PLAY.

Valley View, or 'the View' as referred to by locals, is an exciting and challenging course that offers even the most accomplished player a quality match and yet is very playable for the beginner.

Redesigned by Robert Trent Jones, Sr. in 1939, we invite you to play an enjoyable round of golf on our beautiful and picturesque course and then relax in the clubhouse. The snack bar is on the lower level, while dinner and cocktails are available upstairs as well as banquet facilities.

If you are planning an outing or a party, Valley View Municipal Golf Course has it all.
