

INDUCEMENT AGREEMENT AND PROJECT AGREEMENT

THIS INDUCEMENT AGREEMENT AND PROJECT AGREEMENT RELATING TO THE **LOFTS AT GLOBE MILL, LP FACILITY** (the "AGREEMENT") is by and among the **CITY OF UTICA INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation of the State of New York, with offices at One Kennedy Plaza, Utica, New York 13502 (the "Agency"), **KCG DEVELOPMENT, LLC**, a _____ limited liability company duly organized, validly existing and in good standing under the laws of the State of New York, with offices at 11555 N. Meridian Street, Suite 400, Carmel, Indiana 46032 and **LOFTS AT GLOBE MILL, LP**, a limited partnership duly organized, validly existing and in good standing under the laws of the State of New York, with offices at 11555 N. Meridian Street, Suite 400, Carmel, Indiana 46032 (collectively, the "Company").

Article 1. Preliminary Statement. Among the matters of mutual inducement which have resulted in the execution of this AGREEMENT are the following:

1.01. The Agency is authorized and empowered by the provisions of Article 18-A of the General Municipal Law of the State of New York as amended, and Chapter 710 of the Laws of 1981 of the State of New York, as may be amended from time to time (collectively, the "Act") to undertake "Projects" (as defined in the Act) and to lease or sell the same upon such terms and conditions as the Agency may deem advisable.

1.02. The purposes of the Act are (i) to promote industry and develop trade by inducing manufacturing, industrial, warehousing, research, civic, recreation and commercial enterprises to locate or remain in the State and (ii) to encourage and assist in the providing of industrial pollution control facilities and (iii) to promote the economic welfare and prosperity of the inhabitants of the State. The Act vests the Agency with all powers necessary to enable it to accomplish such purposes.

1.03. (a) The Company has submitted to the Agency an Application for Financial Assistance dated September 2, 2016, which Application may be amended from time to time prior to closing of the sale-leaseback or lease-leaseback transaction described below (the "Application") requesting that the Agency assist in (i) the rehabilitation and renovation of three vacant and historic four-story brick warehouse buildings to convert the same to a multi-family residential development consisting of fifty-seven (57) one-bedroom units, sixty-nine (69) two-bedroom units, four (4) three bedroom units and amenities and offices to service the same to be known as Globe Mill and (ii) construction of all infrastructure to service the same (collectively, the "Improvements"), all such Improvements situated on a 5.374± acre parcel of land located at 811 Court Street, City of Utica, Oneida County, New York (the "Land") and (iii) the acquisition and installation of equipment in the Improvements (the "Equipment") (the Land, the Improvements and the Equipment are referred to collectively as the "Facility" and the acquisition, rehabilitation, renovation and equipping of the Facility is referred to collectively as the "Project"). The Facility will help satisfy the need for such housing identified in Oneida County's Vision 20/20 Initiative by providing low-income

and market rate rental housing. The Company will lease the Facility to the Agency and the Agency will lease the Facility back to the Company pursuant to a Leaseback Agreement (the "Leaseback Agreement"). The Company will further sublease the Facility to residential tenants to be determined from time to time.

1.04. The Company hereby represents to the Agency that the Project (a) will not result in the removal of an industrial or manufacturing plant from one area of the State to another area of the State or an abandonment of one or more plants of the Company located in the State; (b) is reasonably necessary to discourage the Company from removing such other plant or facility to a location outside the State, or (c) is reasonably necessary to preserve the competitive position of the Company in its industry. The rehabilitation, renovation and equipping of the Facility has not/did not commence(d) as of September 6, 2016.

1.05. The Agency has determined that the acquisition, rehabilitation, renovation and equipping of the Facility, as described in the Company's Application will promote and further the purposes of the Act.

1.06. On September 6, 2016, the Agency adopted a resolution (the "Resolution" or the "Inducement Resolution") agreeing to undertake the Project in order to assist the Company and to effectuate the purposes of the Act and, subject to the happening of all acts, conditions and things required precedent to such undertaking and the satisfactory completion of such additional acts and reviews as the Agency may deem appropriate, to undertake a sale-leaseback or lease-leaseback transaction in connection with the Project.

1.07. In the Resolution, the Agency appointed the Company and its agents and other designees, as its agent for the purposes of acquiring, rehabilitating, renovating and equipping the Facility, and such appointment includes the following activities as they relate to the acquisition, rehabilitation, renovation and equipping of the Facility, whether or not the materials, services or supplies described below are incorporated into or become an integral part of the Facility: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with acquiring, rehabilitating, renovating and equipping the Facility, (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description used in connection with acquiring, rehabilitating, renovating and equipping the Facility, and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Facility, including all repairs and replacements of such property. Such agency appointment includes the power to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and with the same validity as the Agency could do if acting on its own behalf.

1.08. (a) In the Resolution, the Agency contemplates that it will provide financial assistance to the Company in the form of exemptions from mortgage recording taxes, exemption from sales and use taxes on materials and/or equipment used or incorporated in the Facility and abatement of real property taxes on the Facility for a period of approximately thirty (30) years during which time the Company will make the following fixed PILOT Payments:

(collectively, the "Financial Assistance"), which Financial Assistance represents a deviation from the Agency's Uniform Tax Exemption Policy, to be more particularly described in a Final Authorizing Resolution to be adopted by the Agency prior to the closing of the transactions described herein.

(b) Based upon representations made by the Company in the Application, the value of the Financial Assistance is described as follows:

Sales and use tax exemption	\$682,605.00 (not to exceed)
Mortgage recording tax exemption	\$45,250.00 (approximately)
Real property tax abatement	\$7,095,968.83 (approximately)

1.09. It is understood and agreed by the parties that the purpose of the Agency's provision of Financial Assistance with respect to the Project is to promote, develop, encourage and assist in the acquiring, rehabilitating, reconstructing, improving, maintaining, equipping and furnishing of the Project facility to advance job opportunities, health, general prosperity and economic welfare of the people of City of Utica and to otherwise accomplish the public purpose of the Act.

1.10. Attached as Exhibit A to this Agreement is a copy of the PILOT Agreement that reflects the Financial Assistance currently contemplated by the Agency in the Resolution. The Company acknowledges that the Agency (a) reserves all rights to

amend the PILOT Agreement to reflect the terms of the Financial Assistance for which the Agency grants final approval as it authorizes in the final authorizing resolution and (b) is under no obligation to enter into the PILOT Agreement unless all conditions described in Section 4.02 hereof are met to the satisfaction of the Agency.

Article 2. Undertakings on the Part of the Agency. Based upon the statements, representations and undertakings of the Company regarding the Facility and subject to the conditions set forth herein, the Agency hereby confirms and acknowledges:

2.01. Upon satisfactory completion of the conditions precedent set forth herein and in the Resolution and the satisfactory completion of such additional acts and reviews as the Agency may deem appropriate, the Agency will (A) adopt, or cause to be adopted, such proceedings and authorize the execution of such documents as may be necessary or advisable for (i) a sale-leaseback or lease-leaseback transaction, (ii) the acquisition, rehabilitation, renovation and equipping of the Facility, and (iii) the leasing of the Facility to the Company pursuant to the Lease (or Leaseback) Agreement, all as shall be authorized by law and be mutually satisfactory to the Agency and the Company and (B) shall enter into a sale-leaseback or lease-leaseback transaction pursuant to the terms of the Act, as then in force, for the purpose of financing certain costs of the Facility.

2.02. The Lease (or Leaseback) Agreement shall be for an approximately thirty (30) year term and shall obligate the Company to make aggregate basic payments in the amount of \$1.00 and annual administrative fee payments of \$3,000.00. The Company shall be entitled to acquire from the Agency title to (or terminate the Agency's leasehold interest in) the Facility for an aggregate amount of \$1.00, plus such additional amounts as shall be prescribed in the Lease (or Leaseback) Agreement. Specifically, the Lease (or Leaseback) Agreement shall contain a provision that will allow the Company to terminate the Lease (or Leaseback) Agreement at any time upon written notice to the Agency and upon payment by the Company of all applicable fees, penalties and recapture of benefits, if applicable. The Lease (or Leaseback) Agreement shall contain all provisions required by law and such other provisions as shall be mutually acceptable to the Agency and the Company.

2.03. That all services, costs and expenses of whatever nature incurred in connection with the rehabilitation, renovation, equipping, installation, replacement, rebuilding, restoration, repair, maintenance and operation of the Facility have been and will continue to be undertaken by the Company as agent for the Agency, regardless of whether such services, costs and expenses were undertaken and/or paid in its own name or in the name of the Agency, and the Agency shall furnish to the Company an appropriate letter on Agency letterhead evidencing the authority of the Company to act as agent of the Agency.

2.04. That, in connection with any lease by the Agency to the Company that is, in turn, subleased or leased by the Company, it is the intent of all parties to the

transactions that any sublease or lease is undertaken by the Company as agent for the Agency.

2.05. That, at the request of the Company, and subject to the agreement between the Agency and the Company, any future transfers of fee or leasehold interest of any portion of real property upon which the Facility is located and not owned by the Agency, are hereby authorized, such transfers to be from the Company to the Agency, and there shall be no need for any further official action on behalf of the Agency other than the execution of the appropriate documents evidencing such transfer.

2.06. The Agency will take or cause to be taken such other acts and adopt such further proceedings as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

Article 3. Undertakings on the Part of the Company. Based upon the statements, representations and undertakings of the Agency herein and in the Resolution and subject to the conditions set forth herein and in the Resolution, the Company agrees as follows:

3.01. The Company hereby accepts the appointment made by the Agency in the Resolution to be the true and lawful agent of the Agency to (i) rehabilitate, renovate, equip, repair and maintain the Facility and (ii) make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent of the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and the same validity as the Agency could do if acting on its own behalf, including the authority to delegate such Agency appointment, as described in the Resolution.

3.02. In the Application, the Company represented that it will create four (4) full time equivalent positions at the Facility prior to the commencement of the third year of the Lease Term and maintain all for the duration of the Lease Term as a result of undertaking the Facility (the "Employment Obligation"). The Company acknowledges that the Financial Assistance is conditioned upon the Company maintaining the Employment Obligation for the term of the Lease (or Leaseback) Agreement and failure to do so may result in the termination or recapture of Financial Assistance. The Company acknowledges that the Financial Assistance is also conditioned upon the Company completing the adaptive reuse Project substantially as it represented in the Application (the "Project Obligation"), and failure to do so may result in the termination or recapture of Financial Assistance.

3.03. The Company will, to the extent deemed by it to be necessary or desirable, enter into a contract or contracts for the acquisition, rehabilitation, renovation and equipping of the Facility (including any necessary contracts for the acquisition of real property necessary or useful in said Facility).

3.04. Contemporaneously with the closing of the sale-leaseback or lease-leaseback transaction the Company will enter into the Lease (or Leaseback) Agreement with the Agency containing, among other things, the terms and conditions described in Section 2.02 hereof.

3.05. (a) The Company shall not permit to stand, and will, at its own expense, take all steps reasonably necessary to remove (or bond the same if acceptable to the Agency and its counsel), any mechanics' or other liens against the Facility for labor or materials furnished in connection with the acquisition, rehabilitation, renovation and equipping of the Facility. The Company shall forever defend, indemnify and hold the Agency, its members, officers, employees, and agents, and anyone for whose acts or omissions the Agency or any of them may be liable, harmless from and against all costs, losses, expenses, claims, damages and liabilities of whatever kind or nature arising, directly or indirectly, out of or based on labor, services, materials and supplies, including equipment, ordered or used in connection with the acquisition, rehabilitation, renovation and equipping of the Facility or arising out of any contract or other arrangement therefor (and including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of any of the foregoing), whether such claims or liabilities arise as a result of the Company acting as agent for the Agency pursuant to this AGREEMENT or otherwise.

(b) The Company shall forever defend, indemnify and hold harmless the Agency, its members, officers, employees and agents, and anyone for whose acts or omissions the Agency or any of them may be liable, from and against all claims, causes of action, liabilities and expenses (including without limitation attorneys' fees) howsoever arising for loss or damage to property or any injury to or death of any person (including, without limitation, death of or injury to any employee of the Company or any sublessee) that may occur subsequent to the date hereof by any cause whatsoever in relation to the Facility including the failure to comply with the provisions of Article 3.05 hereof, or arising, directly or indirectly, out of the ownership, rehabilitation, renovation, equipping, acquisition, operation, maintenance, repair or financing of the Facility, and including, without limitation, any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of the foregoing.

(c) The defense and indemnities provided for in this Article 3 shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence of the Agency, its members, officers, employees and agents, anyone under the direction and control of any of them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by law. Without limiting the generality of the foregoing, the foregoing indemnifications shall apply to and encompass any action (or alleged failure to act) of the Agency pursuant to the SEQR Act.

(d) The Company shall provide and carry workers' compensation and disability insurance as required by law and comprehensive liability insurance with such coverages (including, without limitation, owner's protective for the benefit of the Agency and contractual coverage covering the indemnities herein provided for), with such limits and with such companies as may be approved by the Agency. Upon the request of the Agency, the Company shall provide certificates of insurance in form satisfactory to the Agency evidencing such insurance.

3.06. With the exception of the authorizations required to be adopted by the Agency for the Agency to enter into the sale-leaseback or lease-leaseback transaction, the Company agrees that, as agent for the Agency or otherwise, it will comply with all the requirements of all federal, state and local laws, rules and regulations of whatever kind and howsoever denominated applicable to the Agency and/or the Company with respect to the Facility, the acquisition, rehabilitation, renovation and equipping thereof, the operation and maintenance of the Facility and the financing thereof. Every provision required by law to be inserted herein shall be deemed to be set forth herein as if set forth in full; and upon the request of either party, this AGREEMENT shall be amended to specifically set forth any such provision or provisions. The Company certifies, under penalty of perjury, that it is in substantial compliance with all local, state and federal tax, worker protection and environmental laws, rules and regulations.

3.07. The Company will take such further action and adopt such further proceedings as may be required to implement its aforesaid undertakings or as it may deem appropriate in pursuance thereof.

3.08. If it should be determined that any State or local sales or compensatory use taxes or similar taxes however denominated are payable with respect to the acquisition, purchase or rental of machinery or equipment, materials or supplies in connection with the Project, or are in any manner otherwise payable directly or indirectly in connection with the Project, the Company shall pay the same and defend and indemnify the Agency from and against any liability, expenses and penalties arising out of, directly or indirectly, the imposition of any such taxes.

3.09. The Company shall file with the New York State Department of Taxation and Finance Form ST-340 (Annual Report of Sales and Use Tax Exemptions Claimed by Agent/Project Operator of Industrial Development Agency/Authority), for as long as the Company claims a sales tax exemption, an annual statement of the value of all sales and use tax exemptions claimed in connection with the Facility, in compliance with Section 874(8) of the New York State General Municipal Law. The Company shall provide the Issuer with a copy of such annual statement at the time of filing with the State Department of Taxation and Finance. Based upon representations made by the Company in the Application, the value of the sales tax to be abated relating to the Project is estimated at \$620,550.00. The Company acknowledges that the financial assistance currently authorized by the Agency is limited to \$682,605.00, and the

Agency is required by law to recapture the New York State portion of sales tax of any exemptions claimed by the Company that exceed this amount.

3.10. If the Facility is leased to another party by the Agency and subleased to the Company, then in such event, the Company guarantees all of the covenants, undertakings and indemnities of such other party as set forth in this Article 3.

3.11. The Company shall provide annually, to the Agency, a certified statement and documentation: (i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the Financial Assistance, by category, including full time equivalent independent contractors or employees of independent contractors that work at the Project location, and (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. Exhibit C contains the form of annual certification as well as additional Project assessment information that the Agency requires, on an annual basis, to be submitted to the Agency by the Company.

3.12. In accordance with Section 875(3) of the General Municipal Law, the policies of the Agency, and the Resolution, the Company covenants and agrees that it may be subject to recapture of any and all Financial Assistance if it is determined by the Agency that:

(a) the Company or its subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or

(b) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its subagents, if any; or

(c) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(d) the Company has made a material false or misleading statement, or omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, on its application for Financial Assistance; or

(e) the Company fails to meet and maintain the Employment Obligation or Project Obligation; or

(f) the Company failed to submit to the Agency its annual report so that the Agency can confirm that the Project is achieving the Employment Obligation, the Project Obligation and other objectives of the Project.

If the Agency determines to recapture any Financial Assistance, the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdiction(s), unless agreed to otherwise by any tax jurisdiction(s). The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner may assess and determine the New York State and local sales and use tax due from the Company, together with any relevant penalties and interest due on such amounts.

Article 4. General Provisions.

4.01. This AGREEMENT sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; no Financial Assistance shall be provided to the Company prior to the effective date of this Agreement and prior to execution by both parties. This AGREEMENT shall remain in effect until the Lease (or Leaseback) Agreement becomes effective. It is the intent of the Agency and the Company that this AGREEMENT be superseded in its entirety by the Lease (or Leaseback) Agreement, except for the indemnities and guarantee of indemnities contained herein, which shall survive.

4.02. 4.03. The Company agrees that it will reimburse the Agency for all reasonable and necessary direct out-of-pocket expenses that the Agency may incur as a consequence of executing this AGREEMENT or performing its obligations hereunder. Examples of such expenses include, but are not limited to, photocopies, phone and fax charges, postage and other shipping charges incurred in connection with closing the lease-leaseback transaction or complying with any requests after closing relating to the

lease-leaseback transaction, including but not limited to requests under the Freedom of Information Act, requests relating to the Project.

4.04. If for any reason the sale-leaseback or lease-leaseback transaction does not close on or before twelve (12) months from the execution hereof, the provisions of this AGREEMENT (other than the provisions of Articles 3.05, 3.06, 3.07 and 3.08 above, which shall survive) shall, unless extended by agreement of the Agency and the Company (whether before or after such original expiration date), terminate and be of no further force or effect, and following such termination neither party shall have any rights against the other party except:

(a) The Company shall pay the Agency for all expenses which were authorized by the Company and incurred by the Agency in connection with the acquisition, renovation and equipping of the Facility;

(b) The Company shall assume and be responsible for any contracts for construction or purchase of equipment entered into by the Agency at the request of or as agent for the Company in connection with the Project; and

WHEREAS, pursuant to Section 874 of the Act, the Agency sent a notice to the chief executive officer of each Taxing Authority providing a description of the PILOT Payments, the Agency's reasons for deviating from the Policy as well as the time and location of the meeting during which the Agency would consider a resolution approving the deviation from its Policy and the PILOT Payments; and

WHEREAS, all defined terms herein as indicated by the capitalization of the first letter thereof and not otherwise defined herein shall have the meanings ascribed to such terms as set forth in the Leaseback Agreement.

NOW, THEREFORE, to provide for certain payments to the Taxing Authorities as set forth on Schedule A attached hereto and made a part hereof, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. The Company shall pay to each Taxing Authority:

(a) all taxes that are due with respect to the Facility prior to the Exemption Term, no later than the last day during which such payments may be made without penalty; and

(b) all special assessments and ad valorem taxes coming due and payable during the term of the Leaseback Agreement and the Leaseback Agreement for which the Facility is not exempt, no later than the last day during which such payments may be made without penalty.

2. (a) The Company shall pay to the Taxing Authorities an annual amount in lieu of the Exempt Taxes (the "PILOT Payments") during each Exemption Year as described on Schedule B attached hereto. The PILOT Payments described in this Section 2(a) shall be allocated among the Taxing Authorities in the same proportion as ad valorem taxes would have been allocated but for the Agency's involvement, unless the Taxing Authorities have consented in writing to a specific allocation. For the purposes of apportioning PILOT Payments, each Taxing Authority shall use the tax rate for the prior Exemption Year.

(b) Anything herein to the contrary, notwithstanding, this Agreement shall terminate on the date on which the Leaseback Agreement shall terminate and the Agency shall terminate its leasehold interest in the Facility pursuant to the Leaseback Agreement.

(c) Anything herein to the contrary, notwithstanding, upon the failure of the Company in making any payment when due hereunder and upon failure to cure such default within thirty (30) days of receipt of notice as herein provided, the Company shall henceforth pay as PILOT Payments one hundred (100%) percent of the Exempt Taxes together with interest at the rate of nine (9%) percent per annum on any delinquent PILOT Payments together with expenses of collection, including but not limited to, payment of attorneys' fees; provided, however, nothing herein contained shall be deemed to limit any other rights and remedies the Agency may have hereunder or under any other Transaction Document.

(d) The PILOT Payments to be made under this PILOT Agreement are secured by a PILOT Mortgage dated _____, 2016 (the "PILOT Mortgage") from the Agency and the Company to the Agency for the benefit of the Taxing Authorities, to be recorded in the Office of the Clerk of Oneida County.

3. The Company will make PILOT Payments to each Taxing Authority hereunder for each Exemption Year by making the required payment to such Taxing Authority no later than the last day during which such Exempt Taxes could otherwise be made without penalty as if the Agency did not have a leasehold or other interest in the Facility.

4. The PILOT Payments to be made by the Company pursuant to this Agreement are intended to be in lieu of all Exempt Taxes that would have to be paid on the Facility leased to the Company by the Leaseback Agreement if the Agency did not have a leasehold or other interest in the Facility.

5. If by reason of a change in the Constitution or laws of the State of New York, or an interpretation of the Constitution or the laws of the State of New York by the Court of Appeals (or such lower court from which the time to appeal has expired) of the State of New York, or for any other reason, the Company is required to pay any tax which the payments specified herein are intended to be in lieu of, the Company may deduct the aggregate of any such payments made by it from the amount herein agreed to be paid in lieu of such taxes and need only pay the difference. Furthermore, inasmuch as the PILOT Payments herein agreed to be made by the Company are intended to be in lieu of all Exempt Taxes, it is agreed that said payments shall not, as to any Exemption Year, be in an amount greater than would be payable for such year for such Exempt Taxes, in the aggregate, by a private corporation on account of its ownership of the Facility.

6. This Agreement shall be binding upon the successors and assigns of the parties.

7. It is the intent of the parties that the Company will have all the rights and remedies of a taxpayer with respect to any real property or other tax, service charge, special benefit, ad valorem levy, assessment or special assessment or service charge because of which, or in lieu of which, the Company is obligated to make a payment hereunder, as if and to the same extent as if the Agency did not have a leasehold or other interest in the Facility. It is the further intent of the parties that the Company will have all of the rights and remedies of a taxpayer as if and to the same extent as if the Agency did not have a leasehold or other interest in the Facility with respect to any proposed assessment or change in assessment concerning the property, or any portion thereof, whether through an assessor, board of assessment review, court of law, or otherwise and likewise will be entitled to protest before and be heard by such assessor, board of assessment review, court of law or otherwise and will be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any taxes that would have been payable but for the provisions hereof. In the event, however, that a court of competent jurisdiction shall enter an order or judgment determining or declaring that, by reason of the Agency's interest in the Facility, the Company does not have the right to bring a proceeding to review such assessment under the Real Property Tax Law or any other law, then the Company shall have the right to contest such assessment in the name and as the agent of the Agency, and the Agency agrees to cooperate with the Company in all respects in any such proceeding at the sole cost and expense of the Company. The Company hereby unconditionally and irrevocably waives its rights, if any, to apply for and/or receive the benefit of, any other real property tax exemption including, without limitation, any real property tax exemptions that may be available under Section 485-b and Section 485-e of the Real Property Tax Law for so long as the PILOT Agreement is in effect.

8. All amounts payable by the Company hereunder will be paid to the respective Taxing Authority and will be payable in such lawful money of the United States of America as at the time of payment is legal tender for the payment of public and private debts, including a check payable in such money.

9. (a) If any term or provision hereof should be for any reason held or adjudged to be invalid, illegal or unenforceable by any court of competent jurisdiction, such term or provision will be deemed separate and independent and

the remainder hereof will remain in full force and effect and will not be invalidated, impaired or otherwise affected by such holding or adjudication.

(b) This Agreement may not be effectively amended, changed, modified, altered or terminated except by an instrument in writing executed by the parties hereto.

(c) All notices, certificates or other communications hereunder shall be in writing and shall be sufficiently given and shall be deemed given when mailed by United States registered or certified mail, postage prepaid, return receipt requested, to the Agency or the Company, as the case may be, addressed as follows:

EXHIBIT B
FORM OF ANNUAL REPORT TO AGENCY

FIRST AMENDED AND RESTATED
INDUCEMENT AGREEMENT AND PROJECT AGREEMENT

THIS FIRST AMENDED AND RESTATED INDUCEMENT AGREEMENT AND PROJECT AGREEMENT RELATING TO THE **LOFTS AT GLOBE MILL, LP FACILITY** (the "AGREEMENT") is by and among the **CITY OF UTICA INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation of the State of New York, with offices at One Kennedy Plaza, Utica, New York 13502 (the "Agency"), **KCG DEVELOPMENT, LLC**, a _____ limited liability company duly organized, validly existing and in good standing under the laws of the State of New York, with offices at 9333 N. Meridian Street, Suite 230, Indianapolis, Indiana 46260 and **LOFTS AT GLOBE MILL, LP**, a limited partnership duly organized, validly existing and in good standing under the laws of the State of New York, with offices at 9333 N. Meridian Street, Suite 230, Indianapolis, Indiana 46260 (collectively, the "Company").

Article 1. Preliminary Statement. Among the matters of mutual inducement which have resulted in the execution of this AGREEMENT are the following:

1.01. The Agency is authorized and empowered by the provisions of Article 18-A of the General Municipal Law of the State of New York as amended, and Chapter 710 of the Laws of 1981 of the State of New York, as may be amended from time to time (collectively, the "Act") to undertake "Projects" (as defined in the Act) and to lease or sell the same upon such terms and conditions as the Agency may deem advisable.

1.02. The purposes of the Act are (i) to promote industry and develop trade by inducing manufacturing, industrial, warehousing, research, civic, recreation and commercial enterprises to locate or remain in the State and (ii) to encourage and assist in the providing of industrial pollution control facilities and (iii) to promote the economic welfare and prosperity of the inhabitants of the State. The Act vests the Agency with all powers necessary to enable it to accomplish such purposes.

1.03. (a) The Company has submitted to the Agency an Application for Financial Assistance dated September 2, 2016 as amended on October 16, 2018, which Application may be further amended from time to time prior to closing of the sale-leaseback or lease-leaseback transaction described below (the "Application") requesting that the Agency assist in (i) rehabilitate and renovate three vacant and historic four-story brick warehouse buildings to convert the same to a multi-family residential development consisting of 149 residential units, 9,000± square feet of commercial space and amenities and offices to service the same to be known as Globe Mill and (ii) construct all infrastructure to service the same (collectively, the "Improvements"), all such Improvements situated on a 5.374± acre parcel of land located at 933 Stark Street, 811-827 Court Street and 814 Warren Street, City of Utica, Oneida County, New York (collectively, the "Land") and (iii) acquire and install equipment in the Improvements (the "Equipment") (the Land, the Improvements and the Equipment are referred to collectively as the "Facility" and the acquisition, construction,

rehabilitation, renovation and equipping of the Facility is referred to collectively as the "Project"). The Facility will help satisfy the need for such housing identified in Oneida County's Vision 20/20 Initiative by providing low-income and market rate rental housing. The Company will lease the Facility to the Agency and the Agency will lease the Facility back to the Company pursuant to a Leaseback Agreement (the "Leaseback Agreement"). The Company will further sublease the Facility to residential tenants to be determined from time to time.

1.04. The Company hereby represents to the Agency that the Project (a) will not result in the removal of an industrial or manufacturing plant from one area of the State to another area of the State or an abandonment of one or more plants of the Company located in the State; (b) is reasonably necessary to discourage the Company from removing such other plant or facility to a location outside the State, or (c) is reasonably necessary to preserve the competitive position of the Company in its industry. The rehabilitation, renovation and equipping of the Facility has not/did not commence(d) as of September 6, 2016.

1.05. The Agency has determined that the acquisition, rehabilitation, renovation and equipping of the Facility, as described in the Company's Application will promote and further the purposes of the Act.

1.06. On September 6, 2016 as supplemented by a resolution on January 15, 2019, the Agency adopted a resolution (the "Resolution" or the "Inducement Resolution") agreeing to undertake the Project in order to assist the Company and to effectuate the purposes of the Act and, subject to the happening of all acts, conditions and things required precedent to such undertaking and the satisfactory completion of such additional acts and reviews as the Agency may deem appropriate, to undertake a sale-leaseback or lease-leaseback transaction in connection with the Project.

1.07. In the Resolution, the Agency appointed the Company and its agents and other designees, as its agent for the purposes of acquiring, rehabilitating, renovating and equipping the Facility, and such appointment includes the following activities as they relate to the acquisition, rehabilitation, renovation and equipping of the Facility, whether or not the materials, services or supplies described below are incorporated into or become an integral part of the Facility: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with acquiring, constructing, rehabilitating, renovating and equipping the Facility, (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description used in connection with acquiring, constructing, rehabilitating, renovating and equipping the Facility, and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Facility, including all repairs and replacements of such property. Such agency appointment includes the power to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency, and in general to do all things which may be requisite

or proper for completing the Facility, all with the same powers and with the same validity as the Agency could do if acting on its own behalf.

1.08. (a) In the Resolution, the Agency contemplates that it will provide financial assistance to the Company in the form of exemptions from mortgage recording taxes, exemption from sales and use taxes on materials and/or equipment used or incorporated in the Facility and abatement of real property taxes on the Facility for a period of approximately thirty (30) years during which time the Company will make the PILOT Payments equal to seven and one-half percent (7.50%) of the Effective Gross Income of the Facility (collectively, the "Financial Assistance"), which Financial Assistance represents a deviation from the Agency's Uniform Tax Exemption Policy, to be more particularly described in a Final Authorizing Resolution to be adopted by the Agency prior to the closing of the transactions described herein.

(b) Based upon representations made by the Company in the Application, the value of the Financial Assistance is described as follows:

- Sales tax exemptions estimated at \$1,015,665 but not to exceed \$1,117,231.50;
- Mortgage recording tax exemptions estimated at \$42,250.00; and
- Real property tax abatement estimated at \$6,340,539.00.

(c) The Company does not expect to use the mortgage recording tax exemption as approved by the Agency.

1.09. It is understood and agreed by the parties that the purpose of the Agency's provision of Financial Assistance with respect to the Project is to promote, develop, encourage and assist in the acquiring, constructing, rehabilitating, reconstructing, improving, maintaining, equipping and furnishing of the Project facility to advance job opportunities, health, general prosperity and economic welfare of the people of City of Utica and to otherwise accomplish the public purpose of the Act.

1.10. Attached as Exhibit A to this Agreement is a copy of the PILOT Agreement that reflects the Financial Assistance currently contemplated by the Agency in the Resolution. The Company acknowledges that the Agency (a) reserves all rights to amend the PILOT Agreement to reflect the terms of the Financial Assistance for which the Agency grants final approval as it authorizes in the final authorizing resolution and (b) is under no obligation to enter into the PILOT Agreement unless all conditions described in Section 4.02 hereof are met to the satisfaction of the Agency.

Article 2. Undertakings on the Part of the Agency. Based upon the statements, representations and undertakings of the Company regarding the Facility and subject to the conditions set forth herein, the Agency hereby confirms and acknowledges:

2.01. Upon satisfactory completion of the conditions precedent set forth herein and in the Resolution and the satisfactory completion of such additional acts and reviews as the Agency may deem appropriate, the Agency will (A) adopt, or cause to be adopted, such proceedings and authorize the execution of such documents as may be necessary or advisable for (i) a sale-leaseback or lease-leaseback transaction, (ii) the acquisition, rehabilitation, renovation and equipping of the Facility, and (iii) the leasing of the Facility to the Company pursuant to the Lease (or Leaseback) Agreement, all as shall be authorized by law and be mutually satisfactory to the Agency and the Company and (B) shall enter into a sale-leaseback or lease-leaseback transaction pursuant to the terms of the Act, as then in force, for the purpose of financing certain costs of the Facility.

2.02. The Lease (or Leaseback) Agreement shall be for an approximately thirty (30) year term and shall obligate the Company to make aggregate basic payments in the amount of \$1.00 and annual administrative fee payments of \$3,000.00. The Company shall be entitled to acquire from the Agency title to (or terminate the Agency's leasehold interest in) the Facility for an aggregate amount of \$1.00, plus such additional amounts as shall be prescribed in the Lease (or Leaseback) Agreement. Specifically, the Lease (or Leaseback) Agreement shall contain a provision that will allow the Company to terminate the Lease (or Leaseback) Agreement at any time upon written notice to the Agency and upon payment by the Company of all applicable fees, penalties and recapture of benefits, if applicable. The Lease (or Leaseback) Agreement shall contain all provisions required by law and such other provisions as shall be mutually acceptable to the Agency and the Company.

2.03. That all services, costs and expenses of whatever nature incurred in connection with the rehabilitation, renovation, equipping, installation, replacement, rebuilding, restoration, repair, maintenance and operation of the Facility have been and will continue to be undertaken by the Company as agent for the Agency, regardless of whether such services, costs and expenses were undertaken and/or paid in its own name or in the name of the Agency, and the Agency shall furnish to the Company an appropriate letter on Agency letterhead evidencing the authority of the Company to act as agent of the Agency.

2.04. That, in connection with any lease by the Agency to the Company that is, in turn, subleased or leased by the Company, it is the intent of all parties to the transactions that any sublease or lease is undertaken by the Company as agent for the Agency.

2.05. That, at the request of the Company, and subject to the agreement between the Agency and the Company, any future transfers of fee or leasehold interest of any portion of real property upon which the Facility is located and not owned by the Agency, are hereby authorized, such transfers to be from the Company to the Agency,

and there shall be no need for any further official action on behalf of the Agency other than the execution of the appropriate documents evidencing such transfer.

2.06. The Agency will take or cause to be taken such other acts and adopt such further proceedings as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

Article 3. Undertakings on the Part of the Company. Based upon the statements, representations and undertakings of the Agency herein and in the Resolution and subject to the conditions set forth herein and in the Resolution, the Company agrees as follows:

3.01. The Company hereby accepts the appointment made by the Agency in the Resolution to be the true and lawful agent of the Agency to (i) construct, rehabilitate, renovate, equip, repair and maintain the Facility and (ii) make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent of the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and the same validity as the Agency could do if acting on its own behalf, including the authority to delegate such Agency appointment, as described in the Resolution.

3.02. In the Application, the Company represented that it will create seven (7) full time equivalent positions at the Facility prior to the commencement of the third year of the Lease Term and maintain all for the duration of the Lease Term as a result of undertaking the Facility (the "Employment Obligation"). The Company acknowledges that the Financial Assistance is conditioned upon the Company maintaining the Employment Obligation for the term of the Lease (or Leaseback) Agreement and failure to do so may result in the termination or recapture of Financial Assistance. The Company acknowledges that the Financial Assistance is also conditioned upon the Company completing the adaptive reuse Project substantially as it represented in the Application (the "Project Obligation"), and failure to do so may result in the termination or recapture of Financial Assistance.

3.03. The Company will, to the extent deemed by it to be necessary or desirable, enter into a contract or contracts for the acquisition, construction, rehabilitation, renovation and equipping of the Facility (including any necessary contracts for the acquisition of real property necessary or useful in said Facility).

3.04. Contemporaneously with the closing of the sale-leaseback or lease-leaseback transaction the Company will enter into the Lease (or Leaseback) Agreement with the Agency containing, among other things, the terms and conditions described in Section 2.02 hereof.

3.05. (a) The Company shall not permit to stand, and will, at its own expense, take all steps reasonably necessary to remove (or bond the same if acceptable to the

Agency and its counsel), any mechanics' or other liens against the Facility for labor or materials furnished in connection with the acquisition, construction, rehabilitation, renovation and equipping of the Facility. The Company shall forever defend, indemnify and hold the Agency, its members, officers, employees, and agents, and anyone for whose acts or omissions the Agency or any of them may be liable, harmless from and against all costs, losses, expenses, claims, damages and liabilities of whatever kind or nature arising, directly or indirectly, out of or based on labor, services, materials and supplies, including equipment, ordered or used in connection with the acquisition, construction, rehabilitation, renovation and equipping of the Facility or arising out of any contract or other arrangement therefor (and including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of any of the foregoing), whether such claims or liabilities arise as a result of the Company acting as agent for the Agency pursuant to this AGREEMENT or otherwise.

(b) The Company shall forever defend, indemnify and hold harmless the Agency, its members, officers, employees and agents, and anyone for whose acts or omissions the Agency or any of them may be liable, from and against all claims, causes of action, liabilities and expenses (including without limitation attorneys' fees) howsoever arising for loss or damage to property or any injury to or death of any person (including, without limitation, death of or injury to any employee of the Company or any sublessee) that may occur subsequent to the date hereof by any cause whatsoever in relation to the Facility including the failure to comply with the provisions of Article 3.05 hereof, or arising, directly or indirectly, out of the ownership, rehabilitation, renovation, equipping, acquisition, operation, maintenance, repair or financing of the Facility, and including, without limitation, any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of the foregoing.

(c) The defense and indemnities provided for in this Article 3 shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence of the Agency, its members, officers, employees and agents, anyone under the direction and control of any of them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by law. Without limiting the generality of the foregoing, the foregoing indemnifications shall apply to and encompass any action (or alleged failure to act) of the Agency pursuant to the SEQR Act.

(d) The Company shall provide and carry workers' compensation and disability insurance as required by law and comprehensive liability insurance with such coverages (including, without limitation, owner's protective for the benefit of the Agency and contractual coverage covering the indemnities herein provided for), with such limits and with such companies as may be approved by the Agency. Upon the request of the

Agency, the Company shall provide certificates of insurance in form satisfactory to the Agency evidencing such insurance.

3.06. With the exception of the authorizations required to be adopted by the Agency for the Agency to enter into the sale-leaseback or lease-leaseback transaction, the Company agrees that, as agent for the Agency or otherwise, it will comply with all the requirements of all federal, state and local laws, rules and regulations of whatever kind and howsoever denominated applicable to the Agency and/or the Company with respect to the Facility, the acquisition, rehabilitation, renovation and equipping thereof, the operation and maintenance of the Facility and the financing thereof. Every provision required by law to be inserted herein shall be deemed to be set forth herein as if set forth in full; and upon the request of either party, this AGREEMENT shall be amended to specifically set forth any such provision or provisions. The Company certifies, under penalty of perjury, that it is in substantial compliance with all local, state and federal tax, worker protection and environmental laws, rules and regulations.

3.07. The Company will take such further action and adopt such further proceedings as may be required to implement its aforesaid undertakings or as it may deem appropriate in pursuance thereof.

3.08. If it should be determined that any State or local sales or compensatory use taxes or similar taxes however denominated are payable with respect to the acquisition, purchase or rental of machinery or equipment, materials or supplies in connection with the Project, or are in any manner otherwise payable directly or indirectly in connection with the Project, the Company shall pay the same and defend and indemnify the Agency from and against any liability, expenses and penalties arising out of, directly or indirectly, the imposition of any such taxes.

3.09. The Company shall file with the New York State Department of Taxation and Finance Form ST-340 (Annual Report of Sales and Use Tax Exemptions Claimed by Agent/Project Operator of Industrial Development Agency/Authority), for as long as the Company claims a sales tax exemption, an annual statement of the value of all sales and use tax exemptions claimed in connection with the Facility, in compliance with Section 874(8) of the New York State General Municipal Law. The Company shall provide the Issuer with a copy of such annual statement at the time of filing with the State Department of Taxation and Finance. Based upon representations made by the Company in the Application, the value of the sales tax to be abated relating to the Project is estimated at \$1,015,665 but not to exceed \$1,117,231.50. The Company acknowledges that the financial assistance currently authorized by the Agency is limited to \$1,117,231.50, and the Agency is required by law to recapture the New York State portion of sales tax of any exemptions claimed by the Company that exceed this amount.

3.10. If the Facility is leased to another party by the Agency and subleased to the Company, then in such event, the Company guarantees all of the covenants, undertakings and indemnities of such other party as set forth in this Article 3.

3.11. The Company shall provide annually, to the Agency, a certified statement and documentation: (i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the Financial Assistance, by category, including full time equivalent independent contractors or employees of independent contractors that work at the Project location, and (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. Exhibit B contains the form of annual certification as well as additional Project assessment information that the Agency requires, on an annual basis, to be submitted to the Agency by the Company.

3.12. In accordance with Section 875(3) of the General Municipal Law, the policies of the Agency, and the Resolution, the Company covenants and agrees that it may be subject to recapture of any and all Financial Assistance if it is determined by the Agency that:

(a) the Company or its subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or

(b) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its subagents, if any; or

(c) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(d) the Company has made a material false or misleading statement, or omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, on its application for Financial Assistance; or

(e) the Company fails to meet and maintain the Employment Obligation or Project Obligation; or

(f) the Company failed to submit to the Agency its annual report so that the Agency can confirm that the Project is achieving the Employment Obligation, the Project Obligation and other objectives of the Project.

If the Agency determines to recapture any Financial Assistance, the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or

recapture any or all Financial Assistance obtained by the Company and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdiction(s), unless agreed to otherwise by any tax jurisdiction(s). The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner may assess and determine the New York State and local sales and use tax due from the Company, together with any relevant penalties and interest due on such amounts.

Article 4. General Provisions.

4.01. This AGREEMENT sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; no Financial Assistance shall be provided to the Company prior to the effective date of this Agreement and prior to execution by both parties. This AGREEMENT shall remain in effect until the Lease (or Leaseback) Agreement becomes effective. It is the intent of the Agency and the Company that this AGREEMENT be superseded in its entirety by the Lease (or Leaseback) Agreement, except for the indemnities and guarantee of indemnities contained herein, which shall survive.

4.02. It is understood and agreed by the Agency and the Company that entering into the sale-leaseback or lease-leaseback transaction and the execution of the Lease (or Leaseback) Agreement and related documents are subject to (i) obtaining all necessary governmental approvals, (ii) approval of the directors of the Company, (iii) approval of the members of the Agency, (iv) satisfactory completion of the environmental review of the Facility by the Agency in compliance with the State Environmental Quality Review Act, (v) agreement by the Agency and the Company upon mutually acceptable terms and conditions for the Lease (or Leaseback) Agreement and other documentation usual and customary to transactions of this nature, (vi) the condition that there are no changes in New York State Law which prohibit or limit the Agency from fulfilling its obligation and commitment as herein set forth to enter into the sale-leaseback or lease-leaseback transaction and (vii) payment by the Company of the Agency's transaction fee and the fees and disbursements of bond counsel or transaction counsel.

4.03. The Company agrees that it will reimburse the Agency for all reasonable and necessary direct out-of-pocket expenses that the Agency may incur as a consequence of executing this AGREEMENT or performing its obligations hereunder. Examples of such expenses include, but are not limited to, photocopies, phone and fax charges, postage and other shipping charges incurred in connection with closing the lease-leaseback transaction or complying with any requests after closing relating to the lease-leaseback transaction, including but not limited to requests under the Freedom of Information Act, requests relating to the Project.

4.04. If for any reason the sale-leaseback or lease-leaseback transaction does not close on or before twelve (12) months from the execution hereof, the provisions of this AGREEMENT (other than the provisions of Articles 3.05, 3.06, 3.07 and 3.08 above, which shall survive) shall, unless extended by agreement of the Agency and the Company (whether before or after such original expiration date), terminate and be of no further force or effect, and following such termination neither party shall have any rights against the other party except:

(a) The Company shall pay the Agency for all expenses which were authorized by the Company and incurred by the Agency in connection with the acquisition, renovation and equipping of the Facility;

(b) The Company shall assume and be responsible for any contracts for construction or purchase of equipment entered into by the Agency at the request of or as agent for the Company in connection with the Project; and

(c) The Company will pay the out-of-pocket expenses of members of the Agency, counsel for the Agency and Transaction Counsel incurred in connection with the Project and will pay the reasonable fees of counsel for the Agency and Transaction Counsel for legal services relating to the Project or the proposed financing thereof.
