2012-2013 ENTITLEMENT FUNDING (CDBG, HOME & ESG) APPLICATION

The City of Utica, New York is now seeking proposals for funding through the City's annual entitlement program for the 2012 – 2013 program year. Funding is available for eligible activities, including those which benefit low- and moderate-income residents (e.g., housing activities, job creation/retention) and/or eliminate slums and blight. Funding is available through three entitlement formulas: Community Development Block Grant (CDBG), HOME and Emergency Shelter Grant (ESG). CDBG funding is used to support a wide range of activities that primarily benefit low- and moderate-income persons and families. Eligible activities funded by HOME involve housing purchase assistance, new construction and rehabilitation. Services for the homeless are the focus of ESG funds.

To be considered for funding, one original plus ten copies of the completed application must be submitted to the City of Utica Department of Urban & Economic Development no later than 4:00 PM on Friday, October 14, 2011. E-mailed copies of the application will not be accepted. Please note that there have been changes to the application from previous years. Additionally, please note that there is a limit on the size of the application submission.

The CDBG Citizens Advisory Committee, in conjunction with Department staff, will host an application workshop on Thursday, August 11th at 6 PM in the Common Council chambers of Utica City Hall, 1 Kennedy Plaza, Utica, New York 13502.

To solicit input from the public and potential subrecipients into the priorities for this funding, there will be three public meetings as follows:

- Monday, September 12th at 6:00 PM at Sons of Italy Center, 644 Bleecker Street
- Tuesday, September 20th at 6:30 PM at Parkway Senior Center, 220 Memorial Parkway
