THIS INDUCEMENT AGREEMENT AND PROJECT AGREEMENT RELATING TO THE **PEOPLE FIRST AMP 1, LLC FACILITY** (the “AGREEMENT”) is between the **CITY OF UTICA INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation of the State of New York, with offices at One Kennedy Plaza, Utica, New York 13502 (the “Agency”), and **PEOPLE FIRST AMP 1, LLC**, a limited liability company duly organized, validly existing and in good standing under the laws of the State of New York, with offices at 509 Second Street, Suite 1, Utica, New York 13501 (the “Company”).

Article 1. Preliminary Statement. Among the matters of mutual inducement which have resulted in the execution of this AGREEMENT are the following:

1.01. The Agency is authorized and empowered by the provisions of Article 18-A of the General Municipal Law of the State of New York as amended, and Chapter 710 of the Laws of 1981 of the State of New York, as may be amended from time to time (collectively, the “Act”) to undertake “Projects” (as defined in the Act) and to lease or sell the same upon such terms and conditions as the Agency may deem advisable.

1.02. The purposes of the Act are (i) to promote industry and develop trade by inducing manufacturing, industrial, warehousing, research, recreation and commercial enterprises to locate or remain in the State, (ii) to encourage and assist in the providing of industrial pollution control facilities, (iii) to support New York State’s renewable energy goals that are established and amended from time to time and (iv) to promote the economic welfare and prosperity of the inhabitants of the State. The Act vests the Agency with all powers necessary to enable it to accomplish such purposes.

1.03. (a) The Company has submitted to the Agency an Application for Financial Assistance dated August 7, 2024 which Application may be amended from time to time prior to closing of the lease-leaseback transaction described below (the “Application”) requesting that the Agency assist in a multiphase development consisting of (i) the phased demolition of forty-one (41) residential apartment buildings containing 361 units known as F.X. Matt, ND Peters and Adrean Terrace Apartments and the community room known as the Vega Center; (ii) the phased construction of 425 new, energy efficient affordable housing units including 60 supportive units with onsite services; a new community building; outdoor amenities and landscaping; and all roads, sidewalks, parking lots and infrastructure to service the same (collectively, the “Improvements”) situated on three (3) parcels of land containing 25± acres in the aggregate located at 1600, 1736 and 1790 Armory Drive in the City of Utica, Oneida County, New York (collectively, the “Land”) and (iii) acquisition and installation of furniture, fixtures and equipment in the Improvements (the “Equipment”), all to be used for the purpose of preserving affordable housing and to enhance economic development and retain employment in the City of Utica (the respective Land, the Improvements and the Equipment are referred to individually each as a “Facility, and collectively as the “Facilities” and the phased demolition, construction and equipping of

each Facility is referred to individually each as a "Project" and collectively as the "Projects").

(b) The Company will lease the Facility to the Agency pursuant to one or more Lease Agreements, and the Agency will lease the Facility back to the Company pursuant to one or more Leaseback Agreement (the "Leaseback Agreement"). The Company intends to further sublease individual residential units comprising the Facility to residential tenants (each a "Sublessee" and collectively the "Sublessees").

1.04. The Company hereby represents to the Agency that the Projects (a) will not result in the removal of an industrial or manufacturing plant from one area of the State to another area of the State or an abandonment of one or more plants of the Company located in the State; (b) are reasonably necessary to discourage the Company from removing such other plant or facility to a location outside the State, or (c) are reasonably necessary to preserve the competitive position of the Company in its industry. The renovation and equipping of the Facility has not/did not commence(d) as of August 21, 2024.

1.05. The Agency has determined that the acquisition, renovation and equipping of the Facilities, as described in the Company's Application will promote and further the purposes of the Act.

1.06. On August 21, 2024, the Agency adopted a resolution (the "Resolution" or the "Inducement Resolution") agreeing to undertake the Projects in order to assist the Company and to effectuate the purposes of the Act and, subject to the happening of all acts, conditions and things required precedent to such undertaking and the satisfactory completion of such additional acts and reviews as the Agency may deem appropriate, to undertake a lease-leaseback transaction in connection with the Projects.

1.07. In the Resolution, the Agency appointed the Company and its agents and other designees, as its agent for the purposes of demolishing, constructing and equipping the Facilities, and such appointment includes the following activities as they relate to the demolition, construction and equipping of the Facilities, whether or not the materials, services or supplies described below are incorporated into or become an integral part of the Facilities: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with demolition, construction and equipping the Facilities, (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description used in connection with demolition, construction and equipping the Facilities, and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Facilities, including all repairs and replacements of such property. Such agency appointment includes the power to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency, and in general to do all

things which may be requisite or proper for completing the Facilities, all with the same powers and with the same validity as the Agency could do if acting on its own behalf.

1.08. (a) In the Resolution, the Agency contemplates that it will provide financial assistance to the Company in the form of exemptions from sales and use taxes on materials incorporated into each Facility, exemptions from mortgage recording taxes, and abatement of real property tax for a period of thirty-five (35) years during which time the Company will pay as PILOT Payments (i) fixed payments during the construction period of each Project and (ii) after completion of each Project, three and one-half percent (3.50%) of the effective gross income of the applicable Facility for a period of 30 years, which Financial Assistance is a deviation from the Agency's Uniform Tax Exemption Policy, to be more particularly described in a Final Authorizing Resolution to be adopted by the Agency prior to the closing of the transactions described herein (collectively, the "Financial Assistance").

(b) Based upon representations made by the Company in the Application, the value of the Financial Assistance is described as follows:

Sales and use tax exemption	\$ 7,875,000.00
Mortgage recording tax exemption	\$ 195,000.00
Real property tax abatement	\$18,322,812.00 (approximately)

1.09. It is understood and agreed by the parties that the purpose of the Agency's provision of Financial Assistance with respect to the Projects is to promote, develop, encourage and assist in the acquiring, demolition, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Project facilities to advance job opportunities, health, general prosperity and economic welfare of the people of City of Utica, to prevent economic deterioration and promote employment opportunities in the area served by the Agency, and to otherwise accomplish the public purpose of the Act.

1.10. Attached as Exhibit A to this Agreement is the form of the PILOT Agreement that reflects the Financial Assistance currently contemplated by the Agency in the Resolution. The Company acknowledges that the Agency (a) reserves all rights to amend the PILOT Agreement to reflect the terms of the Financial Assistance for which the Agency grants final approval as it authorizes in the final authorizing resolution and (b) is under no obligation to enter into the PILOT Agreement unless all conditions described in Section 4.02 hereof are met to the satisfaction of the Agency.

Article 2. Undertakings on the Part of the Agency. Based upon the statements, representations and undertakings of the Company regarding the Facilities and subject to the conditions set forth herein, the Agency hereby confirms and acknowledges:

2.01. Upon satisfactory completion of the conditions precedent set forth herein and in the Resolution and the satisfactory completion of such additional acts and reviews as the Agency may deem appropriate, the Agency will (A) adopt, or cause to be

adopted, such proceedings and authorize the execution of such documents as may be necessary or advisable for (i) one or more lease-leaseback transactions, (ii) the demolition, construction and equipping of the Facilities, and (iii) the leasing of the Facilities to the Company pursuant to one or more Leaseback Agreements, all as shall be authorized by law and be mutually satisfactory to the Agency and the Company and (B) shall enter into one or more lease-leaseback transactions pursuant to the terms of the Act, as then in force, for the purpose of financing certain costs of the Facilities.

2.02. The Leaseback Agreements shall be for approximately 35 year terms and shall obligate the Company to make aggregate basic payments in the amount of \$1.00 and annual administrative fee payments of \$1,500.00 for each Project. The Company shall be entitled to terminate the Agency's leasehold interest in each Facility for an aggregate amount of \$1.00, plus such additional amounts as shall be prescribed in the Leaseback Agreements. Specifically, the Leaseback Agreements shall contain a provision that will allow the Company to terminate the Leaseback Agreements at any time upon written notice to the Agency and upon payment by the Company of all applicable fees, penalties and recapture of benefits, if applicable. The Leaseback Agreements shall contain all provisions required by law and such other provisions as shall be mutually acceptable to the Agency and the Company.

2.03. That all services, costs and expenses of whatever nature incurred in connection with the demolition, construction, equipping, installation, replacement, rebuilding, restoration, repair, maintenance and operation of the Facilities have been and will continue to be undertaken by the Company as agent for the Agency, regardless of whether such services, costs and expenses were undertaken and/or paid in its own name or in the name of the Agency, and the Agency shall furnish to the Company an appropriate letter on Agency letterhead evidencing the authority of the Company to act as agent of the Agency.

2.04. That, in connection with any lease by the Agency to the Company that is, in turn, subleased or leased by the Company, it is the intent of all parties to the transactions that any sublease or lease is undertaken by the Company as agent for the Agency.

2.05. That, at the request of the Company, and subject to the agreement between the Agency and the Company, any future transfers of fee or leasehold interest of any portion of real property upon which the Facilities are located and not owned by the Agency, are hereby authorized, such transfers to be from the Company to the Agency, and there shall be no need for any further official action on behalf of the Agency other than the execution of the appropriate documents evidencing such transfer.

2.06. The Agency will take or cause to be taken such other acts and adopt such further proceedings as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

Article 3. Undertakings on the Part of the Company. Based upon the statements, representations and undertakings of the Agency herein and in the Resolution and subject to the conditions set forth herein and in the Resolution, the Company agrees as follows:

3.01. The Company hereby accepts the appointment made by the Agency in the Resolution to be the true and lawful agent of the Agency to (i) demolish, construct, equip, repair and maintain the Facilities and (ii) make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent of the Agency, and in general to do all things which may be requisite or proper for completing the Facilities, all with the same powers and the same validity as the Agency could do if acting on its own behalf, including the authority to delegate such Agency appointment, as described in the Resolution.

3.02. In the Application, the Company represented that it will retain the existing six (6) full-time equivalent ("FTE") positions and create an additional seven (7) FTEs at the Facilities within two years of completion of the Project as a result of undertaking the Facilities (the "Employment Obligation"). The Company acknowledges that the Financial Assistance is conditioned upon the Company maintaining the Employment Obligation for the term of the Leaseback Agreements and failure to do so may result in the termination or recapture of Financial Assistance. The Company acknowledges that the Financial Assistance is also conditioned upon the Company completing the Projects substantially as it represented in the Application.

3.03. The Company will, to the extent deemed by it to be necessary or desirable, enter into a contract or contracts for the demolition, construction and equipping of the Facilities (including any necessary contracts for the acquisition of real property necessary or useful in said Facilities).

3.04. Contemporaneously with the closing of the lease-leaseback transactions the Company will enter into the Leaseback Agreement with the Agency containing, among other things, the terms and conditions described in Section 2.02 hereof.

3.05. (a) The Company shall not permit to stand, and will, at its own expense, take all steps reasonably necessary to remove (or bond the same if acceptable to the Agency and its counsel), any mechanics' or other liens against the Facilities for labor or materials furnished in connection with the demolition, construction and equipping of the Facilities. The Company shall forever defend, indemnify and hold the Agency, its members, officers, employees, and agents, and anyone for whose acts or omissions the Agency or any of them may be liable, harmless from and against all costs, losses, expenses, claims, damages and liabilities of whatever kind or nature arising, directly or indirectly, out of or based on labor, services, materials and supplies, including equipment, ordered or used in connection with the demolition, construction and equipping of the Facilities or arising out of any contract or other arrangement therefor

(and including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of any of the foregoing), whether such claims or liabilities arise as a result of the Company acting as agent for the Agency pursuant to this AGREEMENT or otherwise.

(b) The Company shall forever defend, indemnify and hold harmless the Agency, its members, officers, employees and agents, and anyone for whose acts or omissions the Agency or any of them may be liable, from and against all claims, causes of action, liabilities and expenses (including without limitation attorneys' fees) howsoever arising for loss or damage to property or any injury to or death of any person (including, without limitation, death of or injury to any employee of the Company or any sublessee) that may occur subsequent to the date hereof by any cause whatsoever in relation to the Facilities including the failure to comply with the provisions of Article 3.05 hereof, or arising, directly or indirectly, out of the ownership, demolition, construction and equipping, operation, maintenance, repair or financing of the Facilities, and including, without limitation, any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of the foregoing.

(c) The defense and indemnities provided for in this Article 3 shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence of the Agency, its members, officers, employees and agents, anyone under the direction and control of any of them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by law, provided that any such claim, liability, cause of action or expense of the Agency is not incurred or does not result from the gross negligence or intentional or willful wrongdoing of the Agency, or any of its directors, members, agents (except the Company) or employees. Without limiting the generality of the foregoing, the foregoing indemnifications shall apply to and encompass any action (or alleged failure to act) of the Agency pursuant to the SEQR Act.

(d) The Company shall provide and carry workers' compensation and disability insurance as required by law and comprehensive liability insurance with such coverages (including, without limitation, owner's protective for the benefit of the Agency and contractual coverage covering the indemnities herein provided for), with such limits and with such companies as may be approved by the Agency. Upon the request of the Agency, the Company shall provide certificates of insurance in form satisfactory to the Agency evidencing such insurance.

3.06. With the exception of the authorizations required to be adopted by the Agency for the Agency to enter into the lease-leaseback transaction, the Company agrees that, as agent for the Agency or otherwise, it will comply with all the requirements of all federal, state and local laws, rules and regulations of whatever kind

and howsoever denominated applicable to the Agency and/or the Company with respect to the Facilities, the demolition, construction and equipping thereof, the operation and maintenance of the Facility and the financing thereof. Every provision required by law to be inserted herein shall be deemed to be set forth herein as if set forth in full; and upon the request of either party, this AGREEMENT shall be amended to specifically set forth any such provision or provisions. The Company certifies, under penalty of perjury, that it is in substantial compliance with all local, state and federal tax, worker protection and environmental laws, rules and regulations.

3.07. The Company will take such further action and adopt such further proceedings as may be required to implement its aforesaid undertakings or as it may deem appropriate in pursuance thereof.

3.08. If it should be determined that any State or local sales or compensatory use taxes or similar taxes however denominated are payable with respect to the acquisition, purchase or rental of machinery or equipment, materials or supplies in connection with the Projects, or are in any manner otherwise payable directly or indirectly in connection with the Projects, the Company shall pay the same and defend and indemnify the Agency from and against any liability, expenses and penalties arising out of, directly or indirectly, the imposition of any such taxes.

3.09. The Company shall file with the New York State Department of Taxation and Finance Form ST-340 (Annual Report of Sales and Use Tax Exemptions Claimed by Agent/Project Operator of Industrial Development Agency/Authority), for as long as the Company claims a sales tax exemption, an annual statement of the value of all sales and use tax exemptions claimed in connection with the Facility, in compliance with Section 874(8) of the New York State General Municipal Law. The Company shall provide the Issuer with a copy of such annual statement at the time of filing with the State Department of Taxation and Finance. Based upon representations made by the Company in the Application, the value of the sales tax to be abated relating to the Projects is estimated at \$7,875,000.00 in the aggregate. The Company acknowledges that the financial assistance currently authorized by the Agency is limited to \$7,875,000.00 and the Agency is required by law to recapture the New York State portion of sales tax of any exemptions claimed by the Company that exceed (a) \$100,000 between the inducement date and the date of the public hearing or (b) \$7,875,000.00 in the aggregate.

3.10. If the Facility is leased to another party by the Agency and subleased to the Company, then in such event, the Company guarantees all of the covenants, undertakings and indemnities of such other party as set forth in this Article 3.

3.11. The Company shall provide annually, to the Agency, a certified statement and documentation: (i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the Financial Assistance, by category, including full time equivalent independent contractors or employees of independent

contractors that work at the Project locations, and (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. Exhibit B contains the form of annual certification as well as additional Project assessment information that the Agency requires, on an annual basis, to be submitted to the Agency by the Company.

3.12. In accordance with Section 875(3) of the General Municipal Law, the policies of the Agency, and the Resolution, the Company covenants and agrees that it may be subject to recapture of any and all Financial Assistance if it is determined by the Agency that:

(a) the Company or its subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or

(b) the sales and use tax exemption claimed is in excess of the amounts authorized by the Agency to be taken by the Company or its subagents, if any; or

(c) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(d) the Company has knowingly made a material false or misleading statement, or knowingly omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, on its application for Financial Assistance; or

(e) the Company fails to meet and maintain the Employment Obligation or Project Obligation; or

(f) the Company failed to submit to the Agency its annual report so that the Agency can confirm that the Project is achieving the Employment Obligation or Project Obligation and other objectives of the Projects.

If the Agency determines to recapture any Financial Assistance, the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdiction(s), unless agreed to otherwise by any tax jurisdiction(s). The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner may assess and determine the New York State and local sales and

use tax due from the Company, together with any relevant penalties and interest due on such amounts.

3.13. The Company acknowledges that the Agency's Financial Assistance is considered to be public funds under Section 224-a of the New York State Labor Law ("Prevailing Wage Requirements"). The Agency has determined that the aggregate of the Financial Assistance amounts to \$26,392,812.00 in the aggregate, and no part of the Financial Assistance is excluded under Subdivision (3) of the Prevailing Wage Requirements. The Company is obligated under Subdivision 8(a) of the Prevailing Wage Requirements to certify under penalty of perjury within five (5) days of commencement of construction work whether the Projects are subject to the provisions of the Prevailing Wage Requirements. Compliance with Prevailing Wage Requirements, if required, is wholly the obligation of the Company, and failure to comply may result in a stop-work order.

This AGREEMENT sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; no Financial Assistance shall be provided to the Company prior to the effective date of this Agreement. Year 4	\$78,244
Year 5	\$79,809

Such fixed payments shall be allocated among the Taxing Authorities in the same proportion that taxes would have been paid, but not for the Agency's involvement. For the purposes of calculating the allocation, the tax rates in effect for the prior exemption year shall be used.

(b) During the EGI Exemption Term, the Company shall pay to the City of Utica an amount in lieu of the Exempt Taxes equal to three and one-half percent (3.50%) of the Effective Gross Income of the Facility during each Exemption Year as described on Schedule B attached hereto. For the purposes of calculating PILOT Payments, "Effective Gross Income" or "EGI" shall be defined as the Potential Gross Income of the Facility, less vacancy losses. "Potential Gross Income" shall be defined as the maximum amount of rental income the Facility can collect in any given year. The Company shall submit to the Agency annually, no later than February 28 (i) a certified statement attesting to the EGI for the Facility for the prior calendar year, including a calculation of the PILOT Payment based on the EGI; and (ii) a check payable to "City of Utica" for the full amount of the PILOT Payment. The City shall allocate the PILOT Payment among the Taxing Authorities in the same pro-rata proportion that the Taxing Authorities would have received taxes, if the Agency did not have a leasehold interest. For purposes of apportioning the PILOT Payment, the City shall use the tax rates for the prior Exemption Year. As an example, for Exemption Year 6, the Company shall submit a statement to the Agency no later than February 28, 2031 using the EGI for calendar year 2030. The PILOT Payment remitted with this statement will be applied to School District year 2030-2031, County year 2031, and City year 2031-2032.

(c) Anything herein to the contrary, notwithstanding, this Agreement shall terminate on the date on which the Leaseback Agreement terminates and the Agency shall terminate its leasehold interest in the Facility pursuant to the Leaseback Agreement. Notwithstanding anything to the contrary, the Company shall have the right to terminate this Agreement without penalty if the Company determines, in its sole discretion, that termination of this Agreement will result in a more beneficial tax treatment for the Company. The right of the Company to terminate this Agreement is subject in all respects to the provisions of Article 8 of the Leaseback Agreement, and the Lease Agreement and Leaseback Agreement shall terminate concurrently.

(d) Anything herein to the contrary, notwithstanding, upon the failure of the Company in making any payment when due hereunder and upon failure to cure such default within thirty (30) days of receipt of notice as herein provided, shall constitute an Event of Default under Section 7.1(a)(vi) of the

Leaseback Agreement, and the Agency may take any one or all remedial steps afforded it in Section 7.2 of the Leaseback Agreement; provided, however, nothing herein contained shall be deemed to limit any other rights and remedies the Agency may have hereunder or under any other Transaction Document.

3. The Company will make PILOT Payments to each Taxing Authority hereunder for each Exemption Year by making the required payment to the City of Utica no later than February 28 of each Exemption Year. PILOT Payments that are delinquent under this Agreement shall be subject to a late penalty of five percent (5%) of the amount due which shall be paid by the Company to the City at the time the PILOT Payment is paid, and the City shall allocate the penalty among the Taxing Authorities in the same pro-rata proportion that the Taxing Authorities would have received taxes, if the Agency did not have a leasehold interest. For each month, or part thereof, that the PILOT Payment is delinquent beyond the first month, interest shall accrue to and be paid to the affected Taxing Authority on the total amount due plus a late payment penalty in the amount of one percent (1%) per month until the payment is made.

4. The PILOT Payments to be made by the Company pursuant to this Agreement are intended to be in lieu of all Exempt Taxes that would have to be paid on the Facility leased to the Company by the Leaseback Agreement if the Agency did not have a leasehold or other interest in the Facility.

5. If by reason of a change in the Constitution or laws of the State of New York, or an interpretation of the Constitution or the laws of the State of New York by the Court of Appeals (or such lower court from which the time to appeal has expired) of the State of New York, or for any other reason, the Company is required to pay any tax which the payments specified herein are intended to be in lieu of, the Company may deduct the aggregate of any such payments made by it from the amount herein agreed to be paid in lieu of such taxes and need only pay the difference. Furthermore, inasmuch as the PILOT Payments herein agreed to be made by the Company are intended to be in lieu of all Exempt Taxes, it is agreed that said payments shall not, as to any Exemption Year, be in an amount greater than would be payable for such year for such Exempt Taxes, in the aggregate, by a private corporation on account of its ownership of the Facility using an assessed value calculated pursuant to 581-A of the Real Property Tax Law. The Company shall have the ability, in its sole discretion, to challenge such 581-A assessment.

6. This Agreement shall be binding upon the successors and assigns of the parties.

7. It is the intent of the parties that the Company will have all the rights and remedies of a taxpayer with respect to any real property or other tax, service charge, special benefit, ad valorem levy, assessment or special assessment or service charge because of which, or in lieu of which, the Company is obligated to make a payment hereunder, as if and to the same extent as if the Agency did not

have a leasehold or other interest in the Facility. It is the further intent of the parties that the Company will have all of the rights and remedies of a taxpayer as if and to the same extent as if the Agency did not have a leasehold or other interest in the Facility with respect to any proposed assessment or change in assessment concerning the property (581-A or otherwise), or any portion thereof, whether through an assessor, board of assessment review, court of law, or otherwise and likewise will be entitled to protest before and be heard by such assessor, board of assessment review, court of law or otherwise and will be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any taxes that would have been payable but for the provisions hereof provided, however, that the Company must provide written notice to the Agency at least forty-five (45) days prior to filing for a change in assessment. In the event, however, that a court of competent jurisdiction shall enter an order or judgment determining or declaring that, by reason of the Agency's interest in the Facility, the Company does not have the right to bring a proceeding to review such assessment under the Real Property Tax Law or any other law, then the Company shall have the right to contest such assessment in the name and as the agent of the Agency, and the Agency agrees to cooperate with the Company in all respects in any such proceeding at the sole cost and expense of the Company. The Company hereby unconditionally and irrevocably waives its rights, if any, to apply for and/or receive the benefit of, any other real property tax exemption including, without limitation, any real property tax exemptions that may be available under Section 485-b and Section 485-e of the Real Property Tax Law for so long as the PILOT Agreement is in effect, provided that nothing herein shall preclude the Company's rights pursuant to Section 581-a of the Real Property Tax Law. Notwithstanding anything herein to the contrary, for so long as this Agreement is in effect, the Company shall not consolidate any other tax parcels into the tax parcels that are the subject of this Agreement, without the prior written consent of the Agency in each instance.

8. All amounts payable by the Company hereunder will be paid to the City on behalf of the Taxing Authorities and will be payable in such lawful money of the United States of America as at the time of payment is legal tender for the payment of public and private debts, including a check payable in such money.

9. (a) If any term or provision hereof should be for any reason held or adjudged to be invalid, illegal or unenforceable by any court of competent jurisdiction, such term or provision will be deemed separate and independent and the remainder hereof will remain in full force and effect and will not be invalidated, impaired or otherwise affected by such holding or adjudication.

(b) This Agreement may not be effectively amended, changed, modified, altered or terminated except by an instrument in writing executed by the parties hereto. Notwithstanding anything to the contrary, the Company shall have the right to terminate this Agreement without penalty if the

Company determines, in its sole discretion, that termination of this Agreement will result in a more beneficial tax treatment for the Company.

(c) All notices, certificates or other communications hereunder shall be in writing and shall be sufficiently given and shall be deemed given when (i) mailed by United States registered or certified mail, postage prepaid, return receipt requested or (ii) when delivered by a commercial overnight courier that guarantees next day delivery and provides a receipt, to the Agency and the Company, as the case may be, addressed as follows:
