NOW THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereby formally covenant, agree and bind themselves as follows:

Section 1.1 Representations and Covenants of Agency.

The Agency makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established and validly existing under the provisions of the Act and has full legal right, power and authority to execute, deliver,

and perform each of the Agency Documents and the other documents contemplated thereby. Each of the Agency Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Agency.

(b) The Agency will take a sub-leasehold interest in the Facility, sub-lease the Facility to the Company pursuant to this Leaseback Agreement and designate the Company as its agent for purposes of the Project, all for the purpose of promoting the industry, health, welfare, convenience and prosperity of the inhabitants of the State and the City of Utica and improving their standard of living.

(c) By resolution adopted on August 21, 2024 the Agency determined that, based upon the review by the Agency of the materials submitted and the representations made by the Company relating to the Facility, the Facility would not have a "significant impact" or "significant effect" on the environment within the meaning of the SEQR Act.

(d) Neither the execution and delivery of any of the Agency Documents and the other documents contemplated thereby nor the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Agency Documents and the other documents contemplated thereby, will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the Act, any other law or ordinance of the State or any political subdivision thereof or of the Agency's Certificate of Establishment or Bylaws, as amended, or of any corporate restriction or any agreement or instrument to which the Agency is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Agency under the terms of the Act or any such law, ordinance, Certificate of Establishment, Bylaws, restriction, agreement or instrument.

(e) Each of the Agency Documents and the other documents contemplated thereby constitutes a legal, valid and binding obligation of the Agency enforceable against the Agency in accordance with its terms.

(f) The Agency has been induced to enter into this Leaseback Agreement by the undertaking of the Company to acquire, construct, renovate, equip, maintain and repair the Facility and create or retain related jobs in the City of Utica, New York.

Section 1.2 Representations and Covenants of Company.

The Company makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Company is a limited liability company duly organized and validly existing under the laws of the State of New York, and has full legal right, power and authority to execute, deliver and perform each of the Company Documents and

the other documents contemplated thereby. Each of the Company Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Company and each constitutes a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its respective terms.

(b) Neither the execution and delivery of any of the Company Documents and the other documents contemplated thereby nor the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Company Documents and the other documents contemplated thereby, will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the Articles of Organization of the Company, the Operating Agreement of the Company, any law or ordinance of the State or any political subdivision thereof, or any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Company under the terms of any such law, ordinance, restriction, agreement or instrument (other than as contemplated under the Company Documents).

(c) The providing of the Facility by the Agency and the leasing thereof by the Agency to the Company will not result in the removal of an industrial or manufacturing plant, facility or other commercial activity of the Company from one area of the State to another area of the State nor result in the abandonment of one or more commercial or manufacturing plants or facilities of the Company located within the State; and the Agency has found that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

(d) The Facility and the design, demolition, construction, equipping and operation thereof will conform with all applicable zoning, planning, building and environmental laws, ordinances, rules and regulations of governmental authorities having jurisdiction over the Facility. The Company shall defend, indemnify and hold harmless the Agency for expenses, including reasonable attorneys' fees, resulting from any failure of the Company to comply with the provisions of this subsection (d).

(e) The Company has caused to be transferred to the Agency a sub-leasehold interest in all those properties and assets contemplated by this Leaseback Agreement and all documents related hereto.

(f) There is no action, litigation, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending, or, to the actual knowledge of the Company, threatened in writing against or affecting the Company, to which the Company is a party, and in which an adverse result would

materially diminish or adversely impact on the Company's ability to fulfill its obligations under this Leaseback Agreement or any of Company Documents or the transactions contemplated therein.

(g) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations and, except in compliance with environmental laws and regulations and as otherwise described in the environmental reports listed in Exhibit B of the Environmental Compliance and Indemnification Agreement, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility except in compliance with all material applicable laws, (ii) the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, (iv) that no underground storage tanks will be located on the Facility, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above to the actual knowledge of the Company is threatened, anticipated or in existence. The Company upon receiving substantiated information or notice contrary to the representations contained in this Section shall promptly notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. Notwithstanding the foregoing or anything else contained herein to the contrary, the Company shall have no duty to indemnify, defend or hold harmless the Agency, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors and assigns from or against any harm, damage, claims, costs, demands, orders, liabilities, penalties or expenses that result from the gross negligence or intentional or willful wrongdoing of the Agency or its members, officers, employees, agents (except the Company), representatives, successors, and assigns. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of the same to the Agency upon demand, and agrees that upon failure to do so, its obligation for such expense shall be deemed to be additional rent.

(h) In the Application, the Company represented that it will retain (or cause the Management Agent to retain) the existing six (6) full time equivalent positions and create an additional seventh (7) full time equivalent position at the Facility for the duration of the Lease Term as a result of undertaking the Facility (the "Employment Obligation").

ARTICLE II

DEMISING CLAUSES AND RENTAL PROVISIONS

Section 2.1 Agreement to Convey to Agency.

The Company has conveyed to the Agency a sub-leasehold interest in real property, including any buildings, structures or improvements thereon, described in Exhibit A attached hereto and the Company has or will convey all of the interest in the Equipment described in Exhibit B. The Company agrees that the Agency's interest in the Facility resulting from said conveyances will be sufficient for the purposes intended by this Leaseback Agreement and agrees that it will defend, indemnify and hold the Agency harmless from any expense or liability arising out of a defect in title or a lien adversely affecting the Facility and will pay all reasonable expenses incurred by the Agency in defending any action with respect to title to or a lien affecting the Facility.

Section 2.2 Acquisition, Demolition, Construction and Equipping of the Facility.

(a) The Company, as agent for the Agency, will undertake the Project.

(b) The Agency hereby confirms its appointment of the Company effective August 21, 2024 as its true and lawful agent to perform the following in compliance with the terms, purposes and intent of the Agency Documents, and the Company hereby confirms its acceptance of such appointment effective as of such date: (1) to acquire, construct, install and complete the Facility, (2) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons, and in general to do all things which may be requisite or proper, all for the acquisition, demolition, construction, installation and completion of the Facility, with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the liability of the Agency thereunder shall be limited to the moneys made available therefore by the Company and advanced for such purposes by the Company pursuant to this Leaseback Agreement, (3) to pay all fees, costs and expenses incurred in the acquisition, demolition, construction, installation and completion of the Facility from funds made available therefor in accordance with this Leaseback Agreement, and (4) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order, receipt or writing in connection with the acquisition, demolition, construction, installation and completion of the Facility and to enforce the provisions of any contract, agreement, obligation, bond or other performance security in connection with the same. Without limiting the generality of the foregoing, the Company's appointment as agent includes the authority to purchase, rent, lease, and otherwise use tools, machinery and equipment in connection with demolishing,

constructing and installing the Facility, to purchase, rent, lease, use and consume supplies, materials and services of every kind and description in connection with the demolition, construction and installation of the Facility, and to purchase, rent, lease, and use equipment, machinery and other tangible personal property (including without limitation installation costs) installed or placed in, on, under or over the Facility.

(c) Pursuant to Section 874(9) of the Act, the Agency agrees to file within thirty (30) days of the agency appointment with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Thirty-Day Sales Tax Report"), a statement identifying the Company as agent of the Agency, setting forth the taxpayer identification number of the Company, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating a rough estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease.

(d) The Company acknowledges, pursuant to Section 875(5) of the Act, the Thirty-Day Sales Tax Report may not be utilized as the basis to make any purchase exempt from sales tax, and that use of the Thirty-Day Sales Tax Report in such manner will both (1) subject the Company or any user to civil and criminal penalties for misuse of a copy of such statement as an exemption certificate or document or for failure to pay or collect tax as provided in the tax law and (2) be deemed to be under articles twenty-eight and thirty-seven of the New York State tax law, the issuance of a false or fraudulent exemption certificate or document with intent to evade tax. The Company or any user is required to utilize a Form ST-123 (a form of which is attached to the Sales Tax Exemption Letter) to obtain the sales tax exemption.

(e) The Agency recognizes that the Company may exercise the functions of agent of the Agency pursuant to Section 2.2(b) of this Leaseback Agreement either directly or through a series of contractors, subcontractors or other third parties. In many cases, purchases made by such contractors, subcontractors or other third parties will be exempt from sales and use taxes imposed in New York State for one or more of the reasons set forth in Section 1116(a) of the Tax Law of the State of New York, as indicated in Form ST-120.1 promulgated by the New York State Department of Taxation and Finance. However, from time to time, the Company may desire (1) to appoint a contractor, subcontractor or other third party as sub-agent of the Company with respect to the Project (a "Third Party Agent"), and (2) that such Third Party Agent be recognized by the New York State Department of Taxation and Finance as a sub-agent of the Agency. In this event, the Company may request that the Agency execute a Form ST-60 (IDA Appointment of Project Operator or Agent) (a "Third Party Thirty-Day Sales Tax Report") notifying the New York State Department of Taxation and Finance that the Company has appointed a Third Party Agent to act

as sub-agent of the Agency with respect to the Project. The Agency will grant such request upon receipt by the Agency from the Company of the following:

(2) a certificate of insurance, complying with the requirements of Section 3.4 and Section 3.5 of this Leaseback Agreement as applicable to a sub-agent, indicating that (A) the Third Party Agent maintains insurance with respect to the Facility providing the coverage against the risks and for such amounts as are mandated by Section 3.4 of this Leaseback Agreement and (B) all policies evidencing such insurance (i) name the Third Party Agent, the Company and the Agency as insureds, as their interests may appear, and (ii) provide for at least thirty (30) days' written notice to the Third Party Agent, the Company and the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof.

Upon receipt of such Third Party Thirty-Day Sales Tax Report and certificate of insurance, the Agency will execute and deliver to the Company the Third Party Thirty-Day Sales Tax Report. Upon receipt of such Third Party Thirty-Day Sales Tax Report, the Company agrees to file the same with the New York State Department of Taxation and Finance.

The Company shall advise the Agency of any actions or proceedings taken hereunder. The Agency may but shall not be obligated to prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety or other person which the Agency deems reasonably necessary, at the Company's expense, and the Agency shall advise the Company of the same.

(d) Except as provided in Sections 5.3 and 7.1 hereof, the Agency shall neither take nor suffer or permit any action to prevent the Company during the Lease Term from having quiet and peaceable possession and enjoyment of the Facility and will, at the request of the Company and at the Company's cost, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Facility as hereinabove provided.

Section 2.6 Rents and Other Amounts Payable.

(a) The Company shall pay basic rent for the Facility as follows: One Dollar (\$1.00) per year commencing on the Closing Date and on the First Business Day of each and every January thereafter during the term of this Leaseback Agreement.

The obligations of the Company to make the payments required in Section 2.6 hereof, and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company, and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment or counterclaim it may otherwise have against the Agency or any other Person. The Company agrees it will not (i) suspend, discontinue or abate any payment required hereunder, (ii) fail to observe any of its other covenants or agreement in this Leaseback Agreement or (iii) terminate this Leaseback Agreement for any cause whatsoever except as otherwise herein provided.

Subject to the foregoing provisions, nothing contained in this Section 2.7 shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Leaseback Agreement or to affect the right of the Company to seek reimbursement, and in the event the Agency should fail to perform any such agreement, the Company may institute such separate action against

The foregoing notwithstanding, the Company's obligations shall not apply to Indemnified Matters arising out of the gross negligence or intentional or willful misconduct of the Indemnified Parties or the introduction of Hazardous Substances to the Facility after the Company ceases to have ownership and control thereof.

(d) Notwithstanding the provisions of subsections (a), (b) and (c) hereof, the Company may in good faith contest the validity or the applicability of any requirement of the nature referred to in such subsections (a) and (b) by appropriate legal proceedings conducted in good faith and with due diligence. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by failure to comply with such requirement or requirements, the Facility or any part thereof may be subject to loss, penalty or forfeiture, in which event the Company shall promptly take such action with respect thereto or provide such security as shall be satisfactory to the Agency. If at any time the then existing use or occupancy of the Facility shall, pursuant to any zoning or other law, ordinance or regulation, be permitted only so long as such use or occupancy shall continue, the Company shall use its best efforts to not cause or permit such use or occupancy to be discontinued without the prior written consent of the Agency.

(e) Notwithstanding the provisions of this Section 5.8, if, because of a breach or violation of the provisions of subsections (a), (b) or (c) hereof (without giving effect to subsection (d) hereof), the Agency or any of its members, directors, officers, agents, or employees, shall be threatened with a fine, liability, expense or imprisonment, then, upon notice from the Agency, the Company shall immediately provide legal protection and/or pay amounts necessary in the opinion of the Agency and its members, directors, officers, agents and employees deem sufficient, to the extent permitted by applicable law, to remove the threat of such fine, liability, expense or imprisonment.

(f) Notwithstanding any provisions of this Section, the Agency retains the right to defend itself in any action or actions which are based upon or in any way related to such Hazardous Materials and Hazardous Substances. In any such defense of itself, the Agency shall select its own counsel, and any and all costs of such defense, including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs, and litigation expenses, shall be paid by the Company.

Section 5.9 Discharge of Liens and Encumbrances.

(a) The Company, throughout the Lease Term, shall not permit or create or suffer to be permitted or created any Lien, except for Permitted Encumbrances or Liens which have been bonded to the reasonable satisfaction of the Agency, upon the Facility or any part thereof by reason of any labor, services or materials rendered or supplied or claimed to be rendered or supplied with respect to the Facility or any part thereof.

(b) Notwithstanding the provisions of subsection (a) hereof, the Company may in good faith contest any such Lien. In such event, the Company may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by nonpayment of any such item or items, the Facility or any part thereof may be subject to loss or forfeiture, in which event the Company shall promptly secure payment of all such unpaid items by filing a bond, in form and substance satisfactory to the Agency, thereby causing such Lien to be removed or by taking such other actions as may be satisfactory to the Agency to protect their respective interests. Mechanics' Liens shall be discharged or bonded within thirty (30) days of the filing or perfection thereof.

Section 5.10 Depreciation Deductions and Investment Tax Credit.

The parties agree that, as between them, the Company shall be unconditionally and exclusively entitled to all tax attributes of ownership and depreciation or cost recovery deductions with respect to any depreciable property comprising a part of the Facility and to any investment tax credits with respect to any part of the Facility, including without limitation, all federal and state low income housing tax credits pursuant to Section 42 of the Internal Revenue Code, as amended, and Article 2-A of the New York Public Housing Law, as amended.

Section 5.11 Employment Opportunities, Notice of Jobs.

The Company covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, cause any new employment opportunities created in connection with the Facility to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300) in which the Facility is located (collectively the "Referral Agencies"). The Company also agrees that it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, first consider for such new employment opportunities persons eligible to participate in federal job training partnership (PL 97-300) programs who shall be referred by the Referral Agencies.

Section 5.12 Limitation of Liability of the Agency.

The liability of the Agency to the Company under this Leaseback Agreement shall be enforceable only out of the Agency's interest under this Leaseback Agreement, and there shall be no other recourse against the Agency, its officers, members, agents and employees, past, present or future, or any of the property now or hereafter owned by it or them, except for any gross negligence or intentional or willful misconduct of the Agency, or any of its directors, members, agents (except the Company) or employees.

Section 5.13 Prevailing Wage Requirements The Company acknowledges that the Agency's Financial Assistance constitutes "public funds" unless otherwise excluded under Section 224-a of the New York State Labor Law ("Prevailing Wage Requirements") and by executing this Agreement, (i) confirms that it has received notice from the Agency pursuant to Section 224-a(8)(d) of the New York Labor Law and (ii) acknowledges its obligations pursuant to Section 224-a(8)a) of the New York Labor Law. Other than the Agency Financial Assistance estimates provided herein and disclosed to the Company, the Agency makes no representations or covenants with respect to the total sources of "public funds" received by the Company in connection with the Project. If and to the extent that the Company determines that it is necessary and desirable to reduce the overall amount of "public funds" to be received by the Company in connection with the Project, the Agency agrees to work cooperatively with the Company to adjust the total amount of Agency Financial Assistance to be provided to the Company, which will include, but may not be limited to amending this Agreement and/or the PILOT Agreement (and if the term of the PILOT Agreement is modified, the corresponding terms of the Lease Agreement and Leaseback Agreement shall be modified accordingly).

ARTICLE VI

RELEASE OF CERTAIN LAND; ASSIGNMENTS AND SUBLEASING; PLEDGE OF INTERESTS

Section 6.1 Restriction on Sale of Facility; Release of Certain Land.

(a) Except as otherwise specifically provided in this Article VI and in Article VII hereof and except for the granting of a mortgage interest and security interests to lenders designated by the Company (each a "Lender") under a mortgage, security agreement and/or assignment of leases and rents in a form acceptable to the Agency, the Lender, and the Company, for purposes of financing the improvement of the Facility along with all modifications, substitutions and/or restatements thereof with the Lender or its successors and/or assigns, the Agency shall not sell, convey, transfer, encumber or otherwise dispose of the Facility or any part thereof or any of its rights under this Leaseback Agreement, without the prior written consent of the Company, the Equity Investor, and/or any Lender, if required by the Lender's loan documents.

(b) With the prior written consent of Lender, if required by Lender's loan documents, the Agency and the Company from time to time may release from the provisions of this Leaseback Agreement and the leasehold estate created hereby any part of, or interest in, the Land which is not necessary, desirable or useful for the Facility. In such event, the Agency, at the Company's sole cost and expense, shall execute and deliver, any and all instruments necessary or appropriate to so release such part of, or interest in, the Land and convey such title thereto or interest therein to the Company or such other Person as the Company may designate.

(c) No conveyance of any part of, or interest in the Land affected under the provisions of this Section 6.1 shall entitle the Company to any abatement or diminution of the rents payable by it under this Leaseback Agreement.

Section 6.2 Removal of Equipment.

(a) The Agency shall not be under any obligation to remove, repair or replace any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary item of Equipment. In any instance where the Company determines that any item of Equipment (except for the fixtures) has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, and such Equipment will not be replaced by the same or similar item of equal or better quality, the Company with the prior written consent of the Agency (which consent may not be unreasonably withheld but may be subject to such conditions as the Agency may deem appropriate), may remove such items from the Facility and may sell, trade-in, exchange or otherwise dispose of the same, as a whole or in part, provided that such removal will not materially impair the operation of the Facility for the purpose for which it is intended or change the nature of the Facility so that it does not constitute a "project" under the Act.

(b) The Agency shall execute and deliver to the Company all instruments necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Equipment. The Company shall pay any costs (including reasonable attorneys' fees) incurred in transferring title to any item of Equipment removed pursuant to this Section 6.2.

(c) The removal of any item of Equipment pursuant to this Section shall not entitle the Company to any abatement or diminution of the rents payable by it under this Leaseback Agreement.

Section 6.3 Assignment and Subleasing.

(a) Other than (x) a collateral assignment thereof to a lender and a transfer to a lender or its designee pursuant to a foreclosure sale or deed-in-lieu of foreclosure, or (y) with respect to a lender foreclosing on, or accepting a conveyance in lieu of foreclosure from the Company of its interest in the Facility, or any other party succeeding to the interest of the Company pursuant to a foreclosure sale, this

Leaseback Agreement may not be assigned, in whole or in part, and the Facility may not be subleased, in whole or in part, without the prior written consent of the Agency in each instance except to the Sublessees in the normal course of business. A transfer in excess of 50% of the equity voting interests of the Company (other than a transfer of non-managing member interests in the Company) shall be deemed an assignment and require the prior written consent of the Agency. Any assignment or sublease shall be on the following conditions, as of the time of such assignment or sublease:

(i) no assignment or sublease shall relieve the Company from primary liability for any of its obligations hereunder;

(ii) the assignee or sublessee shall assume the obligations of the Company hereunder to the extent of the interest assigned or subleased;

(iii) the Company shall furnish to the Agency not less than sixty (60) days prior to the date of such assignment or sublease a written request to consent to the assignment or sublease, together with such information as may be requested by the Agency;

(iv) the Company shall furnish, or cause to be furnished, to the Agency a true, complete and fully executed copy of such assignment or sublease and the instrument of assumption, containing such provisions as may be required by the Agency and in a form that has been approved by Transaction Counsel;

(v) there shall not exist any Events of Default under the Leaseback Agreement or any of the Transaction Documents on the date of assignment or sublease;

(vi) neither the validity nor the enforceability of the Leaseback Agreement shall be adversely affected thereby; and

(vii) the Facility shall continue to constitute a "project" as such quoted term is defined in the Act.

(b) If the Agency shall so request, as of the purported effective date of any assignment or sublease pursuant to subsection (a) of this Section 6.3, the Company at its cost shall furnish the Agency, with an opinion, in form and substance satisfactory to the Agency, (i) of Transaction Counsel as to item (v) above, and (ii) of Independent Counsel as to item (iv) above.

(c) Notwithstanding the foregoing, no consent from the Agency shall be required if an assignment of this Leaseback Agreement is made by the Company to the Company's parent or any direct or indirect affiliate or subsidiary of the Company.

(d) If the conditions of this Section 6.3 are met, the Agency shall not unreasonably condition, delay or withhold its consent to the sale of the Facility, transfer or assignment of the interests in Company, or assignment of this Leaseback Agreement.

(e) During the term of any Mortgage, each tenant under a commercial lease shall have the right to obtain a non-disturbance and attornment agreement from the Agency and the Company.

Section 6.4 Pledge of Agency's Interests to Lender.

(a) The Agency has been requested to pledge and assign its rights to and interest in this Leaseback Agreement and in all amounts payable by the Company pursuant to Section 2.3 hereof and all other provisions of this Leaseback Agreement (other than Unassigned Rights), to the Lender. The Agency hereby consents to such mortgage, pledge and assignment. Notwithstanding the foregoing, all indemnities herein contained shall subsequent to such pledge and assignment continue to run to the Agency for its benefit.

(b) The Agency may be requested to further pledge and assign its rights to and interest in this Leaseback Agreement and in all amounts payable by the Company pursuant to Section 2.3 hereof and all other provisions of this Leaseback Agreement (other than Unassigned Rights), to Lender or another lending institution(s). The Agency shall not unreasonably withhold its consent to such mortgage, pledge and assignment. Notwithstanding the foregoing, all indemnities herein contained shall subsequent to such pledge and assignment continue to run to the Agency for its benefit.

Section 6.5 Merger of Agency.

(a) Nothing contained in this Leaseback Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or transfer of title to the entire Facility to any other public benefit corporation or political subdivision which has the legal authority to own and lease the Facility, provided that upon any such consolidation, merger or transfer, the due and punctual performance and observance of all the agreements and conditions of this Leaseback Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Facility shall be transferred.

(b) Within thirty (30) days after the consummation of any such consolidation, merger or transfer of title, the Agency shall give notice thereof in reasonable detail to the Company and shall furnish to the Company, at the sole cost and expense of the Agency, a favorable opinion of Independent Counsel as to compliance with the provisions of Section 6.5(a) hereof. The Agency promptly shall

furnish such additional information with respect to any such transaction as the Company may reasonably request.

ARTICLE VII

EVENTS OF DEFAULTS AND REMEDIES

Section 7.1 Events of Default Defined.

Agreement: (a) The following shall be "Events of Default" under this Leaseback

(i) the failure by the Company to pay or cause to be paid on the date due, the amounts specified to be paid pursuant to Section 2.6(a), (b) and (c) hereof and upon failure to cure such default within ten (10) business days of receipt of notice as herein provided;

(ii) the failure by the Company to observe and perform any covenant contained in Sections 5.6 and 6.3 hereof, which shall not be cured within thirty (30) days after written notice from the Agency specifying such default;

(iii) any representation or warranty of the Company herein or in any of the Company's Documents shall prove to have been false or misleading in any material respect; provided, however, that if any representation or warranty which proves to be materially false is due to Company's inadvertence, Company shall have a thirty (30) day opportunity, after written notice thereof, to cause such representation or warranty to be full, true, and complete in every respect, and in such case the Agency shall have the right to determine, in its sole discretion, whether an amendment to the Financial Assistance or the terms of the Transaction Documents is appropriate based upon the corrected representation or warranty;

(iv) the failure by the Company to observe and perform any covenant, condition or agreement hereunder on its part to be observed or performed (except obligations referred to in 7.1(a)(i), (ii), and (iii)) for a period of thirty (30) days after written notice from the Agency, specifying such failure and requesting that it be remedied, given to the Company by the Agency; provided, however, that if such failure cannot be cured within such 30-day period, then the Company shall have an additional period not to exceed sixty (60) days within which to effectuate such cure, so long as the Company commences such cure in the initial thirty (30) day period and diligently prosecutes such cure to completion;

(v) the failure by the Company to release, stay, discharge, lift or bond within sixty (60) days any execution, garnishment, judgment or attachment of such consequence as may impair its ability to carry on its operations; or the failure by the Company generally to pay its debts as they become due; or an assignment by the Company for the benefit of creditors; the commencement by the Company (as the debtor) of a case in Bankruptcy or any proceeding under any other insolvency law; or the commencement of a case in Bankruptcy or any proceeding under any other insolvency law against the Company (as the debtor) and a court having jurisdiction in the premises enters a decree or order for relief against the Company as the debtor in such case or proceeding, or such case or proceeding is consented to by the Company or remains undismissed for forty (40) days, or the Company consents to or admits the material allegations against it in any such case or proceeding; or a trustee, receiver or agent (however named) is appointed or authorized to take charge of substantially all of the property of the Company for the purpose of enforcing a lien against such Property or for the purpose of general administration of such Property for the benefit of creditors;

(vi) the failure of the Company to make payments under the PILOT Agreement when due and upon failure to cure such default within thirty (30) days of receipt of notice as herein provided;

(vii) a material breach of any covenant or representation contained in Section 5.8 hereof with respect to environmental matters; or

(viii) failure to maintain insurance as provided for in Section 3.4 and Section 3.5 herein that is not cured before the insurance lapses.

(b) Notwithstanding the provisions of Section 7.1(a), if by reason of force majeure any party hereto shall be unable in whole or in part to carry out its obligations under Sections 2.2 and 3.1 of this Leaseback Agreement and if such party shall give notice and full particulars of such force majeure in writing to the other party, within a reasonable time after the occurrence of the event or cause relied upon, such obligations under this Leaseback Agreement of the party giving such notice (and only such obligations), so far as they are affected by such force majeure, shall be suspended during continuance of the inability, which shall include a reasonable time for the removal of the effect thereof. The term "force majeure" as used herein shall include, without limitation, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, acts, priorities or orders of any kind of the government of the United States of America or of the State or any of their departments, agencies, governmental subdivisions, or officials, any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accident to machinery, transmission pipes or

canals, shortages of labor or materials or delays of carriers, partial or entire failure of utilities, shortage of energy or any other cause or event not reasonably within the control of the party claiming such inability and not due to its fault. The party claiming such inability shall remove the cause for the same with all reasonable promptness. It is agreed that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the party having difficulty, and the party having difficulty shall not be required to settle any strike, lockout and other industrial disturbances by acceding to the demands of the opposing party or parties.

(c) Notwithstanding anything to the contrary herein, the Equity Investor shall have the right, but not obligation, to cure any Event of Default on the same basis as the Company, and such cure shall be accepted or rejected on the same basis as if tendered or performed by the Company. So long as Equity Investor has a continuing ownership interest in the Company, Agency shall not exercise its remedies hereunder until such time as Equity Investor has first been given 30 days' written notice of such default and has failed, within such 30-day period to cure such default; provided, however, that if such failure cannot be cured within such 30-day period, then the Equity Investor shall have an additional period not to exceed sixty (60) days within which to effectuate such cure, so long as the Equity Investor commences such cure in the initial thirty (30) day period and diligently prosecutes such cure to completion.

Section 7.2 Remedies on Default.

(a) Whenever any Event of Default shall have occurred and is continuing (after the expiration of all applicable notice and cure periods), the Agency may take, to the extent permitted by law, any one or more of the following remedial steps:

(i) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable: (A) all unpaid installments of rent payable pursuant to Section 2.6(a), (b) and (c) hereof and (B) all other payments due under this Leaseback Agreement; provided, however, that if an Event of Default specified in Section 7.1(a)(v) hereof shall have occurred, such installments of rent and other payments due under this Leaseback Agreement shall become immediately due and payable without notice to the Company or the taking of any other action by the Agency;

(ii) subject to Section 9.14(b) hereof, terminate, on ten (10) days written notice from the Agency to the Company the Lease Term and all rights of the Company under this Leaseback Agreement and the PILOT Agreement. The Agency shall have the right to execute an appropriate termination of leaseback agreement with respect to the Facility and to place the same on record in the Oneida County Clerk's Office, at the expense of the Company, and in such event the Company

waives delivery and acceptance of such termination of leaseback agreement. The Company does hereby appoint the Agency as its true and lawful agent to execute such instruments and documents as may be necessary and appropriate to effectuate such termination as aforesaid. Such appointment of the Agency as the agent of the Company shall be deemed to be an agency coupled with an interest and such appointment shall be irrevocable;

(iii) take any other action at law or in equity which may appear necessary or desirable to collect the payments then due or thereafter to become due hereunder, subject to the rights of Senior Lender, to secure possession of the Facility, and to enforce the obligations, agreements or covenants of the Company under this Leaseback Agreement.

(b) No action taken pursuant to this Section 7.2 shall relieve the Company from its obligation to make all payments required hereunder.

Section 7.3 Remedies Cumulative.

No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Leaseback Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article VII, it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Leaseback Agreement.

Section 7.4 Agreement to Pay Attorneys' Fees and Expenses.

In the event the Company should cause an Event of Default (taking into account all notice and cure periods) under any of the provisions of this Leaseback Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees of such attorneys and such other reasonable expenses so incurred.

Section 7.5 No Additional Waiver Implied by One Waiver.

In the event any agreement contained herein should be breached by any party and thereafter waived by any other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 7.6 Recapture.

(a) If the Company closes the Facility and shifts Project occupants outside of the City of Utica and, as a result, fails to achieve the Employment Obligation or the Project Obligation, then the Agency will require the value of the Financial Assistance utilized to date to be repaid, with interest (determined as the New York State legal interest rate).

(b) If the Company fails to meet (or cause the Management Agent to meet) the Employment Obligation or the Project Obligation for reasons other than described above or if the Company elects an early termination of the Leaseback Agreement pursuant to Section 8.1 hereof, then the Agency staff will meet with the Company, and the Company will have the opportunity to present its case as to relevant issues. The following criteria will be used to determine if a valid exemption exists for failure to achieve the Employment Obligation or the Project Obligation:

(i) Natural Disaster: if a natural disaster such as fire, flood or tornado disrupts the business.

(ii) Industry Trends: an evaluation of industry trends will be made relevant to the Company or the Sublessee, and a determination reached as to whether the Company or the Sublessee is in a market that is declining. International and national data will be used in the evaluation. An industry is considered in decline when, measure by the appropriate SIC code, it experiences employment or revenue declines – beyond its control – of 10% or more over 3 years.

(iii) Intentionally deleted.

(iv) Productivity Improvements: if new technology, equipment or general productivity improvements result in the need for less than projected employees or investment.

(v) Unfair Competition: if an international competitor utilizes an unfair competitive advantage to acquire market share.

(vi) Temporary Condition: if the failure to meet the Employment Obligation is temporary in nature.

(c) If the Agency based on criteria outlined in paragraph (a) determines that the Company's reasons for failing to meet (or cause the Management Agent to meet) the Employment Obligation or Project Obligation are invalid, the Agency will notify the Company in writing of its intention to recapture benefits. If the Agency based on criteria outlined in paragraph (b) determines that the Company's reasons for failing to meet (or causing the Management Agent to meet) the

Employment Obligation or Project Obligation are invalid, the Agency will notify the Company in writing of its intention to recapture benefits and the Company will have thirty (30) days to respond to the default letter citing the reason or reasons the Company failed to achieve its Employment Obligation or Project Obligation, including any request to appear before the Agency board of directors. If the Agency then determines that the Company's reasons for failing to achieve (or causing the Management Agent to achieve) the Employment Obligation or Project Obligation are invalid, the Agency, at its sole discretion, may:

(i) Take no action if it is determined that the reason or reasons for failing to achieve the Employment Obligation or Project Obligation are temporary or, in the sole opinion of the Agency, it is in the best interest of economic development of the City of Utica;

(ii) Reduce the benefits granted to the Company in an amount proportionate to the percentage of Employment Obligation or Project Obligation that was achieved (i.e., if the Company meets 75% of its Employment Obligation or Project Obligation, benefits are reduced by 25% in the next applicable tax year);

(iii) Require the Company to repay a percentage of the benefits received to date in an amount proportionate to the percentage of Employment Obligation or Project Obligation achieved and apply that percentage to future benefits until such time the original projections are met or until the expiration of the Lease Term, whichever is soonest; or

(iv) Subject to Section 9.14(b) hereof, terminate this Leaseback Agreement and the PILOT Agreement and require the Company to repay 100% of the benefits received to date.

(d) The Agency in granting benefits retains all rights to impose, delay or waive penalties and the right to deviate from these recapture provisions.

(e) No violation of these provisions in Section 7.6 will, in and of itself, constitute a default of any financing debt instrument.

(f) In accordance with Section 875(3) of the General Municipal Law and the policies of the Agency, the Company covenants and agrees that it may be subject to recapture of any and all Financial Assistance if it is determined by the Agency that:

(i) the Company or its subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or

(ii) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its subagents, if any; or

(iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(iv) the Company has knowingly made a material false or misleading statement, or knowingly omitted any information which, if included, would have rendered any information in the Application or supporting documentation false or misleading in any material respect; or

(v) the Company failed to submit to the Agency its annual report so that the Agency can confirm that the Project is achieving the Employment Obligation or Project Obligation and other objectives of the Project.

(g) If the Agency determines to recapture any Financial Assistance, the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdiction(s), unless agreed to otherwise by any tax jurisdiction(s). The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner may assess and determine the New York State and local sales and use tax due from the Company, together with any relevant penalties and interest due on such amounts.

ARTICLE VIII

EARLY TERMINATION OF LEASEBACK AGREEMENT; OPTION IN FAVOR OF COMPANY

Section 8.1 Early Termination of Leaseback Agreement.

(a) Subject to Section 9.14(b) hereof, the Company shall have the option to terminate this Leaseback Agreement at any time upon filing with the Agency a certificate signed by an Authorized Representative of the Company stating the Company's intention to do so pursuant to this Section and the date upon which such payments required by Section 8.2 hereof shall be made (which date shall not be less than forty five (45) nor more than ninety (90) days from the date such certificate is filed) and upon compliance with the requirements set forth in Section 8.2 hereof. The Company acknowledges that exercising its option to terminate pursuant to this Section may constitute a recapture event under Section 7.6(b) hereof.

Notwithstanding the foregoing, any termination under this Section 8.1(a) shall not be effective without the prior written consent of each Mortgagee.

(b) The Agency shall have the option at any time to terminate this Leaseback Agreement and to demand immediate payment in full of the rental reserved and unpaid as described in Section 2.6 hereof upon written notice to the Company of (i) the occurrence of an Event of Default hereunder and failure to cure within the prescribed period or (ii) a determination by the Agency under Section 7.6 hereof that the Company has failed to meet the objectives of the Project and termination is an appropriate remedy or (iii) the invalidity, illegality or unenforceability of the PILOT Agreement.

Section 8.2 Conditions to Early Termination of Leaseback Agreement.

In the event the Company exercises its option to terminate this Leaseback Agreement in accordance with the provisions of Section 8.1 hereof, the Company shall make the following payments:

(a) To the Agency or the Taxing Authorities (as such term is defined in the PILOT Agreement), as appropriate pursuant to the terms of the PILOT Agreement: all amounts due and payable under the PILOT Agreement as of the date of the conveyance described in Section 8.3 hereof, including all amounts due and payable resulting from a default of the provisions of Section 7.6 hereof, if any.

(b) To the Agency: (i) all amounts, if any, the Agency deems reasonably due and payable pursuant to Section 7.6 hereof as of the date of the conveyance described in Section 8.4 hereof; and (ii) an amount certified by the Agency sufficient to pay all past due and unpaid reasonable and actual fees and expenses of the Agency incurred under the Agency Documents as of the date of the conveyance described in Section 8.4, including any reasonable attorneys' fees incurred by the Agency in connection with the termination of the Facility.

Section 8.3 Obligation to Terminate Leasehold Interest In Facility. Upon termination or expiration of the Lease Term, in accordance with Sections 2.5 or 8.1 hereof, the Agency's leasehold interest in the Facility will terminate automatically and without further notice to either party, subject only to the following: (A) any Liens to which title to such Property was subject when the leasehold interest was conveyed to the Agency, (B) any Liens created at the request of the Company, to the creation of which the Company consented or in the creation of which the Company acquiesced, (C) any Permitted Encumbrances and (D) any Liens resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Leaseback Agreement or arising out of an Event of Default hereunder. Upon the termination of the Agency's leasehold interest pursuant to this Article VIII, all Agency Documents shall terminate.

Section 8.4 Conveyance on Termination.

Upon termination pursuant to Section 8.3 hereof, the Agency shall deliver to the Company all necessary documents to release and convey to the Company all of the Agency's rights and interest in and to any rights of action or any net proceeds of insurance or Condemnation awards with respect to the Facility (but not including any Unassigned Rights). At the request of the Company, the Agency shall deliver to the Company appropriate memoranda that the Company can record with the Oneida County Clerk to confirm the terminations.
