PLANNING BOARD AGENDA Common Council Chambers November 17, 2022 – 4:30 PM

PB Case No.:	02-22	Zone:	Urban Mixed Use (UMU)
Address:	2122 Oriskany Street West	Requested Action:	SEQRA – Neg Dec
Applicant:	Chris Stever		
Owner:	Chris Stever		

In April 2022, the Planning Board granted Final Site Plan approval to the applicant's plans to construct a new building on the aforementioned site. However, neither the signed resolution nor the file show evidence that a Negative Declaration under the State's Environmental Quality Review Act (SEQRA) was ever approved by the Planning Board.

At this time, New York State Department of Transportation has requested that SEQRA be formally completed as they are in the process of reviewing permit requests for modification of the access to the site from Oriskany Street West. The applicant's project is an Unlisted Action under SEQRA, which does not require coordinated review; an Environmental Assessment Form – short form had been submitted by the applicant previously.

Short Environmental Assessment Form

Part 1 - Project Information

Instructions for Completing

Part 1 – Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.
