Gentlemen:

In accordance with our agreement, we are pleased to present our final report summarizing and coordinating all of the previously submitted reports comprising separate parts of the Utica Comprehensive Plan.

The report culminates almost three years of work on the part of our office, during which time we have enjoyed the finest cooperation from the Planning Board, the various public agencies and many citizens of Utica.

The preparation of the Comprehensive Plan has been a most enjoyable task and we wish to express our appreciation to all those who have assisted in the work.

Respectfully submitted
