Division and the Burglary Unit.

This report is in response to a request for recommendation relative to Investigator Salih Rizvanovic being moved to a permanent Investigator position.

Salih was assigned to CID on September 17, 2009. He has been assigned to the Burglary Unit.

Since that date he has adopted 261 cases. Of those case he has closed 28 by arrest, 6 by Grand Jury submission, and 89 are open. In that time he has used 3 sick days.

Salih has responded very well to supervision, works very well with other investigators and has been willing to help with interpretation, change hours to accommodate the unit, and do whatever else is asked of him.

His ratio for arrest to adopted cases is very good and I believe with some more experience in investigations and interview and interrogation his skill level will only increase.

I believe Investigator Rizvanovic will be an excellent permanent investigator and I do recommend him.

## Certificate of Commendation

### AWARDED TO - BURGLARY UNIT

Over the past two years cities across New York State have seen an alarming increase in burglaries, and Utica is no exception with Burglary Unit investigating over 600 burglaries in 2011. In 2012 this increasing trend continued, climaxing with 97 burglaries during the month of July. Although the Utica Police has faced significant staffing cuts including the Burglary Unit they were able to formulate strategies to combat the spike in burglaries within the city.

They worked closely with the Oneida County District Attorney's Office, assisting with the development of recently enacted County-Wide Legislation which governs Pawn Shops and Second Hand Stores. This newly enacted Legislation is already proving to be very helpful to investigators with the tracking of stolen property taken in burglaries.

The Burglary Unit also initiated a door to door campaign program in 2012, distributing hundreds of door hangers containing burglary prevention tips, while speaking with the neighborhood residents and raising awareness, saturating areas of the City impacted by burglaries.

The Burglary Unit also partnered with NYS Parole Officers and Oneida County Probation Officers, conducting unannounced home visits to persons on parole/probation for the offense of burglary in an effort to monitor their activity as well as attempt to obtain intelligence regarding local burglaries. Over 200 parolees, 200 probationers were spot checked in 2012. The Burglary Unit arrested multiple key suspects during the year of 2012. One such suspect admitted during his interview that he was responsible for committing over 100 burglaries in Utica over several years, bringing closure to numerous burglary investigations.

The hard work and dedication to duty displayed by the members of the Burglary Unit throughout the year of 2012 has resulted in an 8% decrease of burglaries compared to 2011, exceeding their Goals and Objective reducing the burglary rate by 5%. This is a highly commendable accomplishment in considering the staffing challenges faced by the department.

Investigators David Kuhn, Bryan Coromato, Salim Rizvanovic and Sgt. Michael Siriano are all deserving of recognition for their investigative teamwork, investigative skills and dedication to duty. They bring credit to themselves and the entire Utica Police Department.

### HONORABLE SERVICE

Awarded to

#### CRIMINAL INVESTIGATION DIVISION, BURGLARY UNIT, METRO UNIT INVESTIGATOR SALIH RIZVANOVIC

In 2011, the Burglary Unit initiated an investigation of a burglary which occurred at a residence in Utica which had been burglarized at least ten times in a six month period. The burglaries occurred at night in a residence in which an elderly female lived alone. She also had been confronted by the suspect on one occasion.

Multiple surveillance operations were performed over the six month period, including placing officers inside the residence during overnight hours. It became apparent that the suspect resided in the neighborhood and knew the female was elderly and lived alone. Later in the investigation, she worked closely with the investigators and coordinated a sting operation in which the victim flawlessly carried out instructions she received from the investigators regarding her conversations with the suspect. The suspect was apprehended accepting cash from the victim in exchange for returning her personal property. The suspect was subsequently arrested and charged with multiple counts of burglary, extortion and possession of stolen property.

CID Investigators Edward Smith, Bryan Coronato, Patrick Bick, Salih Rizvanovic and METRO Investigators Peter Paladino, Frank Scarchilli, Mark Fields and U.S. Deputy Marshal, Greg Morawiec, are all deserving of recognition for their teamwork, investigative skills and dedication to duty. As a result of their investigative efforts, the suspect who was exploiting the fact that the victim was elderly and lived alone, was arrested and prevented from continuing to commit these burglaries.

Infectious Disease (1 1/4hrs) - Sgt. Shaffer
DNA Testing (1/2) - Jenn Dormio
Employee Harassment (1hr) - Inv. Nicholson
Defensive Tactics- DT staff

The October DT in-service dates are going to be 4 hours a pop. We should teach the following:

- Handcuffing (controlling a cuffed prisoner)
- Handcuffing (using good verbal skills)
- Handcuffing (various threat levels)
- Baton work (forward strike, blocks, front jab, retention)
- Simple control moves (your favorite wristy twisty moves)

Please concentrate on using good verbal skills to avoid a physical confrontation and on proper handcuffing and controlling a person in handcuffs (don't let go and "put the chain on the floor"). As always we need to talk about article 35 and use of force policy.

Thank you,

JW
