Sergeant Rios is one of the reliable and dependable employees we have in the department.

I can always count of Sgt. Rios to get any task completed in a timely manner. he's very responsive to mmy supervision. His performance is outstanding and he's known by other police department (New Hartford PD) as a credible source of information in regards to internal investigations. I trust his judgment in his investigations and he demonstrates excellent investigative/problem solving skills to any task.

Sergeant Rios is one of the most knowlegable officers we have in our department as far as of our laws and policies. To his credit he's loves bettering his craft by seeking training opportunities.

How can this employee best improve his/her performance? (Include setting Career /Performance Goals).
Sergeant Rios needs to delegate more. I feel he takes on too much for himself.

Sergeant Rios works directly under my supervision and I find him to be loyal, extremely dependable and responsive to my supervision. Hiram rarely uses sick time, always punctual and will often change his work hours to meet department needs.

Sergeant Rios has had to take on some of the critical internal investigations on behalf of the department and he thoroughly investigates all avenues.

How can this employee best improve his/her performance? (Include setting Career /Performance Goals).

Get promoted to the rank of Lieutenant. Hiram would be an excellent Lieutenant for Uniform Patrol based on his training and experience. His training and experience would benefit these younger police officers.

"I think my ultimate goal would be to have the office run to a high standard and to have your confidence in my office, knowing that the job is/will get done in the best way possible and our performance will bring credit to you and the department. 3. NARRATIVE SECTION (This section is to be used to record specific and personal characteristics of this employee which are not adequately covered in the rating sections above. Any factors rated as a 1 or a 5 in the above sections must be articulated in this section.)

Note: Sergeant Rios no sick usage during the 2018 calendar year. Additionally, he is always on time and will flex his work schedule to meet the needs of the department.

Sergeant Rios is a valuable member of this department. He is extremely reliable and see the "big picture" when it comes to the duties of his office and the importance of ensuring department member's adherence to our overall department's policies and our mission statement.

Sergeant Rios keeps me well informed of department investigations and potential problems or issues that come to his attention.

Sergeant Rios exhibits a strong desire to keep informed about the latest developments and trends in policing and willingly shares that knowledge with other department members by regularly emails all them about legal updates and best practices in law enforcement.

Sergeant Rios has the unique ability to anticipate potential problems that may affect the agency and takes immediate action to address them.

Another area of importance that Sergeant Rios is extremely helpful with, is that he'll regularly discuss potential policy change considerations with me.

Overall, Sergeant does an outstanding job in his current assignment, he can be trusted with confidential and sensitive information. This is a rare trait in today's world.

How can this employee best improve his/her performance? My main concern is that Professional Standards is only a two-person unit. Every year the department seems to putting more tasks and responsibilities on Sergeant Rios and his unit. Professional Standards is tasked with overseeing the copying and release of body worn camera footage and it concerns me that the quality of their work my suffer. During this upcoming calendar year I'd like to see better quality in the reports that his unit produces.

Additional Narrative Section

Sergeant Rios has expressed a desire to eventually be promoted to the rank of Sergeant. I believe he would be a strong asset to this department in that position.

OVERALL PERFORMANCE RATING: This overall rating is to be based on the following factors:

- A. The employee's performance in his/her present assignment during the evaluation period; AND
B. Consideration of the general needs of the Department, comparing the capabilities and characteristics of this employee to all other employees of equal rank and paygrade known to the evaluator.

12/08/09

SUBJECT: Patrolman Hiram Rios**TO:** Chief of Police: Daniel N. Labella

I, Sgt. Edward Noonan, am assigned to the Uniformed Patrol Division in the Special Operations Unit.

Since May 2009 I have supervised Patrolman Hiram Rios in the Special Operations Unit. During this time period, I have made the determination that he is an asset to the unit. Patrolman Rios is the senior Officer in the unit and he willingly to take on the responsibilities that the position entails. When I am not working, I can depend on Patrolman Rios to make sure that the goals and objectives of the Special Operations Unit are accomplished for that evening. Ptlm. Rios has excellent "street knowledge" and he requires very little supervision. He is always willing to change and/or adjust his days or hours to accommodate the needs of the unit. I recommend that Ptlm. Rios be assigned permanently to the Special Operations Unit.

BUREAU OF POLICE

December 8th, 2009

Subject: PO. Hiram Rios

To: Chief of Police Daniel LaBella

I, Lt. Louis P. Capri, am assigned as the Commanding Officer of the Utica Police Department's Special Operations Unit.

PO. Hiram Rios has been assigned to the Special Operations Unit (SOU) since July 14th, 2008 and it is time for him to either be transferred back to a Patrol Unit or be assigned here permanently. I would recommend that Hiram be made a permanent member of the SOU.

I have supervised Hiram throughout my entire supervisory career here. Hiram has grown immensely since our first encounters together. Hiram has become a reliable and trustworthy officer. As one of the senior officers in the unit he is routinely left in charge as the Officer In Charge. I feel very comfortable with him acting in this capacity. Hiram has proved himself over and over again with the ability to make good, clear decisions. The other men in the unit look to him in times of need and respect his opinion. Hiram is here at a moments notice and is always willing to adjust his hours and / or days as needed. The only capacity that I would like to see Hiram be transferred out of the unit and back to Patrol would be as a supervisor which I believe he is ready for.

Respectfully Submitted:

Lt. Louis P. Capri #1174

SUBJECT: Temporary training position in CID**TO:** Interim Chief of Police: Daniel N. Labella

CC: Captain James Watson
Utica Police Department
Criminal Investigation Division

I Patrolman H. Rios, respectfully request to be considered for any future night time positions in the Criminal Investigation Division to include the possibilities of a Burglary Unit.

Having been assigned to the Tactical Unit and having fulfilled 1 year in CID (training position), I feel that I could and would be an asset to that Unit in fulfilling its mission statement, if I was given the opportunity to be a member once again. While in the Tactical Unit I performed all assignments, tasks that were issued to me to the best of my ability and have been commended by the Supervisors of the Tactical Unit for my performance in the area of Narcotics, Prostitution, SLA Enforcement and the overall handling of my calls. I have received communications from the following for a job well done while with the Tactical Unit: Captain J. Toomey, Lt. L. Capri, Sgt S. Hauck and Sgt. D. Cinque.

Having my experience and time on the job, I feel that I can be an asset in the above positions.

Experience and Qualifications:

13 yrs, patrol division

1 year CID (Training Position)

1 year Tactical Unit (Training Position) and now permanently assigned.

Have had training / certified in the following:

Field Training Officer, Evidence Tech, School Resource Officer, Crisis Negotiations Officer, Criminal Investigations, Metro Unit, and 911 Certified.

Thank you for your consideration in advance

5/09/08**SUBJECT:** Request for a position in the Tactical Unit**TO:** Chief of Police: C. Allen Pylman

I patrolman H. Rios, am currently assigned to squad A-2. I have had training or am certification in the following: Criminal Investigations Unit, Tactical Unit, Field Training Officer, Evidence Technician, School Resource Officer, Crisis Negotiations Officer, Metro unit, and 911 certified. I am respectfully requesting to be considered for any future openings in the Tactical Unit.

I was assigned to the Tactical Unit for one year and worked well with the members of that unit. I feel that I was and would be an asset to that unit in fulfilling its mission statement, if I was given the opportunity to be a member once again.

While in the Tactical Unit, I performed all assignments / tasks that were issued to me to the best of my ability and have been commended by its supervisors for my performance in the area of Narcotics, Prostitution, SLA Enforcement and the overall handling of my investigations. I have received communications from the following for a job well done at the completion of my training assignment in the Tactical Unit: Captain J. Toomey, Lt. L. Capri, Sgt S. Hauck, Sgt D. Cinque and Sgt S. Geddes. I am constantly asked by officers of the Tactical Unit, when I will be coming back to the unit as we all worked together as a close-knit unit and family. At the end of my assignment with the Tactical Unit, I was told by Captain J. Toomey, that he had written a letter to Deputy Chief P. Benzo stating that he was impressed with my performance and that if a position were to become available within the Tactical Unit that he would recommend me.

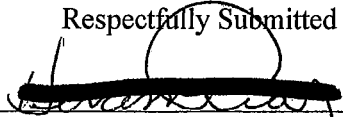

Having my experience and time on the job, I feel that I have exhausted my potential as a patrolman in the squads and would be better suited for position in the Tactical Unit, where my experience and knowledge can be better used.

I am reminded by Lt. L. Capri of a quote from Nathan F. Iannone (Supervision of Police Personnel) which states you have to put a round peg in a round hole and a square peg in a square hole, any other combination just won't work.

Thank you, for consideration in advance.

Dear Mr. Brady,

I am the Principal of the Oneida BOCES Summer School held at Proctor High School. I wanted to take the time to express my complete satisfaction with Officer Hiram Rios over the past summer. Officer Rios has worked with us for the past two years. During the six weeks of summer school, we service between 1200-1300 students. As you can well imagine, that many students can be quite the handful. When ever there was a problem with a student, Officer Rios was at the scene immediately. He handled these situations effectively and professionally. I was never displeased with his service. Officer Rios was also very friendly and pleasant to work with.

I know I do not speak just for myself, but for the rest of the summer school staff when I say that Officer Rios was a huge asset to our program, and I hope we are fortunate enough to have him as a part of our team next year.

Thank you.

Sincerely,

Dr. Michelle [REDACTED]

POLICE OFFICER JAMES HOLT
POLICE OFFICER HIRAM RIOS
POLICE OFFICER JEREMY NASH

On July 20th 2009 at approximately 10:20 p.m., Officer James Holt was conducting narcotics surveillance in the west Utica area when he observed that the driver of a vehicle was not wearing a seat belt. Upon stopping the vehicle, the three occupants all exited and Officer Holt radioed for back-up. With the assistance of PO Hiram Rios and Officer Jeremy Nash, the occupants were detained and a loaded 9MM semi-automatic handgun was recovered from inside of the vehicle.

Due to the diligence of Officer Holt and the quick response from the assisting Officers, all three occupants of the vehicle were arrested and charged with felony weapons possession and a loaded handgun was removed from the streets. The Officers' actions bring honor to both themselves and the Utica Police Department.

POLICE OFFICER HIRAM RIOS

On August 7, 2009 at about 11:56 a.m., a male was observed sitting on the top ledge of the Kennedy Plaza High Rise Building. Several units were dispatched to the scene to investigate. It appeared as though this person was suicidal. Patrol units set up a perimeter to keep pedestrians and on-lookers safe as it was touch and go for a while regarding the possibility that this male may jump.

Investigator Kaminski responded to assist. Upon his arrival, he took an elevator to the top floor and proceeded to the roof in an attempt to interview this person. Investigator Kaminski met up with Kennedy Plaza employee, Eliezer Nercado. Investigator Kaminski began a dialogue with the male with the assistance of Nercado due to a language barrier and found he was suicidal. The investigation revealed that the male walked to Kennedy Plaza after the idea of jumping off the building came to mind.

As Investigator Kaminski interviewed the male, he approached the top ledge of the building and sat on it numerous times, hanging his feet over as if he was going to jump. This was an extremely critical situation and if the wrong dialogue was used or used in a manner that upset the male, tragedy may resulted.

As Investigator Kaminski continued communicating with the male, Officer Rios was called in to assist, as he has specialized training in this area. Through the combined efforts of Investigator Kaminski, Investigator Rios and Eliezer Nercado communicating with the male, he was talked out of committing suicide, and was taken into protective custody under section 9.41 of the Mental Hygiene law.

It was through dedication to duty, experience, and professionalism that a life was saved and Investigator Kaminski and Officer Rios were outstanding in this case, as was Nercado who did an excellent job remaining calm, and assisting the police throughout the ordeal. The officers' actions bring honor to themselves and the Utica Police Department.

HONORABLE SERVICE

Awarded to

OFFICER HIRAM RIOS

On May 7, 2007, Sergeant Donald Cinque and Police Officer David Lenaghen, while patrolling East Utica as part of the department's 'Safe Streets' program, came across two suspicious vehicles. While interviewing the drivers of both vehicles, the officers became suspicious of their actions, detaining them for further investigation. Upon observing the key tags of both vehicles matched as well as broken glass on one of the driver's windows, they also noticed vehicle registration tags and plates from out of state that did not match. Police Officer Hiram Rios upon arriving at the scene was told by one of the suspects voluntarily that he stole the vehicles.

The officers proceeded to a car dealership outside the city, located a broken window and called for the State Police to respond. Upon arriving, the State Troopers and the officers cleared the building, discovering that it had been ransacked. Also located were plates matching those on the detained vehicles and keys with matching tags to the stolen vehicles. The suspects were turned over to the State Police and subsequently charged with burglary and several charges relating to the stolen vehicles.

Because of the officers keen observations and professionalism, two dangerous criminals were apprehended and brought to a successful ending. They are to be commended for their actions and teamwork.

Officer Hiram Rios

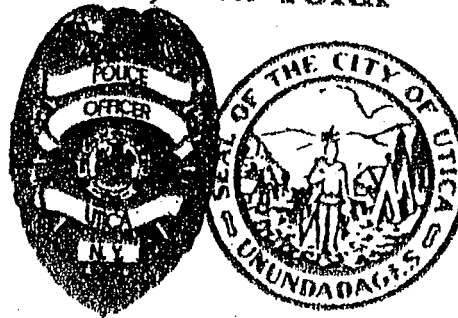

In the early morning hours on January 1, 2003, Officers Kuhn and Dougherty, responded to a house burglary in South Utica. While the officers were processing the crime scene, Lieutenant LoConte observed three males several blocks away and interviewed them, obtaining their identities and addresses. Officer Rios was also investigating a burglary in another South Utica location. Lieutenant LoConte and the officers compared evidence from scenes and determined that they were similar. Further investigation of the three males spotted by Lieutenant LoConte lead to the closing of a number of South Utica burglaries with the arrest of four individuals responsible.

Lieutenant LoConte and Officers Dougherty, Kuhn and Rios, demonstrated great initiative and proficiency in solving a series of serious crimes. They are truly a credit to themselves and the entire Utica Police Department.

On May 16, 1997 at approximately 9:00 P.M., Officers Hauck and Rios responded to a domestic call involving a demented man. Upon arrival, the Officers were confronted by a man brandishing a meat cleaver in each hand demanding to be shot. After advancing toward the officers, the man was overpowered by the officers and taken into custody. Without regard for their own safety, Officers Hauck and Rios were able to neutralize a dangerous situation and prevent injury to anyone. They are certainly a credit to themselves and bring honor to the Utica Police Department.

On March 6, 1998 Officers Rios and Scalise were involved in arresting a suspect for a larceny. Suspecting that this suspect might be involved in a rash of windows being shot out with a pellet gun over a period of six weeks, the Officers investigated further. The Officers persistence paid off when several pellet guns were recovered from the suspect who admitted the spree of damage. Officers Rios and Scalise showed excellent powers of observation in closing these cases and are a credit to themselves and the Utica Police Department.

We should teach the following: -Handcuffing (controlling a cuffed prisoner) -Handcuffing (using good verbal skills) -Handcuffing (various threat levels) -baton work (forward strike, blocks, front jab, retention) -simple control moves (your favorite wisty twisty moves) Please concentrate on using good verbal skills to avoid a physical confrontation and on proper handcuffing and controlling a person in handcuffs (don't let go and "put the chain on the floor"). As always we need to talk about article 35 and use of force policy.
